Ike, Macmillan Adopt Formula On Big 4 Talks

Foreign Ministers Would Set Stage For Summit Parley

WASHINGTON (AP) — President Eisenhower and British Prime Minister Harold Macmillan have proposed that the Western Allies adopt a three-point approach to a summit conference with Soviet Premier Nikita Khrushchev this summer.

It was learned today that this was the compromise formula agreed on in talks between the two Western leaders at Camp David, Md., Saturday.

Now under discussion by West German Chancellor Konrad Adenaur and French President Charles de Gaulle, it represents a compromise between Macmillan's urgent desire to meet with Khrushchev unconditionally and Eisenhower's reluctance to meet without promise of achievement.

The three points:

1. The Big Four powers—the United States, Britain, France and the Soviet Union—should open a foreign ministers meeting at Geneva May 11; Khrushchev has already substantially agreed to this. The foreign ministers should reach agreements on the widest possible range of German and related problems, try to narrow Soviet-West differences and prepare proposals for a later summit conference.

2. The heads of government should hold their meeting when justified by the work of the foreign ministers.

3. The foreign ministers therefore would have the responsibility of determining the time, place and subject matter of the summit conference.

The proposal covering these points was drafted by Macmillan and Eisenhower for inclusion in Western notes now expected to go to Moscow later this week. Khrushchev has been pressing for a 'summit conference for many months.

Some officials say the forging of a summit meeting was one of the Soviet leaders objectives in stirring up the Berlin crisis beginning last November.

Macmillan feels the Western heads of government must negotiate with Khrushchev even if the foreign ministers conference is a failure. Eisenhower feels every effort must be made to get basic progress toward a solution of the Berlin crisis and some start on other German problems at the foreign ministers meeting.

Goerndt To Head Police In Sausalito

HOWARD W. GOERNDT
No longer "acting"

Appointment Follows Three-Month Fight

Sgt. Howard W. Goerndt today was appointed Sausalito chief of police.

Goerndt has been acting chief since Louis P. Mountanos resigned in December to take over as sheriff of Marin County.

The appointment was made by City Manager Donald A. Duerr, following a special meeting of the city council yesterday in which Goerndt was selected.

Only other candidate for the post was Sausalito Police Officer David Cooper, whose score on a competitive promotional examination was previously announced as being "almost tied" with Goerndt's.

The appointment followed three months of turmoil which started with the announcement the post would be filled by examinations in accordance with the city's civil service rules.

OUTSIDE CANDIDATES

The outcry against the examination procedure was aimed largely at the provision which allowed candidates from outside Sausalito as well as present department members. The campaign against the plan was led by city councilman George E. Keeney, who consistenly demanded that the post be offered only to members of the department.

Only three candidates qualified in the examination, none of whom was a Sausalitan. The resulting protest caused the three to withdraw their names. Another examination was then held, with only Goerndt and Cooper participating.

7 YEARS ON FORCE

Goerndt, 38, has been with the Sausalito Police Department for seven years. He makes his home at 420 Locust street with his wife, Dixie, and their 12-year-old son, Michael. His brother, Harold, is a Marin County deputy sheriff stationed at Novato.

Duerr said today that with the elevation of Goerndt, an examination will be called for promotion to sergeant to fill the vacancy. Another patrolman will be appointed from the department's eligible list, established by a previous examination.

Park Service Urges Action On Pt. Reyes

The National Park Service today urged immediate action toward acquiring the Pt. Reyes Peninsula for a national seashore recreation area.

In a book length report of its Pacific Coast recreation survey, the Park Service declared of the peninsula:

"The transition in this relatively undeveloped region from its 45 miles of seashore to the forest-covered Inverness Ridge, a scant two miles away, provides a combination of scenic, recreation and biological interests which can be found nowhere else in this country as near to a large center of population.

"This coastal area is believed to warrant national status. If the possibility of public ownership exists, positive action should be initiated immediately and cooperatively to that end by the county, state and federal governments."

The Pt. Reyes Peninsula is by far the largest of 10 North Central California coastal areas which the survey report proposes should "properly be included in a well-rounded and adequate National Park System."

Others in the area are:

Small Ten Mile River Beach north of Fort Bragg; two miles of scenic shoreline at Caspar Point, between Fort Bragg and Mendocino; one and one-half miles of scenic shoreline in the Mendocino city area; two and one-half miles of scenic shoreline in the Little River-Mendocino area; Manchester Beach, with five miles of shoreline, at Pt. Arena; the scenic Haven's Neck headland 11 miles south of Pt. Arena; five and one-half miles of scenic shoreline at Salt Point, 18 miles north of Jenner; the Ft. Ross area, including four and one-half miles of ocean frontage and the Ft. Ross State Historical Monument; six miles of shoreline with narrow beach at Bodega Head (incidentally the proposed location of a Pacific Gas and Electric Co. power plant which is being fought by property owners).

In all, the survey lists 24 California coastal locations for proposed National Park status. Given No. 1 priority are the channels Islands (Santa Cruz, Santa Rosa and San Miguel)

Driver Dozes--And Wham! Car Cuts Power To 1,800 Homes

Electric wires downed on San Pablo road early yesterday when a motorist dozed at the wheel resulted in a power black-out to 1,800 homes north of San Rafael.

The driver, Anthony Frank Krzesowiak, 39-year-old bartender, said he was headed home to 630 Rosal way, Santa Venetia, after downing 12 bourbon highballs. He said he had fallen asleep.

Krzesowiak station wagon split a roadside power pole into two pieces. San Pablo road was blocked by the fallen pole and "hot" wires after the 1:16 a.m. accident.

Interruption of service from a severed 12,000-volt line meant no electricity in 600 Santa Venetia homes for 59 minutes and a blackout in another 1,200 homes in Terra Linda and San Rafael Meadows for 22 minutes.

Krzesowiak was booked at the county jail by the California Highway Patrol on a charge of being drunk in and about an automobile.

Mrs. Nancy Block McKenna, 27, of Forest Knolls, suffered multiple cuts and bruises and a neck injury—plus poison oak—when her car careened off Sir Francis Drake boulevard and hit a utility pole at San Geronimo.

Mrs. McKenna was hurled from the car into a clump of poison oak bushes.

She was cited for speeding and having an expired driver's license by Highway Patrol Officer J. E. Halligan and was given emergency treatment at Ross General Hospital.

Car Uproots Tree, Sends It To Rooftop

There were apparently no serious injuries Saturday night in San Rafael in a spectacular auto accident in the 1400 block of Lincoln avenue.

A nine-inch diameter tree was uprooted by an errant auto and thrown onto the roof of the C. N. Langford residence at 1418 Lincoln avenue.

Booked on charges of drunken driving, driving without due caution and driving across the center line was Robert W. Wilcox, 22, of 47 Brookwood lane, Ross.

Police said Wilcox was southbound on Lincoln and failed to make a right-hand bend. His sedan struck the side of a northbound car driven by Charles S. Stuckey, 20, of 322 Glen Park road, San Rafael.

The Wilcox car then hit the tree, hurling it onto the roof, and struck a parked car registered to Gerald Lee Gordon of 1420 Lincoln.

The Gordon auto was parked in its owners' driveway.

THAT'S NO WAY TO GET IN GOOD WITH THE BOSS

Donald Cox, 16, employee of Zip's Drive In of San Anselmo, yesterday noticed the business' walk-in refrigerator door ajar.

Cox, heeding orders of his superiors to keep the door shut, closed and locked it. It wasn't until a few minutes later that he noticed (1) his boss was missing and (2) there was a pounding from inside the refrigerator.

Cox called San Anselmo police, who summonded firemen to knock the lock off the door. Out walked Santo Celentano, part owner of the business, somewhat cooler than he had been 15 minutes earlier.

The keys to the ice box were in Celentano's pocket, according to police.

Prince Sam Murder Case Goes To Jury

A Marin Superior Court jury of 10 women and two men retired at 11 a.m. today to determine whether Prince Sam Davis, 34-year-old Marin City garbage man, is guilty of murder in the Christmas Eve slaying of his common-law wife, Viola Baker, 32.

Instructions were given the jury today by Judge Jordan L. Martinelli. The trial started last Monday.

Davis claimed he fired three shots at Viola in self defense as she approached him with a butcher knife in their apartment at Building B-1, Marin City. She was killed by shots in the heart and left shoulder after a bitter quarrel with Davis.

Dist. Atty. W. O. Weissich asked the jury Friday to return a verdict of murder in either the first or second degree. Davis is represented by Public Defender Leonard A. Thomas.

Assembly Vote Hints Water Plan Victory

SACRAMENTO (UPI) — The State Assembly today passed and sent to the Senate a bill to earmark nearly all of the tidelands oil royalty fund for development of California's water resources.

The vote was 50 to 24.

Approval of the bill by Assemblyman Bruce F. Allen (R-San Jose) was the first real test for Democratic Gov. Edmund G. Brown's tax and water program in the 1959 Legislature.

It passed the test with flying colors despite the claim of several opponents that "this is a plan to force 200 million dollars in new taxes."

An economy bloc, made up mainly of Republicans, opposed use of the fund for water project construction on the ground it should be used to balance the budget without new taxes.

Assemblyman Harold K. Levering (R-Los Angeles), one of its leaders, accused the state of "pouring money down the drain like drunken sailors" and pointed out that even if it is used for water, "it won't bring a drop of water over the Tehachapis."

Convict Survives Five-Story Leap In Prison Cellblock

A San Quentin convict was in serious condition today at the prison hospital after surviving a five-story leap onto solid concrete.

Harry E. Meyers, 37, was found yesterday morning on the floor of his cellblock, both legs broken. Prison officials learned he had climbed to the fifth tier and stepped over the rail.

Meyers had been due for parole in June.

W. G. Ballachey correctional counselor, said it appeared possible that Meyers eventually may end up with only a "slightly stiff back" as a result of the 50-foot fall.

Meyers entered the prison in 1956 on two counts of burglary in Los Angeles County.

Publicist Pleads Guilty To Charge Of Drug Possession

Poet-publicist Gerd Stern, 30, of Sausalito, withdrew a previous innocent plea and pleaded guilty in Marin Superior Court today to charges of marijuana possession.

Judge Thomas F. Keating then continued the cast until April at 10 a.m. for a report from the probation department.

Stern and John Leslie Smith, 43-year-old Tiburon civil engineer were arrested Feb. 11 by Sheriff Louis Mountanos and his flying vice squad, who found some $2,500 worth of raw marijuana at Smith's Muir Beach home. Both were indicted by the county grand jury.

Smith, whose business office is in Tiburon, pleaded guilty March 9. He is to appear in court next Monday at 10 a.m. for a probation report.

TRAGEDY AT TOMALES

Survivor Tells How 2 Drowned

The search continued today for the bodies of two Rio Linda men drowned Saturday at the treacherous mouth of Tomales Bay.

Missing and presumed dead are Clarence Peterson, 40, mechanic and father of one child, and Clarence John Engen, 34, carpenter and father of three. Both were residents of Rio Linda in Sacramento County.

They were on a weekend fishing trip in their 14-foot skiff.

The single survivor, Laurence Arnold Risse, 30, of Rio Linda, was rescued by the 40-foot boat "Zingana" after two hours in the water. The rescue boat was piloted by Malcolm R. Storm of San Leandro.

Risse related the tale of tragedy to Sheriff's Deputy William S. Christensen.

Risse told Christensen the three men arrived at Manila Marinas launching site off Highway 1 about 6:30 a.m. Saturday. He said after making camp, they sailed the boat, powered with a 35-horsepower outboard motor out the mouth of the bay to near Bird Rock on the west side of Tomales Point. The weather, he said, was "ideal."

Sometime later they noticed ground swells rising and headed back for the bay. Three hundred yards southeast of the Red Whistle Buoy they saw a huge breaker astern. Risse said the motor had not been functioning perfectly and they were unable to outrun the swell.

He said the wave passed completely over the boat and overturned it.

"There hadn't been a lot of waves but this one had come

Shelley Denies Bail Bond Influence At County Jail

Bail bondsman James J. Shelley of San Anselmo coupled a denial of state insurance commission charges of wrongful influence yesterday with counter-charge of favoritism in bail bond referrals at the Marin County Jail.

Shelley, brother of Rep. Jack Shelley of San Francisco, made the counter-charge in a press conference at his home at 26 Oak Knoll avenue, San Anselmo.

He faces loss of his bail bond and state insurance licenses if a state Insurance Commission hearing finds the wrongful influence charges true.

Shelley claimed he has generally received less than 10 per cent of the bail business, in competition with only three other bondsmen. He said he will ask the insurance commission to investigate.

Shelley said he received only about two calls from the jail in the period Jan. 5 to Feb. 8, 1959. He said this was despite the listing of the four Marin County bondsmen inside the jail on an equal basis near the telephone available to inmates.

He said the bondsmen shown on the jail log to have the by far the largest share of the business are James Stragnola and Joseph Pecora of San Rafael.

The charges against Shelley cite six cases in the past eight months where Shelley allegedly attempted to give money or tokens of appreciation to sheriff's deputies.

Watsonville Police Chief Kills Kidnaper

WATSONVILLE (UPI)—Police Chief Frank Osmer today shot and killed Stanley Papac, 25, Watsonville, who was holding a tavern proprietor as a holdup hostage in the darkened Mira Mar Bar and Grill on Main street here.

The shooting occurred about 3:30 a.m. and Papac died at 5 a.m. at the Watsonville Community Hospital.

Papac had waylaid George Lucich, 52, one of the tavern owners, at his home after Lucich had closed the bar for the night. He forced Lucich to drive with him to the tavern where he planned to have him open the safe.

JANITORS AT WORK

When Papac and Lucich arrived, there were two janitors cleaning the place. One of the janitors, Tony Dertich, 58, managed to escape from the rear door. He notified police. The other janitor also slipped out without Papac's notice.

A squadron of 25 police officers, deputy sheriffs and California Highway Patrolmen surrounded the tavern.

Papac hit Lucich over the head with his gun and dragged him behind a barricade of tables and chairs he had hastily built in the back dining room. The only light in the room was from the street, but police could see Papac holding a gun at Lucich's head.

THREATENS TO SHOOT

"I'll kill Blondie (Lucich) and the first cop who comes in," Papac shouted.

Police tried to talk him out of it for nearly an hour, but Papac continued with the same threat, repeating it time and again.

Chief Osmer then stationed his two best marksmen—Sgt. Russell Mock, 34, and Officer Jim Brandon, 46—at either side of the dining room entrance. Osmer then stepped into a hallway leading to the kitchen door. He intended to shoot Papac in the arm when he raised from the barricade, knowing he'd have only one shot. But when he fired, he missed Papac's arm and the bullet hit the bandit in the chest.

Papac never recovered consciousness.

THIEVES GET 'HOT' WIRE AT NOVATO

Thieves armed with wire cutters and lots of nerve stole 1,100 feet of copper wire that was "hot" before they stole it, Pacific Gas and Electric Co. officials reported to the sheriff.

Franklin Ellsworth Jerome, who works for PG&E at 750 Lindaro street, said the wire was snipped from power poles on Deer Island lane in Novato. Whoever took it knew what he was doing because it was a "hot" wire carrying 12,000 volts. Jerome said it was a live but idle line that was not servicing any home. The wire is valued at $40.

Coal Mine Blast Kills 8

ROBBINS, Tenn. (AP)—An explosion ripped through a small coal mine near here today. Eight miners were reported killed.

The body of Oscar West of Oneida, the mine owner, was recovered soon after the blast. State Police at the scene said it was doubtful any of the other seven men in the mine survived.

The mine was a truck operation and the eight men were said to be the entire work force.

Officers said the explosion apparently was caused by a gas pocket.

State Police went to the scene but said they had no immediate details on the accident.

Military School Passes To Church Control

San Rafael Military Academy has now passed officially into the hands of the Episcopal Diocese of California, and 12 new members have been added to the board of directors, Paul Ciampi, president of the board, announced at the school's weekend fathers' and sons' banquet.

Ciampi disclosed also that more dormitory space is needed because the school has more than 100 applicants on its waiting list.

In coming under the aegis of the Episcopal Church, said Ciampi, San Rafael Military Academy "joins a group of some 450 schools throughout the nation . . . including schools of such outstanding reputation as St. Paul's, Groton, St. Mark's, Harvard School and such good military schools as Shattuck, Howe and Sewanee."

The military academy, he said, will admit students of all faiths "and of none." Its curriculum will include "a study of the Bible and other aspects of the Judeo-Christian heritage," Chapel services will be "of a type in which students of various religious backgrounds can readily participate."

Added to the board of directors, to bring its membership to 21, were:

A. C. Agnew Jr., Dr. Russell W. Bernhard, Rev. Henry B. Getz and Norman B. Livermore Jr. of San Rafael; Louis W. Niggeman of San Anselmo; Mark Gerstle, George Livermore, William H. Orrick Jr. and Rt. Rev. James A. Pike of San Francisco; F. L. Van Fleet of Oakland and Rev. Walter Williams of Berkeley.

Novato Incorporation Foes To Be Heard

Foes of the proposal to incorporate Novato are scheduled to appear tomorrow before the county board of supervisors to amplify their charges of "apparent fraud, secrecy and misrepresentations" in incorporation proceedings.

Seven Novatans last week leveled the charges in a petition to the supervisors and County Boundary Commission. The petitions asked the supervisors to request the district attorney and grand jury to investigate the incorporation proceedings.

The matter is not formally set for hearing tomorrow, but has been listed on the supervisors' agenda under "correspondence," and will probably come up during the board's morning session.

Meanwhile, proponents of the incorporation proposal are trying to line up about 100 volunteer workers to circulate petitions for incorporation. Clark M. Palmer Jr., Novato attorney and chairman of the Novato Home Rule Committee, said his group hopes to have a legal description of the proposed city boundaries filed with the boundary commission this week, and to have the incorporation petition filed early in May.

Brown Sees $5 Million State Saving

SACRAMENTO (UPI) — Gov. Edmund G. Brown says his belt tightening appeal to state agencies will result in a five million dollar saving by June 30.

"We are getting full cooperation from department heads," Brown reported yesterday.

The governor shortly after he took office Jan. 5 asked Finance Director Bert W. Levit to review current budgets and save money where possible.

In a preliminary report, Levit said there was "no question" about the savings. He noted that the Department of Mental Hygiene alone had worked out a plan to cut $400,000 in operating expenses and more than $1,600,000 in capital outlay "without eliminating any necessary services."

Thief Believed Headed For Nearest Stream

Sheriff's deputies are looking for a burglar, believed to be an ardent trout fisherman, who stole enough fishing gear and provisions for several weeks of camping.

Ignoring valuable items like television, radio, and piggy banks full of coins, the discriminating thief went through two homes in Woodacre last week picking provisions for a luxury fishing and camping trip.

Victims are Gino L. Pegoraro of San Francisco, who has a summer home on Railroad avenue and Loyal Robert Peacock, a printer living on Laurel avenue south of the Woodacre firehouse.

Sheriff's Deputies William Christensen and Kenneth Irving said the thieves used pillow cases and paper cartons to pack away such items as:

Several dozen cans of food, several trout reels and equipment including an array of lures, six pounds of coffee, a five-pound canned ham, mayonnaise, mustard, butcher knife, two kettles, several jars of salmon eggs and a bottle of whisky.

Deputy Goes To Investigate Oddball Shooting, Car Follows Him Downhill

A bizarre shooting incident involving a Standard Oil Co. executive and his wife Friday night also left a deputy sheriff with a sprained hip and his patrol car damaged.

Deputy Sheriff Leo Ballard said he and Deputy Charles Newman stepped from their patrol car at 123 Barina boulevard to investigate the shooting incident. As he walked down the steep driveway he heard a rustling and saw their patrol car rolling backward toward him.

Ballard tried to halt the car, injuring his hip in the effort. At the bottom of the drive, the car sprung the left door and turned, then rolled forward to a halt, grazing a fence.

Ballard said the only damage was to the door.

Victims of the shooting were Walter K. Pearce, 52, and his wife Eloise, 50. Pearce told investigators he and his wife came home from San Francisco and retired about 9:30. He took some pills to help him get to sleep.

During the night his wife thought she heard a burglar She aroused her husband, then tiptoed into the hall. Pearce groggy from the pills, reached for his .32 automatic and walked toward the hall. He saw a figure in the dark and fired. As he pulled the trigger again, he realized it was his wife and put his left hand over the muzzle. The bullet grazed his left index finger. Mrs. Pearce suffered a minor wound in her left elbow.

Pearce said he kept the automatic by his bed because burglars had broken into his home the previous week.

New Self-Service Laundry Opens

A new coin-operated, self-service automatic laundry has been opened at 336 Miller avenue in Mill Valley by R. H. Wellington of Sausalito.

It will operate from 8 a.m. to 11 p.m. every day in the week, Wellington said.

Announce Way To Help Drain All 8 Sinus Cavities Without Discomfort

New decongestant tablet for sinus congestion sufferers acts both to drain clogged sinus cavities and relieve distressing head pain

New York, N. Y. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished with extraordinary speed and without discomfort of any kind. This new tablet does its remarkable work internally, through the blood stream. It deposits into every drop of blood plasma a new medication which is carried to the sinus area, where it shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion.

The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, Dristan® Decongestant Tablets. Dristan Tablets cost only 98¢ for a bottle of 24 tablets. Buy and use Dristan Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.

Miller Avenue Center Looted By Burglars

Thieves swooped down on Mill Valley's Miller avenue sometime after Friday night closing time and made off with cash and merchandise from the Miller Avenue Shopping Center and a nearby service station.

After smashing glass in a side door, the burglars took $26 in cash from the market, liquor store and coffee shop, according to owner John Gaidano. They also took a large quantity of merchandise including liquor, wrist watches, cameras and electric shavers, said police chief James P. McGowan.

Hickman's service station across the street from the market was entered by breaking a glass window. A tire was taken there, police reported.

Sausalito Arrests Open Drive On Homosexuals

Alcoholic Beverage Control Department agents over the weekend arrested two men on a Sausalito street on suspicion of "singing lewd and dissolute songs or ballads in a public place" and "lewd and dissolute loitering."

The two were arrested on Bridgeway after a stake-out of several taverns by the ABC agents at the request of Police Chief Howard W. Goerndt.

Goerndt, who dropped the "acting" from his police chief title today, announced: "The arrests are part of our drive to keep the pressure on any places in Sausalito which are suspected of being frequented by homosexuals."

Arrested were Paul Humphries, 38, of 1418 Buchanan avenue, Novato, and Lewis Darwin Wilson, 50, of San Francisco. Both gave their occupation as accountant.

Goerndt said both men were accused of making improper advances to other men in a Bridgeway bar. Humphries was arrested Saturday night and Wilson last night.

Both men were released on $500 bail, with Humphries scheduled to appear in court today and Wilson tomorrow.

off the Santa Barbara-Ventura coast.

In its almost-lyrical description of the Pt. Reyes Peninsula, the report declares:

"The area within the peninsula consists of approximately 28,000 acres, including about 45 miles of shoreline. The shoreline varies in character, with wide sandy beaches, wave-swept caves, offshore rocks, steep coastal bluffs and one three-mile long sandspit. The upland consists of sand dunes and grassland (15,000 acres) graduating into chaparral (1,500 acres) and magnificent fir and pine forest (11,500 acres). Also included are such features as Drake's Estero with its 28 miles of shoreline, nine inland freshwater lakes plus Abbott's Lagoon of several hundred acres, several fresh and salt water marshes, and an interesting variety of birds and mammals."

Of present use of the peninsula, it says:

"There has been relatively little development in the entire area: Ownership is mainly in large ranch holdings. The U.S. Coast Guard maintains two installations on Pt. Reyes. An oyster packing plant and a fish packing plant are the only known commercial enterprises."

In its summary of recommendations, the report declares:

"Although the Pacific Coast has many remaining undeveloped seashore areas, there are relatively few which are still in the pure wilderness or primitive state, where man has not altered the general landscape to varying degree with roads, grazing, timber harvest, or other man-inflicted modifications. Broad-scale planning should provide for all possible consideration and protection of these rare and invaluable seashore areas."

Von Essen reported the cabin had been entered and missing were a .22 caliber rifle, shells, a sweater, pair of rubber gloves and a cocktail mixer.

out of nowhere," Risse said.

The three clung to the bottom of the boat, anxiously watching for help. Risse said he searched the overturned boat to no avail for the life preservers. He released the anchor. Just after that he heard Peterson yell, "I can't hold Clarence any longer!"

Engen had disappeared under water.

A few minutes later Risse heard a cry, "Larry, help!", Peterson slipped away from the boat. Risse said he managed to get Peterson back to the pitching craft from about 20 feet astern. Ten minutes later Peterson weakened and slipped under. Risse said he dived and grabbed Peterson again. But as they surfaced, a wave hit them. Peterson vanished.

Approximately two hours after the trouble started, Risse was found floating with the skiff by the Storm boat.

Storm and his sons, Duncan, 15, and Douglas, 11, pulled Risse aboard and got a line to the skiff.

Storm said the survivor was picked up 250 feet on the right side of Black Can Buoy 1.

Risse and the skiff were taken back to the Evans boat shop south of Marshall.

$49 Missing; CHP Officers Take Lie Test

Eighteen officers in the California Highway Patrol's Marin County headquarters voluntarily submitted to lie detector tests after $49 vanished from a purse confiscated during an arrest last Monday, it was disclosed today.

"Every officer came out in the clear," said Capt. Theodore F. Parnow, head of the San Rafael office. Five civilian employees of the San Rafael office also voluntarily took lie detector tests and were cleared of suspicion.

There are more than 30 patrolmen on assignment from the San Rafael office, but those who were off duty during the period when the theft occurred were cleared automatically.

The owner of the purse was unaware anything had been taken, said Captain Parnow. As soon as the theft was discovered, the Squad Club, the CHP officers' social organization, appropriated funds to cover the loss and the purse was returned to its rightful owner.

The incident began around midnight Monday when a drunken driver suspect was arrested. He was jailed and when he could not satisfactorily explain the presence of a woman's purse in his car, it was taken to headquarters for safekeeping.

The purse was opened and found to contain $49. It was placed on a sergeant's desk at the rear of the office at about 1:30 a.m. When it was next checked around 9:30 a.m., the money was missing.

The purse should have been locked up, the CHP captain admitted. He said it would have been possible for a casual visitor to the office to have taken the money.

Prisoner, Nearing Parole Date, Dies

An autopsy was to be performed today on the body of Glenn W. Teague, San Quentin prisoner who died Saturday in his cell.

The convict was 36 years old. He apparently died of natural causes. He was sentenced to the prison in 1956 for conspiracy to commit forgery in Butte County. He is survived by a wife and three children in Oroville.

Crash Kills Rev. Waiau, Graduate Of Seminary

Word was received today of the death of Rev. Leopold P. Waiau, 37, of Pearl City, Hawaii, who was fatally injured in a head-on automobile collision on March 13.

Reverend Waiau had served for two years as choir director of the First Congregational Church in San Rafael. He was a graduate of San Francisco Theological Seminary in San Anselmo and of Whitworth College in Washington. At the time of his death, he was minister of the Congregational Christian Church of Pearl City, Hawaii.

The Waiau car collided with another that had jumped a road divider near the Nuuanu Pail Tunnel outside of Honolulu.

The 37-year-old minister, his wife and three sons were taken to St. Francis Hospital in Honolulu, where Reverend Waiau died an hour after the accident.

Mrs. Waiau, the former Hawea Brown of Hilo, suffered a possible skull fracture, a fractured right arm and laceration of the scalp. Kaina, 6, suffered a fractured left leg, possible skull fracture, internal injuries and scalp cuts. Kaimi, 5, suffered internal injuries, scalp cut and eye injury. Kaleo, 3, was bruised.

Donations to a memorial gift to be sent to Mrs. Waiau may be mailed to Lee Dunning of 110 Birch way, San Rafael, or to John Thompson Jr., of 120 Laurel avenue, San Anselmo.

Stinson Ranch Caretaker Found Dead

The 72-year-old caretaker of White Gate Ranch at Stinson Beach was found dead yesterday noon, lying in a pig feeding trough.

Coroner Frank Keaton said that Cornelius Sullivan, 72, apparently died of natural causes.

The man's body was found by a passer-by, Sgt. Marvin Lee Miles of the 666th Aircraft Warning and Control Squadron of Mt. Tamalpais. Keaton said the airman, a resident of the ranch, had not seen Sullivan since Thursday and started a search. He spotted the man's body while walking past the pig pens.

Keaton said Sullivan apparently had been dead for a day or two. A fence atop the trough kept the pigs away from the body.

Keaton said an autopsy has been performed but the results will not be known for several days.

The owner of the ranch reportedly is Joseph Fagundes of Lucas Valley.

The body was taken to Russell and Gooch funeral chapel of Mill Valley.

Sarah Goodman Dies In S. F.

Funeral services will be held tomorrow for Mrs. Sarah Monasch Goodman, 89, mother of Mrs. Julius Leibert of Santa Cruz and Mervyn J. Goodman of San Francisco.

Mrs. Leibert's husband was the first rabbi of Congregation Rodef Sholom of Marin County and served as Jewish chaplain at San Quentin Prison before the Leiberts moved to Santa Cruz last year.

Mrs. Goodman died yesterday at a San Francisco nursing home. Funeral services will be held at 2 p.m. tomorrow at Sinai Memorial Chapel, Divisidero and Geary streets, San Francisco. Burial will be at Hills of Eternity Memorial Park, Colma.

Isak Muckenbrun Of San Rafael Dies

Isak Muckenbrun, a San Rafael resident for two months, died early today in a local hospital. He had been under a physician's care several years for a heart condition.

Muckenbrun, 72, moved to 226 Oleander drive from San Francisco, with his wife, Friederike, and daughter and son-in-law, Herta and Ben Y. Snaider.

Muckenbrun was born in Poland, but left his homeland as a young man. He went to Vienna, where he started the Vienna Photo Studio. As a photographer, he traveled throughout Europe snapping landscapes for postcards.

Just before 1940 the Muckenbruns fled Vienna and went to the Philippine islands. They spent 10 years there during the Japanese occupation, then came to San Francisco, where he operated the Vienna Photo Studio until retiring two years ago.

Funeral arrangements are pending at Chapel of the Hills, San Anselmo.

Mrs. May H. Fisk, 78, a weekend visitor of Mr. and Mrs. Lloyd Politi of Sleepy Hollow, died at their home at 810 Butterfield road early today.

An autopsy will be performed at Chapel of the Hills, but Deputy Coroner Charles R. Banfield said death was caused from a heart ailment, from all appearances.

Funeral arrangements will be made by Sorensen Funeral Home of Petaluma.

Mill Worker Believed Killer Of Family Of 4

ANNAPOLIS, Md. (AP)—Anne Arundel County police are working on the theory that an itinerant sawmill worker may be the killer who wiped out a Virginia family of four.

Chief Wilbur Wade said last night all three sites involved in the mass slaying—Mineral and Fredericksburg, Va. and Gambrills, Md.—are located near sawmills.

FAMILY DISAPPEARS

Carroll V. Jackson Jr., 29-year-old feed truck driver, his wife and two daughters disappeared the night of last Jan. 11 as the drove to their Mineral home after a visit with relatives.

On March 5 the bodies of Jackson and his 18-month-old daughter, Janet, were found by two men gathering sawdust from a lumber mill pile in Spotsylvania County, two miles west of Fredericksburg.

GRISLY DISCOVERY

Last Saturday the 10-week search for the other members of the family came to a grisly end when the bodies of Mrs. Jackson, 27, and her 5-year-old daughter, Susan Ann, were uncovered in a shallow grave at Gambrills—about eight miles west of here.

Two teen-age boys hunting near the Army's sprawling Ft. Meade reservation made the discovery.

SAME KILLER?

Wade said he was convinced the killer of the Jacksons was the same person who killed Mrs. Margaret Harold in June, 1957. Her body was found about half a mile from where the bodies of Mrs. Jackson and her daughter were found. The murder has never been solved.

Mrs. Harold was with an Army sergeant, Roy Hudson, who said a "bushy haired" man forced his way into their parked car and shot Mrs. Harold, shot at the sergeant and then escaped in a 1947 green Chrysler.

A Virginia State Police investigator said that another Mineral family had been forced off the road by a busy haired man but escaped. It was believed the Jacksons also were forced off the road.

Awoke with a shudder

Boy, 14, Shoots Sister: 'Don't Know Why'

SAN FRANCISCO (UPI)—A 17-year-old San Jose State coed was in serious condition at San Francisco Hospital today, the victim of her brother's unprovoked shooting spree with a .22 caliber rifle.

The victim, Joan Dudak, awoke with a shudder yesterday when her brother, Ronald, 14 shot in her in the abdomen. Ronald put another bullet in the chamber and shot her in the arm, then walked back to the living room and resumed putting golf balls.

His sister stagged out of the house to the street. Ronald walked next door and told a neighbor that "someone's shot my sister."

After changing his story several times, the boy finally told inspectors that he had shot his sister.

"But I didn't do it on purpose," he said. "I did it all right, but I don't know why. I don't remember all the details."

Doctors said Miss Dudak would recover.

Tibetan Revolt Spreading, Say Taipei Reports

TAIPEI (UPI) — The anti-Communist revolt in Tibet has spread to Communist China, a Nationalist Chinese cabinet member said today. He urged the anti-Communist world to assist the revolution lest it become another Hungary.

The official was Li Yung-Hsin, chairman of the Nationalist government's Mongolian and Tibetan Affairs Commission. He told United Press International the uprising had spread across the border to the Chinese provinces of Sikang and Chinghai. Sikang also borders India.

STREET FIGHTING

Li made the statement shortly after Indian Prime Minister Jawaharlal Nehru told Parliament in New Delhi today that street fighting broke out in the Tibetan capital of Lhasa. Nehru expressed concern for the safety of the Dalai Lama whose whereabouts are now unknown.

Nehru said the situation in Lhasa later became quiet. He expressed hope the Dalai Lama was safe and that the present tense situation will be resolved peacefully.

Nehru also disclosed that the heaviest fighting broke out last Friday in the capital when rumors spread through Lhasa the Chinese Communists planned to kidnap the Dalai Lama, spiritual and temporal ruler of the mountain kingdom.

The Chinese official gave no sources for his report the revolt had spread across the border but the Nationalist government is known to have intelligence agents on the mainland who report to Taipei.

SECRET MEETING

Li and other high-ranking Nationalist officials met in secrecy today to study possible steps the Nationalists might take to help the revolt. President Chiang Kai-Shek has predicted the Peiping regime would collapse from internal revolt and officials have hinted they would send troops to the mainland when a revolt does break out.

The independent Taipei newspaper United Daily News predicted today the "regional fighting for freedom soon will lead to a nationwide uprising."

Nasser Lambastes Kassem As Quitter

CAIRO (AP)—President Gamal Abdel Nasser has accused his rival, Iraqi Premier Abdel Karim Kassem, of committing the Arab sin of refusing to aid in "a fight to the finish" against Israel.

In another fighting speech broadcast from Damascus, the president of the United Arab Republic castigated Kassem and Soviet Premier Nikita Khrushchev, whom he called Kassem's backer.

For the first time Nasser asserted the Soviets' ultimatum had nothing to do with halting the British-French-Israeli attack on Egypt in 1956.

He said fighting had stopped before the Soviet ultimatum arrived Nov. 6, 1956. He also said the Soviets gave Egypt no aid during the Suez fighting, and that they had not supported last July's Iraqi revolution against the former pro-Western regime.

The Soviet Union threatened Britain and France with its atomic power on Nov. 5. Britain and France ordered a cease-fire in the Suez war Nov. 7. In the West, American opposition to the war and not the Soviet threat was generally believed responsible for the decision to end hostilities. But the Arab world, led by Nasser, gave most or all of the credit to the Soviets.

Nasser said the Israelis launched a series of attacks on the Syrian frontier late last year and that he anticipated an all-out attack.

To meet such an attack, he continued, he planned a fight to the finish and asked Kassem to send troops to help, but Kassem refused, Nasser asserted.

"With the deterioration in U.A.R.-Iraqi relations, we knew we would be alone if we entered a conflict with Israel," he added.

3 Tries Fail To Save Youth Wedged In Cave

BUXTON, England (AP) — Three attempts to pull an unconscious college student from a cavern crevice 1,000 feet underground failed today. Rescue workers feared he was near death.

Three times members of a 70-man rescue team got a rope around the 20-year-old youth. Each time it snapped when they tried to yank him out of the funnel-shaped cleft where he was jammed 40 feet down.

Neil Moss of Oxford University was wedged in by his shoulders 40 feet down a funnel-shaped cleft some 18 inches wide in places. The cleft, about a mile and a half from the mouth of Peak Cavern, lies at the end of a 400-foot-long, two-foot-high corkscrew-shaped tunnel named the Devil's Hole.

Moss was trapped yesterday while exploring the cave with a party from the British Speleological Assn.

Heavy Quake Hits Nevada, No Damage

RENO (AP)—A heavy, rolling earthquake hit a wide area of western Nevada last night but police said there was no report of damage.

The temblor registered strong enough on the University of California's seismograph at Berkeley to have caused damage in the immediate area. It struck at 11 p.m. and lasted 20 minutes.

Seismologist Dr. Don Tocher of Berkeley said a preliminary survey indicated the quake centered in a remote region between Winnemucca, Nev. and the Idaho border.

The Nevada Highway Patrol dispatcher at Carson City described the quake as a heavy roll. It caused a door in the building to swing and shake for about 20 seconds. Carson City is 200 miles southwest of Winnemucca.

Similar reports came from officers here and in Lovelock and Fallon, near the center of a ground-cracking quake in 1954.

Sheriff's deputies in Winnemucca said nothing was felt there.

The quake registered 6.75 on the Richter scale on which the San Francisco disaster of 1906 registered 8.25.

Improvement Of Sausalito Play Facilities Urged

The Sausalito Recreation Commission has received a committee recommendation that the city and school district undertake a five-step capital improvement program in the 1959-1960 fiscal year for recreational facilities.

Installation of a sprinkler system at Bayside School field (now almost complete); improvement of Richardson Bay School tennis courts and construction of a handball court; installation of a sprinkler system at Bayside Park; installation of automatic lighting clocks at Christ Church and Central School playgrounds, and erection of permanent bleachers at Richardson Bay and Bayside Schools make up the five steps suggested by the committee headed by Robert C. La Fontaine.

He proposed also that the commission consider closing the tiny Third street park due to lack of use.

The commission authorized ending the Bayside evening recreation program due to lack of support. It took no official action on the current sandspit discussion. La Fontaine, however, will represent the commission at the April 7 city council meeting when the sandspit proposal will be up for consideration.

Fairfax Driver Held In Hit Run

Joseph Bayer Loewy of Box 307, Fairfax, was booked at county jail yesterday afternoon on charge of misdemeanor hit and run driving after he allegedly left the scene of a minor accident at Fifth avenue and Nye street, San Rafael.

William Isaac Lamm of 219 Summit drive, Corte Madera, told police Loewy's pick-up truck struck the rear of his car at the intersection and then drove off down Nye street. He said the truck then hit the right side of his car as he caught up with Loewy a few blocks later on Mission avenue.

Loewy told police the other driver appeared to want to start a fight over the accident and he left.

AF Can't Find Nose Cone

CAPE CANAVERAL, Fla. (AP) — A highly advanced ICBM nose cone fired 5,000 miles through space was lost for good in the Atlantic today.

The Air Force abandoned the little cone to the depths after a two-day search wound up yesterday with no results.

A huge Thor-Able rocket blasted the cone close to the intercontinental range in about 30 minutes early Saturday, but a fleet of C54 planes and ships failed to find it.

It was learned that a malfunction in the recovery package, probably the tiny radio transmitter, stymied the recovery efforts.

POPE JOHN TO WASH FEET OF 12 POOR MEN

VATICAN CITY (UPI)—Pope John XXIII will wash the feet of 12 poor men of Rome in Holy Week ceremonies at the Basilica of St. John in Latean on Thursday.

It will be the first known time in recent church history that a Pope has carried out the washing ceremony of Maundy Thursday which recalls the time Christ cleansed the feet of his disciples.

Generally, the ceremony is carried out by bishops or archbishops in cathedral churches.

After the ceremony Pope John will recite the Lord's prayer and conclude: "That as here the outward stains are washed away for us and by us, so the inward sins of us can be washed away by thee."

Nuptials Hinted For Soraya

ROME (UPI)—Former Queen Soraya of Iran arrives here today with her mother, and Rome Society waited breathlessly to see if they would call on Italian Prince Raimondo Orsini and his mother.

Rumors of a romance blossomed when Soraya, 27, and Orsini, 27, held hands on the ski slopes of Switzerland. Northern Italian newspapers said flatly they would be married. Rome newspapers merely hinted at it.

The rumors received a boost when Orsini visited Germany where the former Persian queen lives in Frankfurt with her mother. They received another boost when it became known the ex-queen had taken rooms two blocks from the Orsini palace.

Orsini is a member of one of Italy's noble families with a title that dates back to 431 A.D. The family has supplied the Roman Catholic Church with five popes, 21 saints and 40 cardinals.

Car Hit Twice Within Minutes

Two persons were treated for minor cuts and bruises at Marin General Hospital yesterday following an accident on Highway 101 at Madera boulevard in Corte Madera.

The California Highway Patrol reported a car driven by Elaine Eleanor Pohl, 19, of Pasco, Wash., was struck from the rear while southbound on 101 by a car driven by Audley Martin Redlin, 29, of 57 Bayview avenue, Mill Valley. The Redlin auto then pulled to the shoulder and the Pohl car was struck the second time from the rear, this time a car driven by Robert Randolph Wakefield, 59, of Sebastopol. The Pohl car was listed as totally demolished.

Wakefield, and his passenger Ida Horn, 84, of Sebastopol were treated for cuts and bruises.

Redlin was booked on charges of drunken driving and driving without glasses.

Priest To Mediate San Jose Strike

SAN JOSE (UPI)—Representatives of the San Jose Mercury and News and striking pressmen and stereotypers were scheduled to meet with the director of the Santa Clara Youth Council today in an attempt to end their dispute.

Father Walter Schmidt, S.J., agreed last week to help mediate the strike, which is now in its 40th day. He met informally with both parties earlier but reported no progress.

The two unions walked off their jobs last Feb. 14 in support of wage demands the newspapers declined to meet. The papers suspended publication, declaring that other union employees refused to cross the picket lines. The non-striking unions claim they were locked out.

Fireballs Spotted In New Zealand

WELLINGTON, New Zealand (UPI) — Two fireballs swept across the sky over New Zealand's North Island yesterday. One of them crashed into the sea about 90 miles offshore and set up a shock wave that rocked buildings along the eastern coast.

I. L. Thomsen, director of the Carter Observatory here, said the objects obviously were too large to be man-made satellites or rockets and probably were meteors, one of them of gigantic proportions.

School Board In Sonoma Eyes Mergers

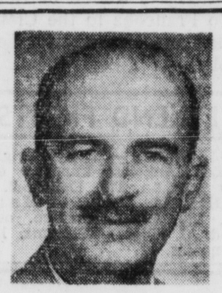

The movement toward unifying school districts is not limited to Marin County, as evidenced by action taken last week by the Sonoma County Board of Education.

The board has called for a meeting with that county's committee on school district organization to discuss the possibility of unifying 28 rural school districts. The action was taken after Dr. DeForest Hamilton, county superintendent of schools, charged that many small districts were inadequate.

"The county committee has from time to time indicated that this county could probably be reorganized into six or seven unified school districts," said the superintendent. That should be the final objective, he added, for the most efficient organization of education.

"The committee," he asserted, "agrees with findings of educational authorities that better education can be given in groups sufficiently large to provide programs in fully graded schools."

Headaches Called Pain in Neck

by Dr. Robert W. Pearce

A University of Southern California professor of neuro-surgery says that headaches are actually pains in the neck. What the professor means is that the most common cause of headache is neck sprain.

You see, there are twenty-four bones known as vertebrae in your spine. These vertebrae are somewhat moveable. A fall, a minor accident in which the head is snapped out of position or even poor posture can cause a slight misalignment of one or more vertebrae.

The headache results because nerves branching out from the spinal cord are pinched by the moveable vertebrae. A headache, of course, is really only one of nature's warning signs that something is wrong.

Nerves pinched by vertebrae can cause many serious ailments besides headache. Nerves flow down the spine to all cells, organs and muscles of the body. Your body cannot function properly when nerves are pinched. A proper supply of nerve energy is needed for health.

Chiropractors are well-trained in removing such nerve interference.

For additional information on Chiropractic care (Palmer Method) write Dr. Robert W. Pearce at 1628 Fifth avenue in San Rafael, or address a card or letter to Dr. R. W. Pearce in care of Independent-Journal Box 725, or call GL 3-6201. Advertisement

Newell Explains Formula That Won National Title

Credits Endurance, Depth As Keys To Cal Strength

BERKELEY (AP) — Run in the Fall, develop a bench and hound the man with the ball is Pete Newell's success formula.

The record will show it works for the handsome, voluble coach of California's NCAA basketball champions.

He's had a Pacific Coast Conference champion the past three years. In 1949, he coached the University of San Francisco to the National Invitational Tournament title in New York.

Pete, 43, starts the season by sending his players on cross country runs. Last fall, the pacer was Don Bowden, Cal law student and only American to run the mile in under four minutes.

"It's uphill running and that type of running strengthens legs," Newell says. "It pays off when the boys get into those consecutive weekend games."

Bench development comes during the pre-conference games.

"It's important to win a majority of those games, but it's equally important to develop a squad with balance and length. You take a chance and let the players react under pressure," adds Newell, an inveterate towel chewer when he's under pressure.

"We give the kids a chance to develop themselves . . . get confidence. And it paid off. We've been relying on 9 or 10 men all year."

Newell's Bears gave up a miserly 50 points a game this season in compiling a 25-4 average.

TIGHT DEFENSE

The Bears play a tight man to man defense. Newell doesn't like a zone type.

His players, however, don't watch only their man. It's their job to watch the ball, help the teammate hounding the man with the ball.

"Our kids like to play defense," Newell contends.

"We have the type of boy who is unselfish," the coach declares. "He thinks first of the team. The players realize the importance of stopping the other fellow and take pride in doing it.

"Some of our boys could be big scorers if we concentrated on them. But we feel that when you put everything on one boy you inhibit the rest of the team.

"In this tournament when we needed a scorer we got one. Darrall Imhoff and Al Buch Friday night (22 and 18 points), Denny Fitzpatrick, Bob Dalton and Jack Grout Saturday night (20, 15 and 10).

"Some of these fellows could score 30, maybe 32 points in a game. But if they did it's not likely we'd be where we are."

Almost as satisfying as the big trophy to Newell was the fact that West Virginia during the first half brought the ball down court eight times without getting a shot.

"They made the errors," he said, "but don't forget we got them to mishandle."

NCAA FINALS

Cal Defense Gives Coast New Prestige

LOUISVILLE, Ky (UPI)—Defensive basketball, especially as played on the West Coast, took on new prestige today as California's ball-hugging Bears carried home the NCAA title on the strength of a 71-70 thriller over West Virginia in the finals here Saturday night.

The defensive side of the collegiate game has been making a slow comeback in the past two seasons from the days when most teams were content to have their defense described as "a wave, a shout and a dirty look."

The scoring average per game has sloughed off 10 points since it reached a high of 146.5 (both teams) in 1956 and 1957, and with the new limitations placed on the dribbler this season, California slow-gaited to the national title by holding its opponents to just over 50 points per game.

SUPERIOR PLAY

Even though West Virginia, with Jerry West alone getting 28, rolled up the season's highest total allowed by the Bears, it still was California's error-free, deliberate attack and clinging man-for-man defense that proved superior to the Mountaineers' style of run and shoot in the showdown.

West Virginia Coach Fred Schaus in defeat gave all the credit to his coach rival Pete Newell for "coming up with the best defensive club we've seen all season."

It took the Bears 10 minutes to set those defenses in the title game as West Virginia streaked to 23-13 lead in the first nine minutes. But the Bears doggedly played the game they knew best, and held the Mountaineers to a single field goal for the rest of the half.

That gave California the 39-33 halftime lead, and when West collected a fourth personal foul early in the second half, the issue was sealed, even if West Virginia did refuse to concede it.

BEARS COOL

Trailing 69-64 with two minutes to go, West Virginia came within a point of tying it up when Bucky Bolyard sank two free throws and West got a basket on a goal-tending call.

But the Bears played it cool, worked the ball around West Virginia's zone defense until they finally got it in 6-10 center Darrall Imhoff, who missed his hook shot, but tapped in the rebound for the game winning basket.

It was a well-earned triumph for a team that had come from the coast almost unknown, and certainly the dark horse of the tournament, to give the Pacific Coast Conference its first NCAA title since 1942.

Cal Win Touches Off Riotous Celebration

BERKELEY (UPI)—This campus was nearly back to normal today after two days of riotous celebration touched off when the University of California basketball team captured the national title Saturday night at Louisville, Ky.

Almost the second the final whistle sounded on Cal's thrill-packed 71-70 win over West Virginia in the finals of the NCAA tourney, the bells of the Campanile rang out "Cal Fights On."

Over 1,500 students immediately assembled at a victory bonfire in the Greek Amphitheater, and then thousands of others poured through Berkeley in a milling victory party which kept the town awake through most of the chilly night.

The hysteria crossed the bay yesterday when 5,000 fans welcomed the team home at San Francisco International Airport, despite a light drizzle.

Coach Pete Newell disembarked carrying the four-foot high statuette emblematic of the national title. He was followed by his 15 player squad.

As the group came down the ramp, the crowd roared, balloons soared, and a multitude of banners were unfurled proclaiming the magnificence of Coach Newell and his defense-minded charges.

The scene shifted to the baggage room where a pep rally was held on the spot.

A motorcade of hundreds of car escorted the team across the bay to the university campus where another giant celebration was held at the gymnasium.

The Bears were underdogs at Louisville, but swept to their first title by downing Cincinnati 64-58 Friday and beating West Virginia on Saturday.

Prep Baseball Tournament Is Postponed

Marin County High School Baseball Tournament, scheduled to open today with three games at Albert Field in San Rafael, has been postponed because of the rains and wet grounds.

Coach Ray Bell of Tamalpais, the host school, said the first round games would be played tomorrow, if posibble, at 4, 6:15 and 8:30 p.m. with the finals scheduled Wednesday.

Today's tournament play was postponed by officials at 10 a.m. when rains continued to dampen the field.

Entered with Tamalpais are San Rafael, Redwood, Drake, Marin Catholic and George Washington (San Francisco) high schools.

Tamalpais is the defending champion.

Penn Stater Top Gymnast

BERKELEY (AP) — The next step in NCAA king Armando Vega's quest for national gymnastic honors comes in May in Los Angeles, hometown of the Penn State senior.

The 22-year-old athlete led his team to a record point total Friday and Saturday in capturing the NCAA team title here. It was the Nittany Lions' fourth championship in seven years.

Top collegiate gymnasts such as Vega, Don Tonry of Illinois and Art Shurlock of California will compete in the national AAU meet which begins May 1

In the collegiate competition, Vega won the all around title, still rings and parallel bars. He placed in seven events and got seconds in both free exercise and flying rings.

The Nittany Lions copped six of the 10 first places and scored 152 points to 87½ for Illinois and 81½ for California.

Vega's teammates hung up three other victories. Jay Werner won on the flying rings, Don Littlewood in the rope climb and Dave Dulaney in tumbling.

Tonry took the free exercise.

Michigan's Ed Cole won on the trampoline, California's Art Shurlock the sidehorse and Stan Tarshis of Michigan State in the horizontal bars competition.

RIGNEY BACK IN UNIFORM

PHOENIX (AP)—Bill Rigney, manager of the San Francisco Giants, finally is back in uniform.

Injured in an automobile accident last month, Rigney came to training camp late and has been directing his team clad in straw hat, sport shirt and slacks.

He shed the civilian garb yesterday for his familiar No. 18.

Joy In Phoenix! Giants Snap Slump; Mays Back In Uniform

PHOENIX, Ariz. (UPI) — The San Francisco Giants took a break in their Cactus League activities today, but all was smiles around camp.

For one thing, the team had broken its slump and won a ball game. They powered past the Cubs, 10-7 yesterday with most of this year's probable first-string providing the key stickwork.

A good crowd of 4,457 saw the Giants explode for five runs in the third inning and coast home.

Felipe Alou whacked two homers while Andre Rodgers, who has been on a week-long hitting binge, slugged a two-run fourmaster.

Mike McCormick, the Giants' 20-year-old pitching veteran, continued to shine in a seven-inning stint on the mound. He gave up three runs on five hits.

ROOKIE SHELLED

Rookie Frank Funk took over and was shelled hard. One of the blows against him was a pinch-hit homer by the legendary Ernie Banks. Dom Zanni took over for the Giants and quelled the blaze.

Speedster Jackie Brandt returned to the lineup after being out two weeks from the after-effects of nasal surgery. He thumped a single and drew a walk in two trips to the plate.

The game was a contrast to Saturday's contest, which was another slugfest, but which found the Giants on the short end of a 7-5 score to Cleveland.

A wild eighth inning by the erratic relief pitcher Joe Shipley was fatal to the Giants, who outhit the enemy 12-8. The Giant bombardiers were in good form with Orlando Cepeda and Bill White collecting home runs and Rodgers collecting three hits.

The major reason for joy in camp today, however, was the return to action of the most giant Giant of them all, Willie Mays.

Mays required 35 stitches when he suffered a cut shin March 12, and he has been impatiently recuperating since. He wore a protective pad taped to his leg as he tore into batting pitchers yesterday, bouncing liners off the walls with gay abandon.

"I didn't feel any pain at all," he said after his final trip to the batting cage. "I think I'll be able to play in a week."

The Giants will face Boston tomorrow. Manager Bill Rigney has named Jack Sanford, Gordon Jones and Shipley as probable pitchers.

49ERS PLAY ROUGH BASKETBALL, TOO

Series of photos by Jim Kean show a rough battle when the San Francisco 49ers basketball team edged the Dugout Dandies, 66-64, Friday night in San Rafael. Top, from left to right: Ed Henke (75) and Gordy Soltau (82) of 49ers put the squeeze play on Bob Liebe; Bob St. Clair (79), 6-foot-9 giant reaches over and smashes ball away from the Dugout's Harry Meyers; St. Clair puts down head and rushes into outstretched arm of Liebe. In photo at right the Dugout's Al Murray lies moaning on floor after being flattened by a shoulder block thrown by the 49ers' Clyde Conner. Both principals left the game—Murray because he was unable to continue and Conner at the firm request of the officials. The game was sponsored by the San Rafael 20-30 Club.

Don't Overlook Giel; He's Due To Start Paying Off For Giants

CONNOLLY

Boys like Paul Giel have a much wider scope than the boys had when I graduated. I think it must be the broadening influence of TV and radio. I never met Paul or his folks, but I rejoice in his chances of becoming a member of the S.F. Giants pitching staff.

Paul, in case you do not remember, is the young righthanded pitcher who in 1954, in June, joined the then N.Y. Giants.

Giel was a bonus baby, an All-American halfback at the University of Minnesota and at the same time a college pitcher.

At Arizona whenever I tried to look up Paul and chat with him, one of those pesky coaches called him to get warmed up or get running so I left Phoenix with only a nodding acquaintance. And I'm sorry.

Giel has to be good. He's only 27 years of age after having served as a lieutenant for two years with the Headquarters Staff in Germany.

LAST SPRING Giel showed up at Seals Stadium, practically a stranger. He forgot all about his work in 1955 when he qualified as a major leaguer in a relief role, winning 4 and losing 4 while allowing only 70 hits in 81 innings of work.

So it is no wonder when us old squirts get to mentioning pitchers we completely overlook a fellow like Paul on the basis of what he "hasn't done."

In 1958, an off season for Paul, he scrambled into 29 games as a Giant reliever and won 4 and lost 5. He pitched a total of 92 innings, struck out 55 and walked 55 and when things got too rough he was shipped down to Phoenix, Arizona, where he won 5 and lost 3

If PAUL were a loud-mouth and a noisy guy, he'd perhaps cause more attention in camp. But he happens to be a college grad and politeness hasn't gotten him too far in baseball. So it looks like Paul Giel, a fellow with a barrel full of courage, one of these days is going to rare up on his hind legs and dish out some of the stuff he did while traipzing on the gridiron and which earned him a top flight berth as an All-American.

This might not be Giel's year with the Giants, but the Giants are not thinking of trading him off. They're hoping he catches some of the fever that such guys as Orlando Cepeda, Jimmy Davenport and Jack Brandt have. And when he does, the rest of the pitching staff will have to move over.

Giell deserves a place on the Giants staff. They paid a tidy sum for him and figure they made a good investment. I hope they cash in on it pretty soon.

IN SPEAKING of Giel and his politeness, I'd like to mention a young catcher with the Giants who is likely to be heard of, one way or the other, before very long. I have in mind Al Stieglitz, who was with Corpus Christie last year and caught in 109 games and clubbed the ball for a .290 count.

Steeg-litz, as they pronounce his name, hails from Columbia, South Carolina, is 25 years of age, bats lefthanded, weighs 200 and climbs into the sky for six feet three inches.

Stieglitz is the direct opposite to Giel. He is a chatter box, peppery and all the time screaming or racing wildly around the infield. He's the first guy up and last last guy down. And he loves it.

Celtics Take Lead In NBA Playoffs

By ASSOCIATED PRESS

The Boston Celtics held a 2-1 lead over the Syracuse Nationals in the Eastern Division while the St. Louis Hawks and the Minneapolis Lakers were all tied at 1-1 in the Western Division today in the National Basketball Assn. semi-finals playoffs.

But a main concern was the talk of possible dissension on the Nationals between Coach Paul Seymour and scoring ace Dolph Schayes.

Both deny there is anything to the report, but in Sunday's 133-111 loss to Boston, Schayes sat out more than half the game.

"I took him out midway in the second period and put in Togo Palazzi because Togo is an aggressive type player who can sometimes catch fire," said Seymour.

Seymour and Schayes both said the Syracuse scoring star suffered a momentary blackout in Saturday night's 120-118 victory over the Celtics at Syracuse. Seymour added that Schayes' wife had told him Dolph is occasionally bothered by double vision.

RAMSEY STARS

Frank Ramsey came off the Celtics' bench to score 15 of his 24 points in the second period. The Boston surge put the game out of the Nats' reach.

Boston had a slim 31-27 first quarter margin but at halftime it was 64-45. Schayes, despite his limited action, wound up as the Nats' top scorer with 21 points.

In the Western Division, the Hawks got off in front at home Saturday by downing the Lakers 124-90 but they bowed 106-98 when the series shifted to St. Paul Sunday.

Minneapolis, which won only 4 of its 12 games with the Hawks during the regular season, chalked up its victory with Elgin Baylor scoring 33 points. Bob Pettit had 22 for St. Louis.

Casey Decisions Williams, Keeps State 160 Title

RICHMOND (UPI) — Hank Casey, of San Francisco, pounded out a unanimous 12-round decision over Al (Tiger) Williams, of Los Angeles, at the Richmond Auditorium Saturday night in a successful defense of his state middleweight title.

The victory squared the account between the two fighters, Williams having defeated Casey two months ago.

Casey, 159, closed Williams' left eye in the second round and was in command the rest of the way. Williams, who weighed in at 157, was never able to get started against the elusive San Francisco battler. There were no knockdowns.

The win gave Casey a 21-5 record.

REDMEN DOWN BRADLEY

St. John's Must Rebuild NIT Champion Powerhouse

NEW YORK (UPI)—Graduation will wreck St. John's newly-crowned National Invitation Tournament champions, but Coach Joe Lapchick is expected to build another basketball powerhouse next season around "most valuable player" Tony Jackson.

Jackson, the sophomore sensation who scored 21 points and grabbed 27 rebounds in the Redmen's 76-71 overtime win over Bradley in Saturday's nationally-televised finale, is the only St. John's starter returning next year.

Gone will be little Alan Seiden, who was a unanimous choice along with Jackson today on the all-NIT team picked for United Press International by 16 sports writers who covered the 12-team carnival at Madison Square Garden.

But Jackson will be back, and that alone seems to guarantee the Redmen a top-flight team for next season. At tourney's end, observers were widely predicting future All-America honors for the six-foot, four-inch jump shooter who had a total of 81 points and 76 rebounds for four tourney games.

To back up Jackson, St. John's will have members of the most successful freshman team in its history—a squad that rolled up a 24-0 record and includes a six-10 center, Leroy Ellis, and Willie Hall, one of the nation's most coveted high school players last year.

Named to the All-Tourney team along with Jackson, Seiden and Louie Roethel of St. John's were Bobby Joe Mason of Bradley, Cal Ramsey of New York U., and Lennie Wilkens of Providence. Second team selections were Joe Billy McDade and Mike Owens of Bradley, Jim Peay of Denver and Bob Ferry of St. Louis.

Phil Hill Wins At Sebring; Eyes World Racing Crown

SEBRING, Fla. (AP) — America's hope of producing a world automobile road racing champion could come true this year.

Phil Hill, 31, of Santa Monica, Calif., teamed with Oliver Gendebien of Belgium to win the 12-hour Sebring Sports Car Endurance Race Saturday and prove again that he can match nerves and ability with any European.

Hill and Gendebien drove one Italian Ferrari to a mechanical breakdown, then switched to another and sped on to finish first by five miles after traveling 977.6 miles over a hazardous, rainswept course.

Jean Behra of France, one of Europe's best road racers, and Cliff Allison of England made a desperate effort in another Ferrari to overtake the leading car but couldn't cut down its margin.

Hill is the only American in serious contention for the world title vacated by the recent death of Mike Hawthorn of England. Hawthorne won the 1958 championship following the retirement of Juan Fangio of Argentina, who had been unquestioned king of road racing for five straight years.

The Sebring race was for the sports car manufacturers. It was one of six around the world in which the factories can earn points toward the championship now firmly held by Ferrari. The next of these races will be the Targo Floria in Sicily May 24.

Drivers win points in another series of races. The first one this year will be in Monaco May 10.

The Sebring race was virtually taken over by Ferrari and Porsche of Germany. These two cars swept the first 10 places, winning five each. Porsches ran 3-4-5 behind the two leading Ferraris.

Aussies Set Record

Sparrow Wins At Indian Valley

Bud Sparrow enjoyed one of his best rounds of golf over the weekend, carding a nifty 73 and netting a 61 to win the Indian Valley Golf Club's medal handicap tournament.

Other leaders: Phil Nathan, 81-15—66; Fred Volz, 73-6—67; Warren Smith, 78-11—67; Tony Taveggia, 86-18—68; Orv Boyer, 88-19—69.

Close Duels Mark Novato Golf Tourney

It will be Nort Dawson against Steve Meuse and K. J. Beard against C. B. Coleman next weekend in the semi-finals of the Indian Valley Golf Club's annual Spring Handicap Tournament at Novato.

They were the survivors of close quarter-final matches over the weekend. Dawson defeated Bill Silver on the 21st hole; Beard went the same distance to down Tom Hardcastle; Meuse edged Al Leach, 1 up on the 18th hole and Coleman defeated Tom Washington, 3 and 2.

Consolation bracket results: Orv Boyer d. Fred Volz, 1 up; H. J. Ross d. Pete Peters, 3 and 1; Bryon Dickson d. H. S. McBride, 1 up; Fred Meyer d. Frank Valim, 3 and 2.

Jockey Critically Hurt In Spill At Agua Caliente

SAN DIEGO (UPI) — Jockey Sam Vergara of Mexico City remained in critical condition today at Mercy Hospital from injuries suffered when his mount fell on top of him at Agua Caliente track.

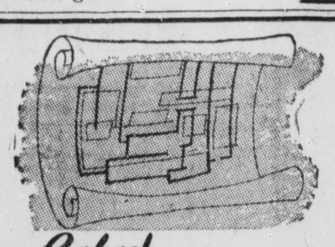

The 29-year-old rider, father of two, went down with his horse, Cupillo, in the last race Saturday at the Mexico track south of here.

Vergara suffered a fractured spinal column in the area of the fifth vertebra and his legs were paralyzed, attendants said.

Jordan's King Hussein Arrives In Washington

WASHINGTON (UPI) — Jordan's youthful King Hussein arrived today for an informal visit during which he is likely to ask for additional U.S. aid to strengthen his reign.

Vice President Richard M. Nixon and Acting Secretary of State Christian A. Herter welcomed the 23-year-old monarch when he flew in by military plane from San Francisco.

Highlights of the king's five-day stay will include a lunch with President Eisenhower at the White House tomorrow and discussions with the President the next morning.

The royal visitor will crowd in several formal dinners, a reception, ao speech at the National Press Club, and sightseeing. Hussein arrived in San Francisco yesterday after spending five days in Hawaii. This is his first trip to the United States.

U.S. officials expected the King and his Prime Minister Samir Rifai to ask for a substantial hike in American aid to help the desert kingdom overcome a severe drought which has caused widespread unemployment and some popular discontent.

The Jordanians also were likel yto request more military aid to strengthen their army. The king, who brought along his agriculture minister Akef El Fayiz, probably will suggest additional shipments of U.S. food to his economically-weak country.

Muir Woods Assn. Fetes Early Member

Mrs. Edna L. Moulton, a leading member in Muir Woods Park Improvement Assn. for about 20 years, was honored Friday on the eve of her departure from Marin County.

She was toasted at the bimonthly meeting by club members, who presented her with flowers and other gifts.

Mrs. Moulton, one of the club's early members, served in many capacities, including secretary, treasurer and director. She first visited the Muir Woods area in 1912 as a hiker. She became a resident in 1940.

Jacques Nadler, an association director, was resigning because of pressure of work, announced Mrs. Nadler. Her husband was not present.

Appointed to replace him was James K. Del Secco, San Francisco diaper service delivery man.

The 75 members in attendance were told that the new Marin County Fire Department station will be located near Mountain Home Inn and that work would be completed by July 1, Arthur K. Smart reported.

The station will house three pieces of equipment and four full-time employees.

Members also heard a variance requested by Fireside Motel to erect billboard advertising near the establishment on Highway 1 had been withdrawn. Muir Woods Park Improvement Assn. had expressed opposition to the variance.

Presiding at the meeting was Mildred Corbin, president.

ACLU Unit Backs Death Penalty Ban

LOS ANGELES (UPI) — The Southern California Chapter of the American Civil Liberties Union has announced its support of bills pending in the state Legislature to abolish capital punishment in California.

Chapter President Robert Vogel said last night that capital punishment violates the 8th amendment to the U.S. Constitution which prohibits "cruel and unusual punishment."

It marked the first time in the 40-year history of the ACLU that an affiliate has opposed capital punishment.

HUMANS TOO SMALL—OR ARE CHAIRS TOO BIG?

Its job: measuring office furniture to determine how it compares with the measurements of humans.

Its conclusion: chairs and tables are up to three inches too high.

Duncan Sanity Ruling Next

VENTURA (UPI)—Mrs. Elizabeth Duncan, 54, sentenced to the gas chamber for hiring two men to kill her son's wife, will appear in superior court tomorrow at a hearing to determine her sanity.

Judge Charles F. Blacktsone, 83-year-old jurist who presided over the trial in which Mrs. Duncan was convicted of the for hire murder of her daughter-in-law, Olga, 30, and the trial in which she was condemned, will make the sanity ruling on the basis of reports by two court-appointed psychiatrists.

Three hearings are mandatory in capital punishment cases under California law—the first hearing to determine guilt, the second sentence and the third sanity.

Manhunt Begun For Man Who Killed Girl, 9

SPOKANE (UPI)—The ravished body of 9-year-old Candice (Candy) Elaine Rogers was found yesterday. Police pressed a search for her killer who abducted her March 6 as she sold Campfire Girl mints in her neighborhood.

The little girl's body was found covered with pine boughs in a remote area 12 miles northwest of here.

Her legs were tied together at the ankles with parts of her own slip.

Coroner William Jones said the girl, daughter of a divorced couple, had been raped and that death was due to strangulation.

Parts of her slip were found around her throat. The body, fully clothed except for her shoes and red leotards, was covered with underbrush except for one knee. Jones said death probably came on the night she disappeared.

Detectives James C. Spencer of the Spokane Police Department said there were no clues to the murder. "There was nothing in the discovery of the body which would indicate who did it," he said.

Officers were led to the remote area late Saturday night when two airmen hunting in the vicinity found a pair of shoes belonging to the little girl. The search was resumed early yesterday morning in the area in which the shoes were found, and the body was discovered about 20 feet away covered with pine needles.

The victim's mother, Mrs. Elaine Rogers, collapsed when told of her daughter's fate. The girl's father lives in Milton-Freewater, Ore.

Gros Presents Intimate Glimpses Of Great People In Guild Talk

Members and guests of St. Stephen's Guild in Belvedere were recently treated to a wonderful pot-pouri of intimate glimpses into the live of great people when Robert Gros, vice president of the Pacific Gas and Electric Co., spoke to the group at its bi-monthly meeting in Whitaker Hall.

Gros collects interviews with people in the same manner many people collect stamps or rare coins. Since high school he has been engaging in this interesting avocation, always seeking to learn the common elements of greatness. Two characteristics he especially mentioned, humility and a sense of humor. The truly great, he said, have no need to put on airs; only the pseudo-great find it necessary. Nor it it necessary to be a celebrity to be great. He particularly recalled a village chieftain in the Philippine Islands whose selflessness made him a great man in the eyes of Gros.

But it was to the celebrities that Gros devoted the major portion of his speech. Father Divine he termed the strangest and most colorful individual he had ever interviewed and described his experiences in attending a meeting of the faithful who believe Father Divine is a diety.

FUNNIEST MEN

The funniest men he knows are Joe E. Brown and Ray Bolger, both of whom have a deeper side. He told of the deep spiritual side of the former, and of discussing Plato's Discourses with the latter one night until 4 a.m. Will Rogers and Irwin S. Cobb were included in this category.

Of the men he has interviewed he chose several for their eloquence. Carlos P. Romulo of the Philippines, who passionately believes in the democracy which we take for granted, was number one on the list. The greatness of Franklin D. Roosevelt, Gros believes, lay in his ability to make an individual feel he was personally interested in that individual. Douglas MacArthur, he said, has a magnificent control of the English language. He told of his interview with MacArthur in which the general described in eloquent terms his return to this country after being away so long. He talked about flying in to San Francisco and seeing the bridges whoch had not been there when he left, and of subsequently flying across the continent. This conversation Gros found to be particularly spine-tingling.

President Eisenhower is amazingly eloquent in private conversation. He has a very warm personality and possesses a quiet dignity, Gros said.

The individual who, Gros believes, has the greatest impact of personality is John L. Lewis. Lewis is amazingly versed in literature and very dignified in an interview until controversial subjects are discussed and then he orates. To Gros he is the "eloquent apostle of private enterprise."

The wisest man he has ever met is Bernard Baruch, a man possessed with a unique common sense. He possesses a deep spiritual seriousness about America and places the preservation of our freedom over the ability to make money. Herbert Hoover, another wise man, has a brain like an encyclopedia, he said.

GREAT WOMEN

Gros stated that there is usually a great woman behind every great man but many women are great in their own right. He mentioned Eleanor Roosevelt, who is a lady in the finest connotation of the word; Clare Booth Luce, the "Beautiful Brain"; Madame Chiang Kai-shek, who is a combination of a gracious lady and and a hard politician; and Gertrude Stein. He met Miss Stain on an airplane bound for Salt Lake City while he was a student at Stanford, and by pretending he could not hear her over the roar of the motors, he acquired several pages in her handwriting of answers to the questions he asked.

Gros feels that he became "a part of all he has met" and through this interesting avocation he has enriched himself.

He and his wife plan to move to the Belvedere Lagoon during the next month from San Francisco.

Mrs. John Hoefer, guild president, presided at the meeting. Mrs. Ronald Simpson, program chairman, introduced the speaker.

MRS. JAMES B. PHIPPS, of Hayward, president of Northern California's School Food Service Assn., chats with model Doris Evans at a recent informal fashion show luncheon, an every Thursday event presented by the Modern Eve Shop of San Rafael, at Bob's of Marin in Corte Madera. Mrs. Phipps' group represents 22 Bay Area school districts, including those of Marin County. They meet monthly at Bob's.

SAN FRANCISCO COUPLE WED IN HOSPITABLE MILL VALLEY

Mill Valley is beginning to compete with Carmel as a place to be married as well as an art center.

Deciding they wanted to be married in a beautiful spot with a romantic setting, Wayne Stewart and Cheryl Lorraine Luke, both of San Francisco, came to Mill Valley yesterday in search of a justice of the peace.

At the service station across the street from the I-J office they inquited of Alex Bardea and Fred Martin where they could find one.

There being none closer than Inverness, they directed them to the Rev. Dr. F. I. Drexler, Baptist minister, who lives nearby. He married them at 6 p.m. with two neighbors acting as witnesses, Mrs. James Hamilton and Mrs. William Muller. Also present were Mrs. Hamilton's two children, Larry and Charlie.

After the ceremony Dr. Drexler sent out for a wedding cake, and Mrs. Hamilton made coffee, and the neighbors, learning what was going on, brought rice and gave the young people the usual send-off.

Stewart is in the moving and storage business in San Francisco, and his bride is a dental receptionist there.

The newlyweds left happily with the remainder of the wedding cake, feeling that Mill Valley is not only a romantic place but a friendly one too.

Wilma Steinert Becomes Bride Of Robert L. Thomas Sunday

Bouquets of white gladioli and stock and candles at the altar and down the aisle decorated St. Paulus Lutheran Church in San Francisco on Sunday for the wedding of Wilma Carolyn Steinert, daughter of Mr. and Mrs. George Steinert of San Rafael and Robert L. Thomas of San Rafael, son of Mrs. Bertha Thomas of Smith's Grove, Ky., and the late D. W. Thomas.

The Rev. G. E. Kirchner officated for the 4 o'clock double ring ceremony.

Given in marriage by her father, the bride wore a traditional white satin gown fashioned with a portrait neckline with a border of Alencon lace sprinkled with seed pearls. It had long sleeves extending in points over the hands and the column-line skirt fell into pleats at the sides and extended into a chapel train.

A three-quarter veil of French illusion extended from a cap of satin, lace and seed pearls, and she carried a cascade bouquet of lilies of the valley, bouvardia, stephanotis and phalaenopsis orchids. Her only jewelry was a string of pearls.

Mrs. Thomas S. Faulkner of Hayward, a Phi Mu sorority sister of the bride, as matron of honor, wore a gown of old rose chiffon taffeta fashioned with short sleeves, square neckline and bell skirt draped to back and caught with a white taffeta rose. She wore a bandeau of old rose and short white gloves and carried a cascade bouquet of violets and pink roses.

Gowned like the matron of honor were bridesmaids, Luise Dreeke of San Francisco, cousin of the bride, and Mrs. Lawrence Lowery of Oakland; Madeline Mitchell of Fresno, and Mrs. Lloyd B. Smith Jr. of Roseville, all Phi Mu sorority sisters.

Little Carol Jean Tomlinson, cousin of the bride and daughter of Mr. and Mrs. Alfred T. Tomlinson of San Francisco was flower girl. She wore a dress of pale pink silk organza styled with Peter Pan collar, short sleeves and full skirt. It had a tucked bodice and large bow sash. She wore a bandeau of pink ribbons and carried a miniature bouquet of violets and pink roses.

John Totten of Stockton was best man and ushers were Donald Dickey of Sacramento, Sheldon Nichols of Novato, Jack Pierce of Palo Alto and Joseph Hodson of Stockton, all fraternity brothers of the bridegroom.

For her daughter's wedding, Mrs. Steinert wore a Dior blue peau de soie sheath with silk-flowered hat in shades of blue with matching accessories. She had a white cymbidium orchid corsage.

Mrs. Sophie Dohemann, of San Rafael, the bride's grandmother, wore a gray lace over satin dress with matching lace jacket and violet hat. She had black accessories and wore a cattleya orchid corsage.

A reception for 350 guests followed the ceremony at the California Club where arrangements were of white gladioli, stock, pink roses and violets. Betty Jean Teigeler of San Carlos, was in charge of the guest book. A buffet dinner was served.

For a wedding trip to Southern California, the bride wore a black and white tweed suit with black accessories and a white phalaenopsis orchid corsage.

The bride, who is also the granddaughter of Mrs. John F. Steinert of Sanger, was graduated from San Rafael High School and attended Mills College. She was graduated from the University of California where she was affiliated with Phi Mu Sorority and Beta Gamma Sigma, honorory business administration fraternity. She is now a teacher at Sir Francis Drake High School.

The bridegroom, whose brother David W. Thomas Jr., resides in Stockton, was graduated from Stockton High School and College of Pacific. He also attended the University of California and UCLA. He was affiliated with Rho Lambda Phi and Theta Alpha Phi fraternities. Mrs. Sarah Jane Dickerson, of Smith's Grove, is his grandmother. He is now on the San Rafael High School faculty.

The couple will reside in San Rafael.

SELECTING a healthy redwood tree for presentation to the new Redwood High School are junior members of Twin Cities Unit 313, American Legion Auxiliary. They are, left to right, Linda Olmstead, Carol Ann Dexter, Donna Wayne, chairman, and Carol Ann Olmstead.

Officer Pays Visit To Tamal Lodge

At the recent meeting of Tamal Rebekah Lodge No. 393 of San Rafael, Mrs. Charles Peterson, district deputy president of District 61, and her marshal, Mrs. William Amos, made their last official visit of their term to their home lodge.

After being welcomed by the noble grand, Mrs. Paul Sproete, gifts were presented to them from the lodge. Mrs. George Beckley presented Mrs. Peterson's gift and Mrs. Edward Kush presented Mrs. Ames with hers. Both were in the form of shamrocks for good luck. Carrying out the St. Patrick's theme, the lodge hall and banquet room were decorated with shamrocks and lephechauns, with a bowl of green carnations on the main banquet table. On the committee was Mrs. Everett Ruhl, chairman, assisted by Mesdames Gladys Horsley, Eli Harrington and Ann Keelan.

Among the guests present were Mrs. Mary Bruni, noble grand of Golden Star Rebekah Lodge of San Rafael, and Mrs. Peggy Dahl, noble grand of Blythedale Rebekah Lodge of Mill Valley, Mr. and Mrs. Miller and Mrs. Moore of Giman, Colo.

Mrs. Mabel Sanford was welcomed into membership in the lodge by deposit of card. She is a past noble grand.

Tamal will hold its next meeting tomorrow at 8 p.m. At this meeting the lodge will present Mrs. Grant Wills with her 50 year pin. Delegates will also be elected for the Rebekah Assembly held in May.

The contestants in the Pilgrimage for Youth sponsored by Odd Fellows and Rebekahs of the U.S. spoke, Cheryll Lynn of San Rafael High School and Maybry Eileen Geller of Drake High School on "My Country and World Affairs."

Committee members for the next meeting will be Mrs. Maurice Picard, chairman, and Mesdames Walter Mazza, Audrey Sheffield and Minnie Randolph.

Cheskamay Group Has Ceremonial

Members of the Cheskamay Camp Fire Group recently received their first rank in the Camp Fire Girl program, Trailseeker. Their ceremonial was held at the home of Mrs. Joseph Nicholson.

This award was the climax of approximately six months of preparation by the girls. To fulfill their rank requirements the Cheskamay's had a group overnight sleep-out and swimming party at the home of Mrs. Frank Dettner; hiked to the Dutdoor Theatre on Mt. Tamalpais after preparing their own lunches; had a Christmas party for their parents and teachers, and for Valentine's Day made and filled candy cups for the hospital.

Trailseeker members of the Cheskamays are Chris Dettner, Anne Nicholson, Martha Wertheimer, Nan Breidenstein, Marilyn Burns, Judy Rude, Alexis Arnold, Kathleen Ninnis, Meredith Pike and Carol Hinkley. Mrs. Dettner and Mrs. Nicholson are Guardians of the group.

Those attending were Mesdames Remo Scherini, Harris W. Martin, Rex Harner, Richard Binzer, Carl Groehagen, Chester J. Lowney, Edward K. Lang, Robert H. Aldrich, Donald N. Frank, and William B. Gold Star Mothers Preparing For Hawaiian Tour

Members of the Marin Chapter, American Gold Star Mothers, Inc., are preparing for the special California-Nevada-Arizona Department's Hawaiian Tour to immediately follow the Department's convention in San Diego this April, according to Mrs. A. E. Fine, tour chairman.

The eight-day tour will leave April 29 via Pan American World Airways and be headquartered at the Hawaiian Village Hotel. Many distinctive entertainment events have been planned, as well as a Navy-escorted tour of Pearl Harbor and pilgrimage to Pacific National Cemetery in the Punchbowl.

Departures from San Diego, Los Angeles and San Francisco have been arranged for the convenience of Gold Star Mothers, relatives and friends through the Department in joining the San Jose Chapter-sponsored tour.

Brochures may be obtained from Mrs. Estelle Bassett, 1572 Sir Francis Drake boulevard, San Anselmo.

Juniors Give High School Redwood Tree

During the American Legion Auxiliary's community service month, junior members of Twin Cities Unit 313 recently took time out to select a healthy redwood tree for presentation to Larkspur's new Redwood High School.

Chairman of the junior group this year is Miss Donna Wayne of Larkspur who stated, "Some day I will be a student at Redwood High."

Junior groups of the American Legion Auxiliary throughout the state now number 6,077 with major emphasis of work for hospitalized Americanism and Community Service.

Last year the local junior groups joined statewide junior efforts in making a total of 19,011 nut cups and tray favors for the Veterans Administration hospitals located throughout California. Magazines, pocket books, gift shop items and hobby shop equipment also went to hospitalized veterans, as well as hundreds of gifts, toys, tray favors, comic books and scrapbooks to children's hospitals in the state.

A tour of some Marin County manufacturing plant is being planned by Mrs. Edwin Olmstead, who is giving leadership to the activities of Twin Cities junior members this year.

Highway Lawyer Needs To 'Get Word' From Governor

"If any reporter has any trouble with anybody in this administration, I will make a personal issue in seeing that the reporter gets the information he wants.

"I don't believe in government by concealment. My single wish is that every citizen of California know exactly what we are doing and why we are doing it."

That's what Governor Brown told several hundred newspapermen assembled in San Francisco last month for the annual convention of the California Newspaper Publishers Assn.

But some state employees quite obviously haven't "got the word" yet.

One such is a Mr. George Moe, legal advisor in the State Department of Public Works.

Last Friday morning he attempted to prevent the Independent-Journal's courthouse reporter from "covering" a meeting of local and state officials convened to discuss a railroad crossing problem here in San Rafael.

Before the session was over, the mayor of San Rafael had accused State Department of Public Works representatives of "bad faith," so it is understandable why Mr. Moe would prefer to have press and public banned from the discussion.

Fortunately, Supervisors Walter Castro and William Fusselman "put their foot down" in favor of an open meeting. And T. Fred Bagshaw, an official of the public works department and one-time chairman of the Marin County Board of Supervisors, expressed the opinion, too, that the meeting should be "open."

It was open, but only at the instance of Independent-Journal representatives and over the objections of the state official, Mr. Moe.

It shouldn't be that way.

We believe Governor Brown was 100 per cent sincere when he said he doesn't believe in "government by concealment" and that he wants every citizen to know "exactly what we are doing and why."

We hope he will take appropriate steps when this matter comes to his attention.

The Hungry Mole

The mating season of the mole is just past and soon mother moles will bring forth baby moles to carry on their frenzied underground existence.

Frenzied is the only word for it. The mole is always hungry. Each day it must eat its own weight in earthworms and underground insects. It is said that a mole deprived of food for twelve hours dies. No wonder the mole burrows under our lawns and pastures at such a rapid rate, giving little heed to Madam's prize flowers.

The mole is well adapted to its underground life. Partially blind, with powerful digging claws and sharp teeth, this grey-brown, small burrower is aggressive and fearless among the other animals it meets in its tunnels.

Most Marinites don't like moles, and who could blame them after seeing the damage they do to our yards and gardens. Whether those burrows are made by grophers or moles, the lawn's a mess. Little Dirt-Diggers' ways unfortunately interfere with our own.

When we find mole hills in the yard we put out baits and traps like everyone else, but we feel no glee in putting to death this small creature which works so hard just to stay alive.

Civil Defense Plan Draws Criticism

EDITOR,
Independent-Journal:

Let's examine the latest ideas on civil defense outlined by county administrator, Donald Jensen.

The new "survival plan," said to be recommended by a federal research team, conceives of billeting 82,000 nonessential civilians in such places as Novato High School, Arequipa Center, Meadow Club, etc., as well as in private homes. These areas are beyond Marin County's "danger line." The Red Cross, the county medical society and the county health, welfare and school departments are currently gathering data on the availability of billeting areas, water supplies, sanitary facilities and medical personnel.

The premise upon which the current exercise is based is that countries friendly to the U.S. will be attacked and that before we become involved, the President will order the evacuation of "danger zones." It is also assumed that evacuees will be safe after they have passed a point "just north of San Rafael and East of Fairfax."

Neither of these assumptions will ever be realities and it is appalling to hear of public officials accepting them without question.

The assumption that any aggressor would give the U.S. a one to five day warning before engaging in hostilities is completely irrational. Not even the clumsiest military tactician would consider this a possibility.

To ignore the data concerning nuclear war so completely as to establish a "danger line," beyond which there will exist a "safe area," is pure dereliction of duty.

It has been demonstrated quite clearly that in the event of a nuclear war, every man, woman and child in Marin County will probably be dead within thirty days.

It seems a criminal extravagance to expend public funds on this futile and false project when our schools cannot afford a few books on the means of achieving peace and our health department cannot afford to monitor the radiation level of our food and water supplies.

GET AT ROOTS OF CRIME

Crime costs $1.11 each year for ever $1 spent on education.

This startling statement was made recently by J. Edgar Hoover, F.B.I. Director, in a speech to the American Bar Association.

Referring to the increasing disregard for authority over the nation, Mr. Hoover advocated "sterner measures," and a more realistic administration of justice which would prevent lawbreakers from exploiting "technicalities and loopholes in the law to defeat justice."

Your personal interest is very much needed in solving the ever growing problem of crime. Remedies are far from simple or easy. But, by the grace of God, it is within the power of each of us to help change this trend for the better. If you and millions of others like you do your individual part to restore respect for the moral law of God to the mainstream of life, you will be getting at the roots of the crime wave.

"Make straight steps with your feet: that no one, halting, may go out of the way, but rather be healed." (Hebrews 12:13)

Help me to persevere, O Holy Spirit, in the never-ending task of promoting good and counteracting evil.

REMEMBER WHEN?

10 YEARS AGO

Eve Curie, daughter of the discoverer of radium and author of the best selling biography of her famous mother, Marie Curie, spoke at San Rafael High School auditorium under sponsorship of Marin Town Hall.

The Methodist Church of San Rafael which was nearing its 100th anniversary launched a drive for funds to complete its new building at Greenfield avenue and Ross Valley drive.

All San Anselmo city employees were given approximately a 10 per cent "cost of living" pay raise by the city council. About 31 persons were affected by the wage hike.

20 YEARS AGO

Chairman Gail D. Apperson urged Marin County Board of Supervisors to go slow in changing operations at Marin County Farm, despite recommendations by the citizens contact committee and the Grand Jury farm committee for drastic changes.

A dispute between Frank Howard Allen, San Anselmo real estate broker, and Thomas B. Deffenbach, southern Marin real estate operator, over the right to use the name "Paradise Cove" for Allen's new subdivision on the Marin bay shore found its way into court.

Harry Ricksecker, executive of the Tahoe Area Boy Scout Council for 12 years, arrived in Marin County to assume duties as executive of the Marin County Council, succeeding the late Ralph H. Worsley.

Graveyard Shift Highway Paint Crew Has Trouble With Drunks

IT'S NOT TOO WELL known that a major portion of the white lines on Marin streets (other than state highways), as well as painted curbs, parking spaces, pedestrian lane markings and other traffic delineations are the work of Mark-A-Line Co., of Sausalito.

Bob Rogers, partner in the firm, told us the other day that their work usually starts around midnight and continues until daylight or until traffic gets too heavy. Biggest headache, he says, is not the weird working hours, but the drunks who have great trouble in comprehending what's going on — especially those who relish driving across the freshly painted lines.

AS A SEQUEL to last week's discussion of the multiplying duck problem on the Belvedere lagoon and the horrifying realization that fraternization is apparent by the increasing number of ducks with nondescript colored feathers, it seems pertinent that late bulletins be reported.

The Belvedere Lagoon Property Owners Assn. has courageously undertaken to cope with the creeping threat to the lagoon's tranquility and, we are told, has officially informed its members that directors have passed a resolution fixing a maximum of only three ducks to be permitted at each end of the lagoon.

The modus operandi was not disclosed.

AT LAST WEEK'S disastrous blaze in Sausalito when the Edgewater Boat Shop was leveled, we saw a small pooch running into the burning buiding, only to be driven back by smoke, heat and streams of water from firemen's hoses. This was repeated any number of times.

Not until three days later did we learn that the dog was "Lucky" who spent most of his daylight hours at the shop. He is owned by real estater Ed Ravizza. What was in progress, says Clyde Kilian, partner in the boat shop, was that the pup was trying to get to his bunk which was destroyed and also to find his pal, "Stormy," a tiny black poodle owned by Kilian, whose adjoining bed was also destroyed.

But there's a happy ending. Neither dog was even singed and plans for a new shop, we're certain, include bunks for the two pups.

AT LAST WEEK'S Mill Valley city council meeting, city manager Al Almcrants read a report on how many of the city's swimming pools were fenced as a result of a new ordinance passed a few months ago at the insistence of Councilman Peter Behr.

The report accounted for 43 pools, with 23 fenced, 19 unfenced, two "isolated" and one under construction. The report also indicates that a former council member is one of the 19 owners who has not yet gotten around to erecting a fence.

There was no mention made as to whether enforcement steps against the 19 are contemplated.

ROSCOE DRUMMOND

Most Significant Debate At This Session Of Congress Is Just Ahead

WASHINGTON — It is time to get ready for the most significant debate and the most fateful decision which will be taken at this session of Congress.

The debate is: whether to seek survival by helping our allies do what they cannot entirely do themselves or to turn into a Fortress America and try to do it all alone.

The decision is: whether to approve the President's "minimum" mutual security program of $4,000,000,000 or to hack it to pieces in order to spend it some other way.

The opponents of the mutual security appropriation are counting on you to be adequately gullible, uninterested, and misinformed, so that it can be slashed with impunity.

The unanimous conclusion of the Draper Committee, a panel of distinguished and knowledgeable Americans who have earned the right to be heard, is that nothing could be more wasteful and so imperil the national interest than to enfeeble the mutual security program so that it can't do the job.

I AM NOT suggesting that the President's military and economic aid request should slide through Congress without being questioned and without being argued. There should be debate, very earnest debate. It seems to me that the debate is coming at a good time and under circumstances which will enlist the largest public interest.

It comes at a time when the Communist military threat is greater than ever before and when, because of events in Berlin and Iraq, the Communist threat is more visible than ever before.

The debate comes at a time when we must either rescue the mutual security program from being gradually choked to death by inadequate funds or given the resources equal to the need.

It comes at a time when the Democratic leaders of this Democratically controlled Congress — who almost unanimously say they want to put more into our defenses — can show whether they really mean it. The mutual security appropriation puts the issue squarely and fairly before the Administration's Defense critics. If they want stronger defense, as they avow they do, they must either support the President's mutual security appropriation or be prepared to spend at least three times as much as they cut from it in order to get the same military result.

Let us not forget that the mutual security program brings into being many times as much military strength as the U. S. pays for and — despite some admitted waste, despite some bad administration—is the economizer's way of getting the greatest security for the free world at the least cost.

At stake is the basic decision whether the U.S. is going to seek survival in isolation or in common effort with our allies.

Capitol Observers Explain Why State Costs Climb Ever Higher

SACRAMENTO (CNS) — Ordinary citizens often wonder what causes the costs of government to run ever higher, and why it is necessary at times for the administration to ask the people for new and increased taxes to continue governmental operations.

One of the many reasons is the penchant of some legislators to seek new and increased services, especially at a time when the state is in the red and the threat of new taxes is hanging over the heads of all the people of California.

A CASE IN POINT is Senate Bill 1012, by Senator Robert I. Montgomery (D-Hanford). His bill provides that "An individual of age 60 or over who is no longer regularly employed or engaged in another economic endeavor to earn a livelihood may enroll in any adult education classes or programs free of registration, tuition, or other charges."

On the surface, it might appear to be a kind gesture to provide free instruction for the old folks at the expense of people who are working and earning a living to support the adult education program.

And the gesture is not surprising, coming from Montgomery, an ex-school teacher, who after he retired, became a state senator. And as a school teacher, his sympathies naturally would favor government services which would make more jobs for his colleagues.

DURING THE current fiscal year, the state is apportioning $10,464,646 for adult education. In Governor Edmund G. Brown's budget, an attempt to cut down on this expenditure was made for the 1959-60 fiscal year. This attempt resulted in $8,396,521 being put in the budget now under consideration, a cut of $1,068,125.

Montgomery's attempt to increase the expenditure, therefore, does not appear to be in accord with the attempt of the administration to cut costs for this particular service.

TRY AND STOP ME

BENNETT CERF

A bright young Martian landed in the U.S.A., and, as luck would have it, found himself in the middle of a rock'n' roll dance hall in downtown Los Angeles. He surveyed the scene indignantly, and rushed to his interspace phone to call up headquarters in Mars. "You lied to me," he screamed to the official who answered the ring. "You told me I'd be the first one here!"

An unusual complaint was registered by a couple of workers at the U.S. Mint. They want to make less money. One quit the job, cleaned up in the frozen food business, bought a 72-room mansion, and invited all his old friends to a house-cooling party.

WASHINGTON — The aircraft industry is now using TV-like pictures to test big plane that hasn't as yet been built.

Wool Program Market Year Ends Soon

The marketing year under the 1958 wool program will end March 31, local farmers were reminded today by Chairman Alfred J. Bianchi of the Marin County Agricultural Stabilization and Conservation Committee.

The wool program is conducted under the National Wool Act of 1954. Payments under the 1958 program will be made this summer when payment rates are determined on the basis of national average prices received by producers for shorn wool during the 1958 marketing year.

Bianchi said any marketings after March 31 will be eligible under the 1959 program.

If any condition concerning a sale is not settled by March 31, the sale will not be considered completed, Bianchi cautioned. Title must have been passed to the buyer and the wool must have been delivered to him, either physically or through documents. Also, final factors such as price per pound, weight and yield, must be available.

Applications for payment under the 1958 program must be filed by April 30 with the Agricultural Stabilization and Conservation Committee office at 515 Hahmann drive, Santa Rosa.

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. each day the code letters are different.

A Teen's Last Years At Home Can Be Rewarding To Everyone

Do you have an 18 or 19-year old in your family? Our children's last years in our homes can be wonderful. Let's look at our oldest teen-agers.

At 18 or 19 they're grown. Their character traits are formed. Your job is almost done. You may think you still control them, but you don't. They'll be good because they want to be good, not because you remind them. Or they'll be bad, in spite of your efforts. Most of our oldest teen-agers are good. It's fun to have 'em around.

They worry about grownup things. Adult love, lifelong marriage. Final career choices, vocational training. A college or graduate school. They put up a good front. See them at a party and you'd swear they had no worries. Underneath, they're anxious about many things.

They still need your help. But it's not the same sort of help you gave them when they were little. You aren't a disciplinarian now. You don't scold and give orders. If you issue edicts they explode. Instead, you are a counselor. When they talk, you should listen. Ask questions. Help them clear up their own thinking. Don't try to do the thinking for them. What I suggest is not easy. But it can be done.

They need fun at home. They have interesting friends. Invite them in. You don't need to plan games now. In fact you don't need formal parties. Just a few friends in for a meal, and a session of music afterward. Be sure to keep the refrigerator loaded.

What I say today applies to the majority of our oldest teen-agers, not to the minority who are rebels. The rebels are at odds with their parents. They have their own way of living, apart from home. If yours are rebels, I'm sorry. Life is cheating you of a rich reward.

READER'S FORUM

(Q) "My daughter is 19 and engaged. She kisses and pets her fiance passionately in public. She embassasses us. Should I speak to her about it?"

Mrs. Y. N.

(A) Yes. Try to be tactful. All engaged couples make love. But it is bad taste to give public displays of their affection.

N.Y. Group Buys Mutual Broadcast Co.

NEW YORK (AP)—A group of New York businessmen has purchased the Mutual Broadcasting System.

Mutual supplies 453 affiliated stations with news, sports and special features. It does not own them. Until recently it was part of the financial empire of international financier Alexander L. Guterma.

Malcolm E. Smith Jr., 42, president of Harrison Home Products, an importing firm, announced the purchase yesterday, but not the amount involved.

Richard H. Davimos, 36, of West Orange, N. J., a business associate of Smith, was the only other member of the purchasing group identified.

Davimos said Smith will become chairman of Mutual, and he will become president, with Robert F. Hurleigh, Mutual's senior vice president, becoming vice chairman.

Smith and Davimos are associates in Harrison Home Products, the Grand Award Record Corp., of which Davimos is president; the Waldorf Record Corp. and Waldorf Music Hall, Inc.

Chekhov's Widow Dies In Moscow

LONDON (AP)—The actress wife of Russian playwright Anton Chekhov, Olga Leonardovna Knipper-Chekhova, died yesterday in Moscow.

Mrs. Knipper-Chekhova, 88, was a leading actress for more than half a century and one of the last of the prerevolutionary intelligensia left in the Soviet Union.

Her career was tied to the Moscow Art Theater of Konstantin Stanislavsky and V. I. Nemirov-Danchenko, which influenced dramatic art all over the world, and which first presented all of Chekhov's plays.

The couple met through the Moscow Art Theater and were married in 1901. Chekhov died three years later, at the age of 44, but his widow continued to act with the troupe into World War II.

Mrs. Knipper-Chekhova traveled to the United States with the Moscow Art Theater in 1923. The Soviet government awarded her its highest honors, including the Order of Lenin, a Stalin Prize and the title of "People's Artist of the U.S.S.R."

CLOSED-CIRCUIT TELECAST SET FOR ELVIS

MEMPHIS, Tenn. (AP)—A closed-circuit telecast from Memphis probably will be Elvis Presley's first public appearance after his release from the Army early next year.

Presley's manager, Col. Tom Parker, yesterday said the telecast, originating in City Auditorium, would be piped to theaters across the country in March or April 1960.

"It's the only way to satisfy all the requests Elvis has received for peronal appearances," Parker explained. "He has got enough requests to tie him up through 1964. It's impossible for him to fill but a small per cent of them."

'THIS IS CAMMY WHITMAN. SEND ME TWO DOZEN EGGS'—Getting practice in use of the telephone, pupils of Adaline E. Kent School kindergarten use phone company-loaned equipment in actual hookup. Kent Children Learn How To Use Phone

Don't tell them not to—just teach them how to.

This new approach to youngsters' use of the telephone has produced more than 100 Adaline E. Kent School kindergarten pupils and "graduates" in Kentfield who know how to: Answer the telephone properly; call home; dial "operator" or a friend's number in case of emergency.

Mrs. Honor Brown, kindergarten teacher, enlisted the assistance of Pacific Telephone and Telegraph Co. in her project. The phone company loaned equipment ranging from a museum-piece early telephone through telegraph sets and practice dials to actual hookups with modern phones. It also lent the assistance of Mrs. Mary Sprague, school relations supervisor of PT&T.

"Parents rarely stop to think that the littlest ones are most often at home alone with mama," Mrs. Sprague pointed out. In emergencies, they might be the only ones able to summon help.

Mrs. Brown's kindergarteners learn to answer the phone by saying, "This is Sally Smith speaking." "It is so much more satisfactory than a simple 'hello,'" says Mrs. Brown.

Parents of the kindergarteners have cooperated by letting the children practice making calls at home.

"The only complaint I've had so far," says Mrs. Brown, "is from parents who point out that it's awkward to have a 5- or 6-year-old teaching our older children—or even us—the right way to use a telephone."

Two Girls Win In 'Bake-Off'

Two San Rafael High School girls, Sue Stevenson, 17, and Diane DiGrazia, 15, have been named winners of the home economics department's "bake-off" contest, defeating 195 other girls who had matched each other's cooking ability at the school this month.

Sue, daughter of Mr. and Mrs. Robert C. Stevenson, San Rafael, and Diane, daughter of Mr. and Mrs. R. DiGrazia, San Rafael, have won the chance for consideration for state and national awards. The contest is sponsored by the Pillsbury Co. of Minneapolis.

A board of judges picked the winners on the basis or original recipes for a cake by Sue and cookie bars by Diane, reported Wylma Cunningham, home economics teacher.

Paris To Get Skyscraper

PARIS (AP)—The famed Paris Left Bank, which has always considered an attic a decent height for anyone, is to be invaded by 52-story skyscraper.

Tradition-minded officials fought it, but finally bowed to pressure and persuasion.

The skyscraper—tallest in Europe—is planned as the centerpiece for an ultramodern development project that will root out many of the rickety but picturesque studios.

The main building will rise 600 feet, towering over the Paris skyline now limited to about 10 stories. But it still will play second fiddle to the Eiffel Tower's 985 feet.

A concession to the Left Bank will be 25 acres of new studios for painters, sculptors, artists and writers.

INCOME TAX FACTS

You Can Deduct Medical Bills You Paid During '58

By PETER J. WIKEL, CPA

Bad debts are deductible.

You can deduct your bad debts if:

1. A valid debt was made in 1958 or existed at Jan. 1, 1958.

Peter J. Wikel

To be deductible in 1958 the debt must have become worthless in 1958 which led you to believe that the debt was uncollectable—such as bankruptcy, disappearance of the debtor, etc.

2. The bad debt must have been included in your income, or been a part of your capital. You cannot have a bad debt deduction or uncollectible wages, fees, rents, etc. If you are a merchant and have a bad debt arising from sales or services, you cannot deduct the bad debt unless you included the sale in income.

3. You cannot forgive a debtor his debt and take a deduction for it. You must have made every reasonable effort to collect the debt in 1958. You cannot get a bad debt deduction simply because you do not choose to force collection.

A personal loan to a member of your family can be charged off as a bad debt, but there must be clear cut evidence that it was a loan. It cannot be in any way, shape or form, a gift. There must also be clear cut evidence that you have made every reasonable effort to collect. Deductions for bad debts arising out of loans to relatives are always given very close scrutiny.

In claiming a bad debt deduction you should attach to your tax return a statement showing the name and address, if known, of the debtor; the date the debt was incurred; the date the debt became due; what the debt was for; what efforts you have made to collect the debt, and why you believe the debt to be worthless.

If you are in business or practicing your profession for your own account, then your business bad debts are deducted together with your other business costs, on separate Schedule C of the tax return.

If your bad debt is a personal debt, you deduct it on separate Schedule D by entering the bad debt as a short-term capital loss. This deduction, taken with any other capital losses you may have is limited to $1,000 per year.

If your bad debt and other capital losses are in excess of $1,000, and you are married, then you should consider filing separate returns. Both you and your wife can take $1,000. Any excess can be carried over into the next succeeding five years.

You can deduct up to $1,000 per year for next five years, if your loss amounts to that much. You can take it all in any year that you can deduct it from your capital gains.

Ike, Macmillan Adopt Formula On Big 4 Talks

Foreign Ministers Would Set Stage For Summit Parley

WASHINGTON (AP) — President Eisenhower and British Prime Minister Harold Macmillan have proposed that the Western Allies adopt a three-point approach to a summit conference with Soviet Premier Nikita Khrushchev this summer.

It was learned today that this was the compromise formula agreed on in talks between the two Western leaders at Camp David, Md., Saturday.

Now under discussion by West German Chancellor Konrad Adenaur and French President Charles de Gaulle, it represents a compromise between Macmillan's urgent desire to meet with Khrushchev unconditionally and Eisenhower's reluctance to meet without promise of achievement.

The three points:

1. The Big Four powers—the United States, Britain, France and the Soviet Union—should open a foreign ministers meeting at Geneva May 11; Khrushchev has already substantially agreed to this. The foreign ministers should reach agreements on the widest possible range of German and related problems, try to narrow Soviet-West differences and prepare proposals for a later summit conference.

2. The heads of government should hold their meeting when justified by the work of the foreign ministers.

3. The foreign ministers therefore would have the responsibility of determining the time, place and subject matter of the summit conference.

The proposal covering these points was drafted by Macmillan and Eisenhower for inclusion in Western notes now expected to go to Moscow later this week. Khrushchev has been pressing for a 'summit conference for many months.

Some officials say the forging of a summit meeting was one of the Soviet leaders objectives in stirring up the Berlin crisis beginning last November.

Macmillan feels the Western heads of government must negotiate with Khrushchev even if the foreign ministers conference is a failure. Eisenhower feels every effort must be made to get basic progress toward a solution of the Berlin crisis and some start on other German problems at the foreign ministers meeting.

Goerndt To Head Police In Sausalito

HOWARD W. GOERNDT
No longer "acting"

Appointment Follows Three-Month Fight

Sgt. Howard W. Goerndt today was appointed Sausalito chief of police.

Goerndt has been acting chief since Louis P. Mountanos resigned in December to take over as sheriff of Marin County.

The appointment was made by City Manager Donald A. Duerr, following a special meeting of the city council yesterday in which Goerndt was selected.

Only other candidate for the post was Sausalito Police Officer David Cooper, whose score on a competitive promotional examination was previously announced as being "almost tied" with Goerndt's.

The appointment followed three months of turmoil which started with the announcement the post would be filled by examinations in accordance with the city's civil service rules.

OUTSIDE CANDIDATES

The outcry against the examination procedure was aimed largely at the provision which allowed candidates from outside Sausalito as well as present department members. The campaign against the plan was led by city councilman George E. Keeney, who consistenly demanded that the post be offered only to members of the department.

Only three candidates qualified in the examination, none of whom was a Sausalitan. The resulting protest caused the three to withdraw their names. Another examination was then held, with only Goerndt and Cooper participating.

7 YEARS ON FORCE

Goerndt, 38, has been with the Sausalito Police Department for seven years. He makes his home at 420 Locust street with his wife, Dixie, and their 12-year-old son, Michael. His brother, Harold, is a Marin County deputy sheriff stationed at Novato.

Duerr said today that with the elevation of Goerndt, an examination will be called for promotion to sergeant to fill the vacancy. Another patrolman will be appointed from the department's eligible list, established by a previous examination.

TRAGEDY AT TOMALES

Survivor Tells How 2 Drowned

The search continued today for the bodies of two Rio Linda men drowned Saturday at the treacherous mouth of Tomales Bay.

Missing and presumed dead are Clarence Peterson, 40, mechanic and father of one child, and Clarence John Engen, 34, carpenter and father of three. Both were residents of Rio Linda in Sacramento County.

They were on a weekend fishing trip in their 14-foot skiff.

The single survivor, Laurence Arnold Risse, 30, of Rio Linda, was rescued by the 40-foot boat "Zingana" after two hours in the water. The rescue boat was piloted by Malcolm R. Storm of San Leandro.

Risse related the tale of tragedy to Sheriff's Deputy William S. Christensen.

Risse told Christensen the three men arrived at Manila Marinas launching site off Highway 1 about 6:30 a.m. Saturday. He said after making camp, they sailed the boat, powered with a 35-horsepower outboard motor out the mouth of the bay to near Bird Rock on the west side of Tomales Point. The weather, he said, was "ideal."

Sometime later they noticed ground swells rising and headed back for the bay. Three hundred yards southeast of the Red Whistle Buoy they saw a huge breaker astern. Risse said the motor had not been functioning perfectly and they were unable to outrun the swell.

He said the wave passed completely over the boat and overturned it.

"There hadn't been a lot of waves but this one had come

Park Service Urges Action On Pt. Reyes

The National Park Service today urged immediate action toward acquiring the Pt. Reyes Peninsula for a national seashore recreation area.

In a book length report of its Pacific Coast recreation survey, the Park Service declared of the peninsula:

"The transition in this relatively undeveloped region from its 45 miles of seashore to the forest-covered Inverness Ridge, a scant two miles away, provides a combination of scenic, recreation and biological interests which can be found nowhere else in this country as near to a large center of population.

"This coastal area is believed to warrant national status. If the possibility of public ownership exists, positive action should be initiated immediately and cooperatively to that end by the county, state and federal governments."

The Pt. Reyes Peninsula is by far the largest of 10 North Central California coastal areas which the survey report proposes should "properly be included in a well-rounded and adequate National Park System."

Others in the area are:

Small Ten Mile River Beach north of Fort Bragg; two miles of scenic shoreline at Caspar Point, between Fort Bragg and Mendocino; one and one-half miles of scenic shoreline in the Mendocino city area; two and one-half miles of scenic shoreline in the Little River-Mendocino area; Manchester Beach, with five miles of shoreline, at Pt. Arena; the scenic Haven's Neck headland 11 miles south of Pt. Arena; five and one-half miles of scenic shoreline at Salt Point, 18 miles north of Jenner; the Ft. Ross area, including four and one-half miles of ocean frontage and the Ft. Ross State Historical Monument; six miles of shoreline with narrow beach at Bodega Head (incidentally the proposed location of a Pacific Gas and Electric Co. power plant which is being fought by property owners).

In all, the survey lists 24 California coastal locations for proposed National Park status. Given No. 1 priority are the channels Islands (Santa Cruz, Santa Rosa and San Miguel)

Driver Dozes--And Wham! Car Cuts Power To 1,800 Homes

Electric wires downed on San Pablo road early yesterday when a motorist dozed at the wheel resulted in a power black-out to 1,800 homes north of San Rafael.

The driver, Anthony Frank Krzesowiak, 39-year-old bartender, said he was headed home to 630 Rosal way, Santa Venetia, after downing 12 bourbon highballs. He said he had fallen asleep.

Krzesowiak station wagon split a roadside power pole into two pieces. San Pablo road was blocked by the fallen pole and "hot" wires after the 1:16 a.m. accident.

Interruption of service from a severed 12,000-volt line meant no electricity in 600 Santa Venetia homes for 59 minutes and a blackout in another 1,200 homes in Terra Linda and San Rafael Meadows for 22 minutes.

Krzesowiak was booked at the county jail by the California Highway Patrol on a charge of being drunk in and about an automobile.

Car Uproots Tree, Sends It To Rooftop

There were apparently no serious injuries Saturday night in San Rafael in a spectacular auto accident in the 1400 block of Lincoln avenue.

A nine-inch diameter tree was uprooted by an errant auto and thrown onto the roof of the C. N. Langford residence at 1418 Lincoln avenue.

Booked on charges of drunken driving, driving without due caution and driving across the center line was Robert W. Wilcox, 22, of 47 Brookwood lane, Ross.

Police said Wilcox was southbound on Lincoln and failed to make a right-hand bend. His sedan struck the side of a northbound car driven by Charles S. Stuckey, 20, of 322 Glen Park road, San Rafael.

The Wilcox car then hit the tree, hurling it onto the roof, and struck a parked car registered to Gerald Lee Gordon of 1420 Lincoln.

The Gordon auto was parked in its owners' driveway.

THAT'S NO WAY TO GET IN GOOD WITH THE BOSS

Donald Cox, 16, employee of Zip's Drive In of San Anselmo, yesterday noticed the business' walk-in refrigerator door ajar.

Cox, heeding orders of his superiors to keep the door shut, closed and locked it. It wasn't until a few minutes later that he noticed (1) his boss was missing and (2) there was a pounding from inside the refrigerator.

Cox called San Anselmo police, who summonded firemen to knock the lock off the door. Out walked Santo Celentano, part owner of the business, somewhat cooler than he had been 15 minutes earlier.

The keys to the ice box were in Celentano's pocket, according to police.

Prince Sam Murder Case Goes To Jury

A Marin Superior Court jury of 10 women and two men retired at 11 a.m. today to determine whether Prince Sam Davis, 34-year-old Marin City garbage man, is guilty of murder in the Christmas Eve slaying of his common-law wife, Viola Baker, 32.

Instructions were given the jury today by Judge Jordan L. Martinelli. The trial started last Monday.

Davis claimed he fired three shots at Viola in self defense as she approached him with a butcher knife in their apartment at Building B-1, Marin City. She was killed by shots in the heart and left shoulder after a bitter quarrel with Davis.

Dist. Atty. W. O. Weissich asked the jury Friday to return a verdict of murder in either the first or second degree. Davis is represented by Public Defender Leonard A. Thomas.

Assembly Vote Hints Water Plan Victory

SACRAMENTO (UPI) — The State Assembly today passed and sent to the Senate a bill to earmark nearly all of the tidelands oil royalty fund for development of California's water resources.

The vote was 50 to 24.

Approval of the bill by Assemblyman Bruce F. Allen (R-San Jose) was the first real test for Democratic Gov. Edmund G. Brown's tax and water program in the 1959 Legislature.

It passed the test with flying colors despite the claim of several opponents that "this is a plan to force 200 million dollars in new taxes."

An economy bloc, made up mainly of Republicans, opposed use of the fund for water project construction on the ground it should be used to balance the budget without new taxes.

Assemblyman Harold K. Levering (R-Los Angeles), one of its leaders, accused the state of "pouring money down the drain like drunken sailors" and pointed out that even if it is used for water, "it won't bring a drop of water over the Tehachapis."

Convict Survives Five-Story Leap In Prison Cellblock

A San Quentin convict was in serious condition today at the prison hospital after surviving a five-story leap onto solid concrete.

Harry E. Meyers, 37, was found yesterday morning on the floor of his cellblock, both legs broken. Prison officials learned he had climbed to the fifth tier and stepped over the rail.

Meyers had been due for parole in June.

W. G. Ballachey correctional counselor, said it appeared possible that Meyers eventually may end up with only a "slightly stiff back" as a result of the 50-foot fall.

Meyers entered the prison in 1956 on two counts of burglary in Los Angeles County.

Publicist Pleads Guilty To Charge Of Drug Possession

Poet-publicist Gerd Stern, 30, of Sausalito, withdrew a previous innocent plea and pleaded guilty in Marin Superior Court today to charges of marijuana possession.

Judge Thomas F. Keating then continued the cast until April at 10 a.m. for a report from the probation department.

Stern and John Leslie Smith, 43-year-old Tiburon civil engineer were arrested Feb. 11 by Sheriff Louis Mountanos and his flying vice squad, who found some $2,500 worth of raw marijuana at Smith's Muir Beach home. Both were indicted by the county grand jury.

Smith, whose business office is in Tiburon, pleaded guilty March 9. He is to appear in court next Monday at 10 a.m. for a probation report.

The light drizzle that brought less than a half inch of rain to Marin over the weekend should clear up by tomorrow, the weatherman predicted today.

Today's cloudy skies and intermittent sprinkles are expected to clear tonight and tomorrow, according to the Weather Bureau.

San Raafel City Hall posted the highest rainfall for the weekend with .47 inch up to noon today.

5 Coats Gone From Home In Larkspur

The mysterious disappearance of five coats from a Larkspur home—two of them fur coats worth $1,100 each—was being investigated today by Larkspur police.

The theft was discovered Saturday evening by Mr. and Mrs. Aaron Shenson of 75 Cornell avenue in Hillview Gardens. They had last seen the five coats in their hall closet on Wednesday, Shenson told Police Chief Howard A. Clark.

Missing were a gray persian fur coat valued at $1,100; a black Russian broadtail fur, $1,100; a woman's tan and white herringbone tweed, $100; two men's coats, cashmere double-breasted styles, one brown and one blue, each worth $250.

Shelley Denies Bail Bond Influence At County Jail

Bail bondsman James J. Shelley of San Anselmo coupled a denial of state insurance commission charges of wrongful influence yesterday with counter-charge of favoritism in bail bond referrals at the Marin County Jail.

Shelley, brother of Rep. Jack Shelley of San Francisco, made the counter-charge in a press conference at his home at 26 Oak Knoll avenue, San Anselmo.

He faces loss of his bail bond and state insurance licenses if a state Insurance Commission hearing finds the wrongful influence charges true.

Shelley claimed he has generally received less than 10 per cent of the bail business, in competition with only three other bondsmen. He said he will ask the insurance commission to investigate.

Shelley said he received only about two calls from the jail in the period Jan. 5 to Feb. 8, 1959. He said this was despite the listing of the four Marin County bondsmen inside the jail on an equal basis near the telephone available to inmates.

He said the bondsmen shown on the jail log to have the by far the largest share of the business are James Stragnola and Joseph Pecora of San Rafael.

The charges against Shelley cite six cases in the past eight months where Shelley allegedly attempted to give money or tokens of appreciation to sheriff's deputies.

Shown sharing candy at the party are (from left) Darlene Harris, 3; Abby Goldman, 4, and Janet Bauer, 4. The one-day celebration of Purim begins at sunset today. Watsonville Police Chief Kills Kidnaper

WATSONVILLE (UPI)—Police Chief Frank Osmer today shot and killed Stanley Papac, 25, Watsonville, who was holding a tavern proprietor as a holdup hostage in the darkened Mira Mar Bar and Grill on Main street here.

The shooting occurred about 3:30 a.m. and Papac died at 5 a.m. at the Watsonville Community Hospital.

Papac had waylaid George Lucich, 52, one of the tavern owners, at his home after Lucich had closed the bar for the night. He forced Lucich to drive with him to the tavern where he planned to have him open the safe.

JANITORS AT WORK

When Papac and Lucich arrived, there were two janitors cleaning the place. One of the janitors, Tony Dertich, 58, managed to escape from the rear door. He notified police. The other janitor also slipped out without Papac's notice.

A squadron of 25 police officers, deputy sheriffs and California Highway Patrolmen surrounded the tavern.

Papac hit Lucich over the head with his gun and dragged him behind a barricade of tables and chairs he had hastily built in the back dining room. The only light in the room was from the street, but police could see Papac holding a gun at Lucich's head.

THREATENS TO SHOOT

"I'll kill Blondie (Lucich) and the first cop who comes in," Papac shouted.

Police tried to talk him out of it for nearly an hour, but Papac continued with the same threat, repeating it time and again.

Chief Osmer then stationed his two best marksmen—Sgt. Russell Mock, 34, and Officer Jim Brandon, 46—at either side of the dining room entrance. Osmer then stepped into a hallway leading to the kitchen door. He intended to shoot Papac in the arm when he raised from the barricade, knowing he'd have only one shot. But when he fired, he missed Papac's arm and the bullet hit the bandit in the chest.

Papac never recovered consciousness.

THIEVES GET 'HOT' WIRE AT NOVATO

Thieves armed with wire cutters and lots of nerve stole 1,100 feet of copper wire that was "hot" before they stole it, Pacific Gas and Electric Co. officials reported to the sheriff.

Franklin Ellsworth Jerome, who works for PG&E at 750 Lindaro street, said the wire was snipped from power poles on Deer Island lane in Novato. Whoever took it knew what he was doing because it was a "hot" wire carrying 12,000 volts. Jerome said it was a live but idle line that was not servicing any home. The wire is valued at $40.

Coal Mine Blast Kills 8

ROBBINS, Tenn. (AP)—An explosion ripped through a small coal mine near here today. Eight miners were reported killed.

The body of Oscar West of Oneida, the mine owner, was recovered soon after the blast. State Police at the scene said it was doubtful any of the other seven men in the mine survived.

The mine was a truck operation and the eight men were said to be the entire work force.

Officers said the explosion apparently was caused by a gas pocket.

State Police went to the scene but said they had no immediate details on the accident.

Military School Passes To Church Control

San Rafael Military Academy has now passed officially into the hands of the Episcopal Diocese of California, and 12 new members have been added to the board of directors, Paul Ciampi, president of the board, announced at the school's weekend fathers' and sons' banquet.

Ciampi disclosed also that more dormitory space is needed because the school has more than 100 applicants on its waiting list.

In coming under the aegis of the Episcopal Church, said Ciampi, San Rafael Military Academy "joins a group of some 450 schools throughout the nation . . . including schools of such outstanding reputation as St. Paul's, Groton, St. Mark's, Harvard School and such good military schools as Shattuck, Howe and Sewanee."

The military academy, he said, will admit students of all faiths "and of none." Its curriculum will include "a study of the Bible and other aspects of the Judeo-Christian heritage," Chapel services will be "of a type in which students of various religious backgrounds can readily participate."

Added to the board of directors, to bring its membership to 21, were:

A. C. Agnew Jr., Dr. Russell W. Bernhard, Rev. Henry B. Getz and Norman B. Livermore Jr. of San Rafael; Louis W. Niggeman of San Anselmo; Mark Gerstle, George Livermore, William H. Orrick Jr. and Rt. Rev. James A. Pike of San Francisco; F. L. Van Fleet of Oakland and Rev. Walter Williams of Berkeley.

Now 70 years old, Montegani was born in Milan, Italy, and arrived in Sausalito in 1910.

A widower, he lives at 426 Locust street with his son-in-law and daughter, Mr. and Mrs. Edward Bowers.

Montegani plans to visit a rancher son in Gustine and to care for his Sausalito garden after his retirement.

Novato Incorporation Foes To Be Heard

Foes of the proposal to incorporate Novato are scheduled to appear tomorrow before the county board of supervisors to amplify their charges of "apparent fraud, secrecy and misrepresentations" in incorporation proceedings.

Seven Novatans last week leveled the charges in a petition to the supervisors and County Boundary Commission. The petitions asked the supervisors to request the district attorney and grand jury to investigate the incorporation proceedings.

The matter is not formally set for hearing tomorrow, but has been listed on the supervisors' agenda under "correspondence," and will probably come up during the board's morning session.

Meanwhile, proponents of the incorporation proposal are trying to line up about 100 volunteer workers to circulate petitions for incorporation. Clark M. Palmer Jr., Novato attorney and chairman of the Novato Home Rule Committee, said his group hopes to have a legal description of the proposed city boundaries filed with the boundary commission this week, and to have the incorporation petition filed early in May.

Brown Sees $5 Million State Saving

SACRAMENTO (UPI) — Gov. Edmund G. Brown says his belt tightening appeal to state agencies will result in a five million dollar saving by June 30.

"We are getting full cooperation from department heads," Brown reported yesterday.

The governor shortly after he took office Jan. 5 asked Finance Director Bert W. Levit to review current budgets and save money where possible.

In a preliminary report, Levit said there was "no question" about the savings. He noted that the Department of Mental Hygiene alone had worked out a plan to cut $400,000 in operating expenses and more than $1,600,000 in capital outlay "without eliminating any necessary services."

The stereotypers had formerly received $122.20 for day workers on a 37½ hour week and $127.50 for night workers on a 31½ hour week.

Thief Believed Headed For Nearest Stream

Sheriff's deputies are looking for a burglar, believed to be an ardent trout fisherman, who stole enough fishing gear and provisions for several weeks of camping.

Ignoring valuable items like television, radio, and piggy banks full of coins, the discriminating thief went through two homes in Woodacre last week picking provisions for a luxury fishing and camping trip.

Victims are Gino L. Pegoraro of San Francisco, who has a summer home on Railroad avenue and Loyal Robert Peacock, a printer living on Laurel avenue south of the Woodacre firehouse.

Sheriff's Deputies William Christensen and Kenneth Irving said the thieves used pillow cases and paper cartons to pack away such items as:

Several dozen cans of food, several trout reels and equipment including an array of lures, six pounds of coffee, a five-pound canned ham, mayonnaise, mustard, butcher knife, two kettles, several jars of salmon eggs and a bottle of whisky.

Perfect Setting

MADISON, Wis. (UPI)—Three buildings were dedicated at the University of Wisconsin over the weekend—a dormitory for 254 women, a dormitory for 256 men, and a commons building.

Deputy Goes To Investigate Oddball Shooting, Car Follows Him Downhill

A bizarre shooting incident involving a Standard Oil Co. executive and his wife Friday night also left a deputy sheriff with a sprained hip and his patrol car damaged.

Deputy Sheriff Leo Ballard said he and Deputy Charles Newman stepped from their patrol car at 123 Barina boulevard to investigate the shooting incident. As he walked down the steep driveway he heard a rustling and saw their patrol car rolling backward toward him.

Ballard tried to halt the car, injuring his hip in the effort. At the bottom of the drive, the car sprung the left door and turned, then rolled forward to a halt, grazing a fence.

Ballard said the only damage was to the door.

Victims of the shooting were Walter K. Pearce, 52, and his wife Eloise, 50. Pearce told investigators he and his wife came home from San Francisco and retired about 9:30. He took some pills to help him get to sleep.

During the night his wife thought she heard a burglar She aroused her husband, then tiptoed into the hall. Pearce groggy from the pills, reached for his .32 automatic and walked toward the hall. He saw a figure in the dark and fired. As he pulled the trigger again, he realized it was his wife and put his left hand over the muzzle. The bullet grazed his left index finger. Mrs. Pearce suffered a minor wound in her left elbow.

Pearce said he kept the automatic by his bed because burglars had broken into his home the previous week.

Announce Way To Help Drain All 8 Sinus Cavities Without Discomfort

New decongestant tablet for sinus congestion sufferers acts both to drain clogged sinus cavities and relieve distressing head pain

New York, N. Y. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished with extraordinary speed and without discomfort of any kind. This new tablet does its remarkable work internally, through the blood stream. It deposits into every drop of blood plasma a new medication which is carried to the sinus area, where it shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion.

The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, Dristan® Decongestant Tablets. Dristan Tablets cost only 98¢ for a bottle of 24 tablets. Buy and use Dristan Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.

Miller Avenue Center Looted By Burglars

Thieves swooped down on Mill Valley's Miller avenue sometime after Friday night closing time and made off with cash and merchandise from the Miller Avenue Shopping Center and a nearby service station.

After smashing glass in a side door, the burglars took $26 in cash from the market, liquor store and coffee shop, according to owner John Gaidano. They also took a large quantity of merchandise including liquor, wrist watches, cameras and electric shavers, said police chief James P. McGowan.

Hickman's service station across the street from the market was entered by breaking a glass window. A tire was taken there, police reported.

Sausalito Arrests Open Drive On Homosexuals

Alcoholic Beverage Control Department agents over the weekend arrested two men on a Sausalito street on suspicion of "singing lewd and dissolute songs or ballads in a public place" and "lewd and dissolute loitering."

The two were arrested on Bridgeway after a stake-out of several taverns by the ABC agents at the request of Police Chief Howard W. Goerndt.

Goerndt, who dropped the "acting" from his police chief title today, announced: "The arrests are part of our drive to keep the pressure on any places in Sausalito which are suspected of being frequented by homosexuals."

Arrested were Paul Humphries, 38, of 1418 Buchanan avenue, Novato, and Lewis Darwin Wilson, 50, of San Francisco. Both gave their occupation as accountant.

Goerndt said both men were accused of making improper advances to other men in a Bridgeway bar. Humphries was arrested Saturday night and Wilson last night.

Both men were released on $500 bail, with Humphries scheduled to appear in court today and Wilson tomorrow.

off the Santa Barbara-Ventura coast.

In its almost-lyrical description of the Pt. Reyes Peninsula, the report declares:

"The area within the peninsula consists of approximately 28,000 acres, including about 45 miles of shoreline. The shoreline varies in character, with wide sandy beaches, wave-swept caves, offshore rocks, steep coastal bluffs and one three-mile long sandspit. The upland consists of sand dunes and grassland (15,000 acres) graduating into chaparral (1,500 acres) and magnificent fir and pine forest (11,500 acres). Also included are such features as Drake's Estero with its 28 miles of shoreline, nine inland freshwater lakes plus Abbott's Lagoon of several hundred acres, several fresh and salt water marshes, and an interesting variety of birds and mammals."

Of present use of the peninsula, it says:

"There has been relatively little development in the entire area: Ownership is mainly in large ranch holdings. The U.S. Coast Guard maintains two installations on Pt. Reyes. An oyster packing plant and a fish packing plant are the only known commercial enterprises."

In its summary of recommendations, the report declares:

"Although the Pacific Coast has many remaining undeveloped seashore areas, there are relatively few which are still in the pure wilderness or primitive state, where man has not altered the general landscape to varying degree with roads, grazing, timber harvest, or other man-inflicted modifications. Broad-scale planning should provide for all possible consideration and protection of these rare and invaluable seashore areas."

Von Essen reported the cabin had been entered and missing were a .22 caliber rifle, shells, a sweater, pair of rubber gloves and a cocktail mixer.

out of nowhere," Risse said.

The three clung to the bottom of the boat, anxiously watching for help. Risse said he searched the overturned boat to no avail for the life preservers. He released the anchor. Just after that he heard Peterson yell, "I can't hold Clarence any longer!"

Engen had disappeared under water.

A few minutes later Risse heard a cry, "Larry, help!", Peterson slipped away from the boat. Risse said he managed to get Peterson back to the pitching craft from about 20 feet astern. Ten minutes later Peterson weakened and slipped under. Risse said he dived and grabbed Peterson again. But as they surfaced, a wave hit them. Peterson vanished.

Approximately two hours after the trouble started, Risse was found floating with the skiff by the Storm boat.

Storm and his sons, Duncan, 15, and Douglas, 11, pulled Risse aboard and got a line to the skiff.

Storm said the survivor was picked up 250 feet on the right side of Black Can Buoy 1.

Risse and the skiff were taken back to the Evans boat shop south of Marshall.

$49 Missing; CHP Officers Take Lie Test

Eighteen officers in the California Highway Patrol's Marin County headquarters voluntarily submitted to lie detector tests after $49 vanished from a purse confiscated during an arrest last Monday, it was disclosed today.

"Every officer came out in the clear," said Capt. Theodore F. Parnow, head of the San Rafael office. Five civilian employees of the San Rafael office also voluntarily took lie detector tests and were cleared of suspicion.

There are more than 30 patrolmen on assignment from the San Rafael office, but those who were off duty during the period when the theft occurred were cleared automatically.

The owner of the purse was unaware anything had been taken, said Captain Parnow. As soon as the theft was discovered, the Squad Club, the CHP officers' social organization, appropriated funds to cover the loss and the purse was returned to its rightful owner.

The incident began around midnight Monday when a drunken driver suspect was arrested. He was jailed and when he could not satisfactorily explain the presence of a woman's purse in his car, it was taken to headquarters for safekeeping.

The purse was opened and found to contain $49. It was placed on a sergeant's desk at the rear of the office at about 1:30 a.m. When it was next checked around 9:30 a.m., the money was missing.

The purse should have been locked up, the CHP captain admitted. He said it would have been possible for a casual visitor to the office to have taken the money.

Prisoner, Nearing Parole Date, Dies

An autopsy was to be performed today on the body of Glenn W. Teague, San Quentin prisoner who died Saturday in his cell.

The convict was 36 years old. He apparently died of natural causes. He was sentenced to the prison in 1956 for conspiracy to commit forgery in Butte County. He is survived by a wife and three children in Oroville.

Crash Kills Rev. Waiau, Graduate Of Seminary

Word was received today of the death of Rev. Leopold P. Waiau, 37, of Pearl City, Hawaii, who was fatally injured in a head-on automobile collision on March 13.

Reverend Waiau had served for two years as choir director of the First Congregational Church in San Rafael. He was a graduate of San Francisco Theological Seminary in San Anselmo and of Whitworth College in Washington. At the time of his death, he was minister of the Congregational Christian Church of Pearl City, Hawaii.

The Waiau car collided with another that had jumped a road divider near the Nuuanu Pail Tunnel outside of Honolulu.

The 37-year-old minister, his wife and three sons were taken to St. Francis Hospital in Honolulu, where Reverend Waiau died an hour after the accident.

Mrs. Waiau, the former Hawea Brown of Hilo, suffered a possible skull fracture, a fractured right arm and laceration of the scalp. Kaina, 6, suffered a fractured left leg, possible skull fracture, internal injuries and scalp cuts. Kaimi, 5, suffered internal injuries, scalp cut and eye injury. Kaleo, 3, was bruised.

Donations to a memorial gift to be sent to Mrs. Waiau may be mailed to Lee Dunning of 110 Birch way, San Rafael, or to John Thompson Jr., of 120 Laurel avenue, San Anselmo.

Stinson Ranch Caretaker Found Dead

The 72-year-old caretaker of White Gate Ranch at Stinson Beach was found dead yesterday noon, lying in a pig feeding trough.

Coroner Frank Keaton said that Cornelius Sullivan, 72, apparently died of natural causes.

The man's body was found by a passer-by, Sgt. Marvin Lee Miles of the 666th Aircraft Warning and Control Squadron of Mt. Tamalpais. Keaton said the airman, a resident of the ranch, had not seen Sullivan since Thursday and started a search. He spotted the man's body while walking past the pig pens.

Keaton said Sullivan apparently had been dead for a day or two. A fence atop the trough kept the pigs away from the body.

Keaton said an autopsy has been performed but the results will not be known for several days.

The owner of the ranch reportedly is Joseph Fagundes of Lucas Valley.

The body was taken to Russell and Gooch funeral chapel of Mill Valley.

Isak Muckenbrun Of San Rafael Dies

Just before 1940 the Muckenbruns fled Vienna and went to the Philippine islands. They spent 10 years there during the Japanese occupation, then came to San Francisco, where he operated the Vienna Photo Studio until retiring two years ago.

Funeral arrangements are pending at Chapel of the Hills, San Anselmo.

Funeral arrangements will be made by Sorensen Funeral Home of Petaluma.

3 Tries Fail To Save Youth Wedged In Cave

BUXTON, England (AP) — Three attempts to pull an unconscious college student from a cavern crevice 1,000 feet underground failed today. Rescue workers feared he was near death.

Three times members of a 70-man rescue team got a rope around the 20-year-old youth. Each time it snapped when they tried to yank him out of the funnel-shaped cleft where he was jammed 40 feet down.

Neil Moss of Oxford University was wedged in by his shoulders 40 feet down a funnel-shaped cleft some 18 inches wide in places. The cleft, about a mile and a half from the mouth of Peak Cavern, lies at the end of a 400-foot-long, two-foot-high corkscrew-shaped tunnel named the Devil's Hole.

Moss was trapped yesterday while exploring the cave with a party from the British Speleological Assn.

Heavy Quake Hits Nevada, No Damage

RENO (AP)—A heavy, rolling earthquake hit a wide area of western Nevada last night but police said there was no report of damage.

The temblor registered strong enough on the University of California's seismograph at Berkeley to have caused damage in the immediate area. It struck at 11 p.m. and lasted 20 minutes.

Seismologist Dr. Don Tocher of Berkeley said a preliminary survey indicated the quake centered in a remote region between Winnemucca, Nev. and the Idaho border.

The Nevada Highway Patrol dispatcher at Carson City described the quake as a heavy roll. It caused a door in the building to swing and shake for about 20 seconds. Carson City is 200 miles southwest of Winnemucca.

Similar reports came from officers here and in Lovelock and Fallon, near the center of a ground-cracking quake in 1954.

Sheriff's deputies in Winnemucca said nothing was felt there.

The quake registered 6.75 on the Richter scale on which the San Francisco disaster of 1906 registered 8.25.

Improvement Of Sausalito Play Facilities Urged

The Sausalito Recreation Commission has received a committee recommendation that the city and school district undertake a five-step capital improvement program in the 1959-1960 fiscal year for recreational facilities.

Installation of a sprinkler system at Bayside School field (now almost complete); improvement of Richardson Bay School tennis courts and construction of a handball court; installation of a sprinkler system at Bayside Park; installation of automatic lighting clocks at Christ Church and Central School playgrounds, and erection of permanent bleachers at Richardson Bay and Bayside Schools make up the five steps suggested by the committee headed by Robert C. La Fontaine.

He proposed also that the commission consider closing the tiny Third street park due to lack of use.

The commission authorized ending the Bayside evening recreation program due to lack of support. It took no official action on the current sandspit discussion. La Fontaine, however, will represent the commission at the April 7 city council meeting when the sandspit proposal will be up for consideration.

Fairfax Driver Held In Hit Run

Joseph Bayer Loewy of Box 307, Fairfax, was booked at county jail yesterday afternoon on charge of misdemeanor hit and run driving after he allegedly left the scene of a minor accident at Fifth avenue and Nye street, San Rafael.

William Isaac Lamm of 219 Summit drive, Corte Madera, told police Loewy's pick-up truck struck the rear of his car at the intersection and then drove off down Nye street. He said the truck then hit the right side of his car as he caught up with Loewy a few blocks later on Mission avenue.

Loewy told police the other driver appeared to want to start a fight over the accident and he left.

AF Can't Find Nose Cone

CAPE CANAVERAL, Fla. (AP) — A highly advanced ICBM nose cone fired 5,000 miles through space was lost for good in the Atlantic today.

The Air Force abandoned the little cone to the depths after a two-day search wound up yesterday with no results.

A huge Thor-Able rocket blasted the cone close to the intercontinental range in about 30 minutes early Saturday, but a fleet of C54 planes and ships failed to find it.

It was learned that a malfunction in the recovery package, probably the tiny radio transmitter, stymied the recovery efforts.

POPE JOHN TO WASH FEET OF 12 POOR MEN

VATICAN CITY (UPI)—Pope John XXIII will wash the feet of 12 poor men of Rome in Holy Week ceremonies at the Basilica of St. John in Latean on Thursday.

It will be the first known time in recent church history that a Pope has carried out the washing ceremony of Maundy Thursday which recalls the time Christ cleansed the feet of his disciples.

Generally, the ceremony is carried out by bishops or archbishops in cathedral churches.

After the ceremony Pope John will recite the Lord's prayer and conclude: "That as here the outward stains are washed away for us and by us, so the inward sins of us can be washed away by thee."

Nuptials Hinted For Soraya

ROME (UPI)—Former Queen Soraya of Iran arrives here today with her mother, and Rome Society waited breathlessly to see if they would call on Italian Prince Raimondo Orsini and his mother.

Rumors of a romance blossomed when Soraya, 27, and Orsini, 27, held hands on the ski slopes of Switzerland. Northern Italian newspapers said flatly they would be married. Rome newspapers merely hinted at it.

The rumors received a boost when Orsini visited Germany where the former Persian queen lives in Frankfurt with her mother. They received another boost when it became known the ex-queen had taken rooms two blocks from the Orsini palace.

Orsini is a member of one of Italy's noble families with a title that dates back to 431 A.D. The family has supplied the Roman Catholic Church with five popes, 21 saints and 40 cardinals.

Mill Worker Believed Killer Of Family Of 4

ANNAPOLIS, Md. (AP)—Anne Arundel County police are working on the theory that an itinerant sawmill worker may be the killer who wiped out a Virginia family of four.

Chief Wilbur Wade said last night all three sites involved in the mass slaying—Mineral and Fredericksburg, Va. and Gambrills, Md.—are located near sawmills.

FAMILY DISAPPEARS

Carroll V. Jackson Jr., 29-year-old feed truck driver, his wife and two daughters disappeared the night of last Jan. 11 as the drove to their Mineral home after a visit with relatives.

On March 5 the bodies of Jackson and his 18-month-old daughter, Janet, were found by two men gathering sawdust from a lumber mill pile in Spotsylvania County, two miles west of Fredericksburg.

GRISLY DISCOVERY

Last Saturday the 10-week search for the other members of the family came to a grisly end when the bodies of Mrs. Jackson, 27, and her 5-year-old daughter, Susan Ann, were uncovered in a shallow grave at Gambrills—about eight miles west of here.

Two teen-age boys hunting near the Army's sprawling Ft. Meade reservation made the discovery.

SAME KILLER?

Wade said he was convinced the killer of the Jacksons was the same person who killed Mrs. Margaret Harold in June, 1957. Her body was found about half a mile from where the bodies of Mrs. Jackson and her daughter were found. The murder has never been solved.

Mrs. Harold was with an Army sergeant, Roy Hudson, who said a "bushy haired" man forced his way into their parked car and shot Mrs. Harold, shot at the sergeant and then escaped in a 1947 green Chrysler.

A Virginia State Police investigator said that another Mineral family had been forced off the road by a busy haired man but escaped. It was believed the Jacksons also were forced off the road.

Car Hit Twice Within Minutes

Two persons were treated for minor cuts and bruises at Marin General Hospital yesterday following an accident on Highway 101 at Madera boulevard in Corte Madera.

The California Highway Patrol reported a car driven by Elaine Eleanor Pohl, 19, of Pasco, Wash., was struck from the rear while southbound on 101 by a car driven by Audley Martin Redlin, 29, of 57 Bayview avenue, Mill Valley. The Redlin auto then pulled to the shoulder and the Pohl car was struck the second time from the rear, this time a car driven by Robert Randolph Wakefield, 59, of Sebastopol. The Pohl car was listed as totally demolished.

Wakefield, and his passenger Ida Horn, 84, of Sebastopol were treated for cuts and bruises.

Redlin was booked on charges of drunken driving and driving without glasses.

Boy, 14, Shoots Sister: 'Don't Know Why'

SAN FRANCISCO (UPI)—A 17-year-old San Jose State coed was in serious condition at San Francisco Hospital today, the victim of her brother's unprovoked shooting spree with a .22 caliber rifle.

The victim, Joan Dudak, awoke with a shudder yesterday when her brother, Ronald, 14 shot in her in the abdomen. Ronald put another bullet in the chamber and shot her in the arm, then walked back to the living room and resumed putting golf balls.

His sister stagged out of the house to the street. Ronald walked next door and told a neighbor that "someone's shot my sister."

After changing his story several times, the boy finally told inspectors that he had shot his sister.

"But I didn't do it on purpose," he said. "I did it all right, but I don't know why. I don't remember all the details."

Doctors said Miss Dudak would recover.

Tibetan Revolt Spreading, Say Taipei Reports

TAIPEI (UPI) — The anti-Communist revolt in Tibet has spread to Communist China, a Nationalist Chinese cabinet member said today. He urged the anti-Communist world to assist the revolution lest it become another Hungary.

The official was Li Yung-Hsin, chairman of the Nationalist government's Mongolian and Tibetan Affairs Commission. He told United Press International the uprising had spread across the border to the Chinese provinces of Sikang and Chinghai. Sikang also borders India.

STREET FIGHTING

Li made the statement shortly after Indian Prime Minister Jawaharlal Nehru told Parliament in New Delhi today that street fighting broke out in the Tibetan capital of Lhasa. Nehru expressed concern for the safety of the Dalai Lama whose whereabouts are now unknown.

Nehru said the situation in Lhasa later became quiet. He expressed hope the Dalai Lama was safe and that the present tense situation will be resolved peacefully.

Nehru also disclosed that the heaviest fighting broke out last Friday in the capital when rumors spread through Lhasa the Chinese Communists planned to kidnap the Dalai Lama, spiritual and temporal ruler of the mountain kingdom.

The Chinese official gave no sources for his report the revolt had spread across the border but the Nationalist government is known to have intelligence agents on the mainland who report to Taipei.

SECRET MEETING

Li and other high-ranking Nationalist officials met in secrecy today to study possible steps the Nationalists might take to help the revolt. President Chiang Kai-Shek has predicted the Peiping regime would collapse from internal revolt and officials have hinted they would send troops to the mainland when a revolt does break out.

The independent Taipei newspaper United Daily News predicted today the "regional fighting for freedom soon will lead to a nationwide uprising."

Nasser Lambastes Kassem As Quitter

CAIRO (AP)—President Gamal Abdel Nasser has accused his rival, Iraqi Premier Abdel Karim Kassem, of committing the Arab sin of refusing to aid in "a fight to the finish" against Israel.

In another fighting speech broadcast from Damascus, the president of the United Arab Republic castigated Kassem and Soviet Premier Nikita Khrushchev, whom he called Kassem's backer.

For the first time Nasser asserted the Soviets' ultimatum had nothing to do with halting the British-French-Israeli attack on Egypt in 1956.

He said fighting had stopped before the Soviet ultimatum arrived Nov. 6, 1956. He also said the Soviets gave Egypt no aid during the Suez fighting, and that they had not supported last July's Iraqi revolution against the former pro-Western regime.

The Soviet Union threatened Britain and France with its atomic power on Nov. 5. Britain and France ordered a cease-fire in the Suez war Nov. 7. In the West, American opposition to the war and not the Soviet threat was generally believed responsible for the decision to end hostilities. But the Arab world, led by Nasser, gave most or all of the credit to the Soviets.

Nasser said the Israelis launched a series of attacks on the Syrian frontier late last year and that he anticipated an all-out attack.

To meet such an attack, he continued, he planned a fight to the finish and asked Kassem to send troops to help, but Kassem refused, Nasser asserted.

"With the deterioration in U.A.R.-Iraqi relations, we knew we would be alone if we entered a conflict with Israel," he added.

Priest To Mediate San Jose Strike

SAN JOSE (UPI)—Representatives of the San Jose Mercury and News and striking pressmen and stereotypers were scheduled to meet with the director of the Santa Clara Youth Council today in an attempt to end their dispute.

Father Walter Schmidt, S.J., agreed last week to help mediate the strike, which is now in its 40th day. He met informally with both parties earlier but reported no progress.

The two unions walked off their jobs last Feb. 14 in support of wage demands the newspapers declined to meet. The papers suspended publication, declaring that other union employees refused to cross the picket lines. The non-striking unions claim they were locked out.

Fireballs Spotted In New Zealand

WELLINGTON, New Zealand (UPI) — Two fireballs swept across the sky over New Zealand's North Island yesterday. One of them crashed into the sea about 90 miles offshore and set up a shock wave that rocked buildings along the eastern coast.

I. L. Thomsen, director of the Carter Observatory here, said the objects obviously were too large to be man-made satellites or rockets and probably were meteors, one of them of gigantic proportions.

School Board In Sonoma Eyes Mergers

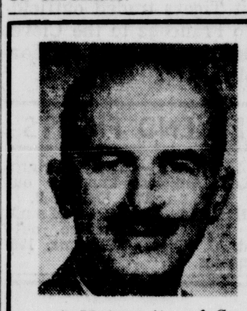

The movement toward unifying school districts is not limited to Marin County, as evidenced by action taken last week by the Sonoma County Board of Education.

The board has called for a meeting with that county's committee on school district organization to discuss the possibility of unifying 28 rural school districts. The action was taken after Dr. DeForest Hamilton, county superintendent of schools, charged that many small districts were inadequate.

"The county committee has from time to time indicated that this county could probably be reorganized into six or seven unified school districts," said the superintendent. That should be the final objective, he added, for the most efficient organization of education.

"The committee," he asserted, "agrees with findings of educational authorities that better education can be given in groups sufficiently large to provide programs in fully graded schools."

Headaches Called Pain in Neck

by Dr. Robert W. Pearce

A University of Southern California professor of neuro-surgery says that headaches are actually pains in the neck. What the professor means is that the most common cause of headache is neck sprain.

You see, there are twenty-four bones known as vertebrae in your spine. These vertebrae are somewhat moveable. A fall, a minor accident in which the head is snapped out of position or even poor posture can cause a slight misalignment of one or more vertebrae.

The headache results because nerves branching out from the spinal cord are pinched by the moveable vertebrae. A headache, of course, is really only one of nature's warning signs that something is wrong.

Nerves pinched by vertebrae can cause many serious ailments besides headache. Nerves flow down the spine to all cells, organs and muscles of the body. Your body cannot function properly when nerves are pinched. A proper supply of nerve energy is needed for health.

Chiropractors are well-trained in removing such nerve interference.

For additional information on Chiropractic care (Palmer Method) write Dr. Robert W. Pearce at 1628 Fifth avenue in San Rafael, or address a card or letter to Dr. R. W. Pearce in care of Independent-Journal Box 725, or call GL 3-6201. Advertisement

Newell Explains Formula That Won National Title

Credits Endurance, Depth As Keys To Cal Strength

BERKELEY (AP) — Run in the Fall, develop a bench and hound the man with the ball is Pete Newell's success formula.

The record will show it works for the handsome, voluble coach of California's NCAA basketball champions.

He's had a Pacific Coast Conference champion the past three years. In 1949, he coached the University of San Francisco to the National Invitational Tournament title in New York.

Pete, 43, starts the season by sending his players on cross country runs. Last fall, the pacer was Don Bowden, Cal law student and only American to run the mile in under four minutes.

"It's uphill running and that type of running strengthens legs," Newell says. "It pays off when the boys get into those consecutive weekend games."

Bench development comes during the pre-conference games.

"It's important to win a majority of those games, but it's equally important to develop a squad with balance and length. You take a chance and let the players react under pressure," adds Newell, an inveterate towel chewer when he's under pressure.

"We give the kids a chance to develop themselves . . . get confidence. And it paid off. We've been relying on 9 or 10 men all year."

Newell's Bears gave up a miserly 50 points a game this season in compiling a 25-4 average.

TIGHT DEFENSE

The Bears play a tight man to man defense. Newell doesn't like a zone type.

His players, however, don't watch only their man. It's their job to watch the ball, help the teammate hounding the man with the ball.

"Our kids like to play defense," Newell contends.

"We have the type of boy who is unselfish," the coach declares. "He thinks first of the team. The players realize the importance of stopping the other fellow and take pride in doing it.

"Some of our boys could be big scorers if we concentrated on them. But we feel that when you put everything on one boy you inhibit the rest of the team.

"In this tournament when we needed a scorer we got one. Darrall Imhoff and Al Buch Friday night (22 and 18 points), Denny Fitzpatrick, Bob Dalton and Jack Grout Saturday night (20, 15 and 10).

"Some of these fellows could score 30, maybe 32 points in a game. But if they did it's not likely we'd be where we are."

Almost as satisfying as the big trophy to Newell was the fact that West Virginia during the first half brought the ball down court eight times without getting a shot.

"They made the errors," he said, "but don't forget we got them to mishandle."

NCAA FINALS

Cal Defense Gives Coast New Prestige

LOUISVILLE, Ky (UPI)—Defensive basketball, especially as played on the West Coast, took on new prestige today as California's ball-hugging Bears carried home the NCAA title on the strength of a 71-70 thriller over West Virginia in the finals here Saturday night.

The defensive side of the collegiate game has been making a slow comeback in the past two seasons from the days when most teams were content to have their defense described as "a wave, a shout and a dirty look."

The scoring average per game has sloughed off 10 points since it reached a high of 146.5 (both teams) in 1956 and 1957, and with the new limitations placed on the dribbler this season, California slow-gaited to the national title by holding its opponents to just over 50 points per game.

SUPERIOR PLAY

Even though West Virginia, with Jerry West alone getting 28, rolled up the season's highest total allowed by the Bears, it still was California's error-free, deliberate attack and clinging man-for-man defense that proved superior to the Mountaineers' style of run and shoot in the showdown.

West Virginia Coach Fred Schaus in defeat gave all the credit to his coach rival Pete Newell for "coming up with the best defensive club we've seen all season."

It took the Bears 10 minutes to set those defenses in the title game as West Virginia streaked to 23-13 lead in the first nine minutes. But the Bears doggedly played the game they knew best, and held the Mountaineers to a single field goal for the rest of the half.

That gave California the 39-33 halftime lead, and when West collected a fourth personal foul early in the second half, the issue was sealed, even if West Virginia did refuse to concede it.

BEARS COOL

Trailing 69-64 with two minutes to go, West Virginia came within a point of tying it up when Bucky Bolyard sank two free throws and West got a basket on a goal-tending call.

But the Bears played it cool, worked the ball around West Virginia's zone defense until they finally got it in 6-10 center Darrall Imhoff, who missed his hook shot, but tapped in the rebound for the game winning basket.

It was a well-earned triumph for a team that had come from the coast almost unknown, and certainly the dark horse of the tournament, to give the Pacific Coast Conference its first NCAA title since 1942.

Cal Win Touches Off Riotous Celebration

BERKELEY (UPI)—This campus was nearly back to normal today after two days of riotous celebration touched off when the University of California basketball team captured the national title Saturday night at Louisville, Ky.

Almost the second the final whistle sounded on Cal's thrill-packed 71-70 win over West Virginia in the finals of the NCAA tourney, the bells of the Campanile rang out "Cal Fights On."

Over 1,500 students immediately assembled at a victory bonfire in the Greek Amphitheater, and then thousands of others poured through Berkeley in a milling victory party which kept the town awake through most of the chilly night.

The hysteria crossed the bay yesterday when 5,000 fans welcomed the team home at San Francisco International Airport, despite a light drizzle.

Coach Pete Newell disembarked carrying the four-foot high statuette emblematic of the national title. He was followed by his 15 player squad.

As the group came down the ramp, the crowd roared, balloons soared, and a multitude of banners were unfurled proclaiming the magnificence of Coach Newell and his defense-minded charges.

The scene shifted to the baggage room where a pep rally was held on the spot.

A motorcade of hundreds of car escorted the team across the bay to the university campus where another giant celebration was held at the gymnasium.

The Bears were underdogs at Louisville, but swept to their first title by downing Cincinnati 64-58 Friday and beating West Virginia on Saturday.

Prep Baseball Tournament Is Postponed

Marin County High School Baseball Tournament, scheduled to open today with three games at Albert Field in San Rafael, has been postponed because of the rains and wet grounds.

Coach Ray Bell of Tamalpais, the host school, said the first round games would be played tomorrow, if posibble, at 4, 6:15 and 8:30 p.m. with the finals scheduled Wednesday.

Today's tournament play was postponed by officials at 10 a.m. when rains continued to dampen the field.

Entered with Tamalpais are San Rafael, Redwood, Drake, Marin Catholic and George Washington (San Francisco) high schools.

Tamalpais is the defending champion.

Penn Stater Top Gymnast

BERKELEY (AP) — The next step in NCAA king Armando Vega's quest for national gymnastic honors comes in May in Los Angeles, hometown of the Penn State senior.

The 22-year-old athlete led his team to a record point total Friday and Saturday in capturing the NCAA team title here. It was the Nittany Lions' fourth championship in seven years.

Top collegiate gymnasts such as Vega, Don Tonry of Illinois and Art Shurlock of California will compete in the national AAU meet which begins May 1

In the collegiate competition, Vega won the all around title, still rings and parallel bars. He placed in seven events and got seconds in both free exercise and flying rings.

The Nittany Lions copped six of the 10 first places and scored 152 points to 87½ for Illinois and 81½ for California.

Vega's teammates hung up three other victories. Jay Werner won on the flying rings, Don Littlewood in the rope climb and Dave Dulaney in tumbling.

Tonry took the free exercise.

Michigan's Ed Cole won on the trampoline, California's Art Shurlock the sidehorse and Stan Tarshis of Michigan State in the horizontal bars competition.

RIGNEY BACK IN UNIFORM

PHOENIX (AP)—Bill Rigney, manager of the San Francisco Giants, finally is back in uniform.

Injured in an automobile accident last month, Rigney came to training camp late and has been directing his team clad in straw hat, sport shirt and slacks.

He shed the civilian garb yesterday for his familiar No. 18.

Joy In Phoenix! Giants Snap Slump; Mays Back In Uniform

PHOENIX, Ariz. (UPI) — The San Francisco Giants took a break in their Cactus League activities today, but all was smiles around camp.

For one thing, the team had broken its slump and won a ball game. They powered past the Cubs, 10-7 yesterday with most of this year's probable first-string providing the key stickwork.

A good crowd of 4,457 saw the Giants explode for five runs in the third inning and coast home.

Felipe Alou whacked two homers while Andre Rodgers, who has been on a week-long hitting binge, slugged a two-run fourmaster.

Mike McCormick, the Giants' 20-year-old pitching veteran, continued to shine in a seven-inning stint on the mound. He gave up three runs on five hits.

ROOKIE SHELLED

Rookie Frank Funk took over and was shelled hard. One of the blows against him was a pinch-hit homer by the legendary Ernie Banks. Dom Zanni took over for the Giants and quelled the blaze.

Speedster Jackie Brandt returned to the lineup after being out two weeks from the after-effects of nasal surgery. He thumped a single and drew a walk in two trips to the plate.

The game was a contrast to Saturday's contest, which was another slugfest, but which found the Giants on the short end of a 7-5 score to Cleveland.

A wild eighth inning by the erratic relief pitcher Joe Shipley was fatal to the Giants, who outhit the enemy 12-8. The Giant bombardiers were in good form with Orlando Cepeda and Bill White collecting home runs and Rodgers collecting three hits.

The major reason for joy in camp today, however, was the return to action of the most giant Giant of them all, Willie Mays.

Mays required 35 stitches when he suffered a cut shin March 12, and he has been impatiently recuperating since. He wore a protective pad taped to his leg as he tore into batting pitchers yesterday, bouncing liners off the walls with gay abandon.

"I didn't feel any pain at all," he said after his final trip to the batting cage. "I think I'll be able to play in a week."

The Giants will face Boston tomorrow. Manager Bill Rigney has named Jack Sanford, Gordon Jones and Shipley as probable pitchers.

College of Marin's four-game victory streak in the Golden Valley Conference baseball race came to a screeching halt Saturday when the Yuba J.C. 49ers humbled the Tars twice, 9-2 and 2-0, at Kentfield.

49ERS PLAY ROUGH BASKETBALL, TOO

Series of photos by Jim Kean show a rough battle when the San Francisco 49ers basketball team edged the Dugout Dandies, 66-64, Friday night in San Rafael. Top, from left to right: Ed Henke (75) and Gordy Soltau (82) of 49ers put the squeeze play on Bob Liebe; Bob St. Clair (79), 6-foot-9 giant reaches over and smashes ball away from the Dugout's Harry Meyers; St. Clair puts down head and rushes into outstretched arm of Liebe. In photo at right the Dugout's Al Murray lies moaning on floor after being flattened by a shoulder block thrown by the 49ers' Clyde Conner. Both principals left the game—Murray because he was unable to continue and Conner at the firm request of the officials. The game was sponsored by the San Rafael 20-30 Club.

Don't Overlook Giel; He's Due To Start Paying Off For Giants

CONNOLLY

Boys like Paul Giel have a much wider scope than the boys had when I graduated. I think it must be the broadening influence of TV and radio. I never met Paul or his folks, but I rejoice in his chances of becoming a member of the S.F. Giants pitching staff.

Paul, in case you do not remember, is the young righthanded pitcher who in 1954, in June, joined the then N.Y. Giants.

Giel was a bonus baby, an All-American halfback at the University of Minnesota and at the same time a college pitcher.

At Arizona whenever I tried to look up Paul and chat with him, one of those pesky coaches called him to get warmed up or get running so I left Phoenix with only a nodding acquaintance. And I'm sorry.

Giel has to be good. He's only 27 years of age after having served as a lieutenant for two years with the Headquarters Staff in Germany.

LAST SPRING Giel showed up at Seals Stadium, practically a stranger. He forgot all about his work in 1955 when he qualified as a major leaguer in a relief role, winning 4 and losing 4 while allowing only 70 hits in 81 innings of work.

So it is no wonder when us old squirts get to mentioning pitchers we completely overlook a fellow like Paul on the basis of what he "hasn't done."

In 1958, an off season for Paul, he scrambled into 29 games as a Giant reliever and won 4 and lost 5. He pitched a total of 92 innings, struck out 55 and walked 55 and when things got too rough he was shipped down to Phoenix, Arizona, where he won 5 and lost 3

If PAUL were a loud-mouth and a noisy guy, he'd perhaps cause more attention in camp. But he happens to be a college grad and politeness hasn't gotten him too far in baseball. So it looks like Paul Giel, a fellow with a barrel full of courage, one of these days is going to rare up on his hind legs and dish out some of the stuff he did while traipzing on the gridiron and which earned him a top flight berth as an All-American.

This might not be Giel's year with the Giants, but the Giants are not thinking of trading him off. They're hoping he catches some of the fever that such guys as Orlando Cepeda, Jimmy Davenport and Jack Brandt have. And when he does, the rest of the pitching staff will have to move over.

Giell deserves a place on the Giants staff. They paid a tidy sum for him and figure they made a good investment. I hope they cash in on it pretty soon.

IN SPEAKING of Giel and his politeness, I'd like to mention a young catcher with the Giants who is likely to be heard of, one way or the other, before very long. I have in mind Al Stieglitz, who was with Corpus Christie last year and caught in 109 games and clubbed the ball for a .290 count.

Steeg-litz, as they pronounce his name, hails from Columbia, South Carolina, is 25 years of age, bats lefthanded, weighs 200 and climbs into the sky for six feet three inches.

Stieglitz is the direct opposite to Giel. He is a chatter box, peppery and all the time screaming or racing wildly around the infield. He's the first guy up and last last guy down. And he loves it.

Celtics Take Lead In NBA Playoffs

By ASSOCIATED PRESS

The Boston Celtics held a 2-1 lead over the Syracuse Nationals in the Eastern Division while the St. Louis Hawks and the Minneapolis Lakers were all tied at 1-1 in the Western Division today in the National Basketball Assn. semi-finals playoffs.

But a main concern was the talk of possible dissension on the Nationals between Coach Paul Seymour and scoring ace Dolph Schayes.

Both deny there is anything to the report, but in Sunday's 133-111 loss to Boston, Schayes sat out more than half the game.

"I took him out midway in the second period and put in Togo Palazzi because Togo is an aggressive type player who can sometimes catch fire," said Seymour.

Seymour and Schayes both said the Syracuse scoring star suffered a momentary blackout in Saturday night's 120-118 victory over the Celtics at Syracuse. Seymour added that Schayes' wife had told him Dolph is occasionally bothered by double vision.

RAMSEY STARS

Frank Ramsey came off the Celtics' bench to score 15 of his 24 points in the second period. The Boston surge put the game out of the Nats' reach.

Boston had a slim 31-27 first quarter margin but at halftime it was 64-45. Schayes, despite his limited action, wound up as the Nats' top scorer with 21 points.

In the Western Division, the Hawks got off in front at home Saturday by downing the Lakers 124-90 but they bowed 106-98 when the series shifted to St. Paul Sunday.

Minneapolis, which won only 4 of its 12 games with the Hawks during the regular season, chalked up its victory with Elgin Baylor scoring 33 points. Bob Pettit had 22 for St. Louis.

Casey Decisions Williams, Keeps State 160 Title

RICHMOND (UPI) — Hank Casey, of San Francisco, pounded out a unanimous 12-round decision over Al (Tiger) Williams, of Los Angeles, at the Richmond Auditorium Saturday night in a successful defense of his state middleweight title.

The victory squared the account between the two fighters, Williams having defeated Casey two months ago.

Casey, 159, closed Williams' left eye in the second round and was in command the rest of the way. Williams, who weighed in at 157, was never able to get started against the elusive San Francisco battler. There were no knockdowns.

The win gave Casey a 21-5 record.

REDMEN DOWN BRADLEY

St. John's Must Rebuild NIT Champion Powerhouse

NEW YORK (UPI)—Graduation will wreck St. John's newly-crowned National Invitation Tournament champions, but Coach Joe Lapchick is expected to build another basketball powerhouse next season around "most valuable player" Tony Jackson.

Jackson, the sophomore sensation who scored 21 points and grabbed 27 rebounds in the Redmen's 76-71 overtime win over Bradley in Saturday's nationally-televised finale, is the only St. John's starter returning next year.

Gone will be little Alan Seiden, who was a unanimous choice along with Jackson today on the all-NIT team picked for United Press International by 16 sports writers who covered the 12-team carnival at Madison Square Garden.

But Jackson will be back, and that alone seems to guarantee the Redmen a top-flight team for next season. At tourney's end, observers were widely predicting future All-America honors for the six-foot, four-inch jump shooter who had a total of 81 points and 76 rebounds for four tourney games.

To back up Jackson, St. John's will have members of the most successful freshman team in its history—a squad that rolled up a 24-0 record and includes a six-10 center, Leroy Ellis, and Willie Hall, one of the nation's most coveted high school players last year.

Named to the All-Tourney team along with Jackson, Seiden and Louie Roethel of St. John's were Bobby Joe Mason of Bradley, Cal Ramsey of New York U., and Lennie Wilkens of Providence. Second team selections were Joe Billy McDade and Mike Owens of Bradley, Jim Peay of Denver and Bob Ferry of St. Louis.

Phil Hill Wins At Sebring; Eyes World Racing Crown

SEBRING, Fla. (AP) — America's hope of producing a world automobile road racing champion could come true this year.

Phil Hill, 31, of Santa Monica, Calif., teamed with Oliver Gendebien of Belgium to win the 12-hour Sebring Sports Car Endurance Race Saturday and prove again that he can match nerves and ability with any European.

Hill and Gendebien drove one Italian Ferrari to a mechanical breakdown, then switched to another and sped on to finish first by five miles after traveling 977.6 miles over a hazardous, rainswept course.

Jean Behra of France, one of Europe's best road racers, and Cliff Allison of England made a desperate effort in another Ferrari to overtake the leading car but couldn't cut down its margin.

Hill is the only American in serious contention for the world title vacated by the recent death of Mike Hawthorn of England. Hawthorne won the 1958 championship following the retirement of Juan Fangio of Argentina, who had been unquestioned king of road racing for five straight years.

The Sebring race was for the sports car manufacturers. It was one of six around the world in which the factories can earn points toward the championship now firmly held by Ferrari. The next of these races will be the Targo Floria in Sicily May 24.

Drivers win points in another series of races. The first one this year will be in Monaco May 10.

The Sebring race was virtually taken over by Ferrari and Porsche of Germany. These two cars swept the first 10 places, winning five each. Porsches ran 3-4-5 behind the two leading Ferraris.

Aussies Set Record

MELBOURNE (AP)—An Australian foursome, with Herb Elliott running the anchor leg in 4:04.6, clipped five seconds off the world record for the four-mile relay Saturday with a 16:25.6 clocking.

Washington Catcher Courtney Breaks Leg

WEST PALM BEACH, Fla. (AP)—A broken bone in his right leg may keep Washington catcher Clint Courtney out of the lineup from four to six weeks.

Courtney was injured Saturday when Hal Smith of the Kansas City Athletics bowled him over and scored in an exhibition game.

Close Duels Mark Novato Golf Tourney

It will be Nort Dawson against Steve Meuse and K. J. Beard against C. B. Coleman next weekend in the semi-finals of the Indian Valley Golf Club's annual Spring Handicap Tournament at Novato.

They were the survivors of close quarter-final matches over the weekend. Dawson defeated Bill Silver on the 21st hole; Beard went the same distance to down Tom Hardcastle; Meuse edged Al Leach, 1 up on the 18th hole and Coleman defeated Tom Washington, 3 and 2.

Consolation bracket results: Orv Boyer d. Fred Volz, 1 up; H. J. Ross d. Pete Peters, 3 and 1; Bryon Dickson d. H. S. McBride, 1 up; Fred Meyer d. Frank Valim, 3 and 2.

Sparrow Wins At Indian Valley

Bud Sparrow enjoyed one of his best rounds of golf over the weekend, carding a nifty 73 and netting a 61 to win the Indian Valley Golf Club's medal handicap tournament.

Other leaders: Phil Nathan, 81-15—66; Fred Volz, 73-6—67; Warren Smith, 78-11—67; Tony Taveggia, 86-18—68; Orv Boyer, 88-19—69.

Jockey Critically Hurt In Spill At Agua Caliente

SAN DIEGO (UPI) — Jockey Sam Vergara of Mexico City remained in critical condition today at Mercy Hospital from injuries suffered when his mount fell on top of him at Agua Caliente track.

The 29-year-old rider, father of two, went down with his horse, Cupillo, in the last race Saturday at the Mexico track south of here.

Vergara suffered a fractured spinal column in the area of the fifth vertebra and his legs were paralyzed, attendants said.

KING WELCOMED IN SAN FRANCISCO — Ned Jwenait, 10-year-old San Franciscan of Jordanian descent, presents a bouquet of red roses to King Hussein of Jordan at International Airport in San Francisco following the latter's arrival yesterday from Honolulu. Jordan's King Hussein Arrives In Washington

WASHINGTON (UPI) — Jordan's youthful King Hussein arrived today for an informal visit during which he is likely to ask for additional U.S. aid to strengthen his reign.

Vice President Richard M. Nixon and Acting Secretary of State Christian A. Herter welcomed the 23-year-old monarch when he flew in by military plane from San Francisco.

Highlights of the king's five-day stay will include a lunch with President Eisenhower at the White House tomorrow and discussions with the President the next morning.

The royal visitor will crowd in several formal dinners, a reception, ao speech at the National Press Club, and sightseeing. Hussein arrived in San Francisco yesterday after spending five days in Hawaii. This is his first trip to the United States.

U.S. officials expected the King and his Prime Minister Samir Rifai to ask for a substantial hike in American aid to help the desert kingdom overcome a severe drought which has caused widespread unemployment and some popular discontent.

The Jordanians also were likel yto request more military aid to strengthen their army. The king, who brought along his agriculture minister Akef El Fayiz, probably will suggest additional shipments of U.S. food to his economically-weak country.

Muir Woods Assn. Fetes Early Member

Mrs. Edna L. Moulton, a leading member in Muir Woods Park Improvement Assn. for about 20 years, was honored Friday on the eve of her departure from Marin County.

She was toasted at the bimonthly meeting by club members, who presented her with flowers and other gifts.

Mrs. Moulton, one of the club's early members, served in many capacities, including secretary, treasurer and director. She first visited the Muir Woods area in 1912 as a hiker. She became a resident in 1940.

Jacques Nadler, an association director, was resigning because of pressure of work, announced Mrs. Nadler. Her husband was not present.

Appointed to replace him was James K. Del Secco, San Francisco diaper service delivery man.

The 75 members in attendance were told that the new Marin County Fire Department station will be located near Mountain Home Inn and that work would be completed by July 1, Arthur K. Smart reported.

The station will house three pieces of equipment and four full-time employees.

Manhunt Begun For Man Who Killed Girl, 9

SPOKANE (UPI)—The ravished body of 9-year-old Candice (Candy) Elaine Rogers was found yesterday. Police pressed a search for her killer who abducted her March 6 as she sold Campfire Girl mints in her neighborhood.

The little girl's body was found covered with pine boughs in a remote area 12 miles northwest of here.

Her legs were tied together at the ankles with parts of her own slip.

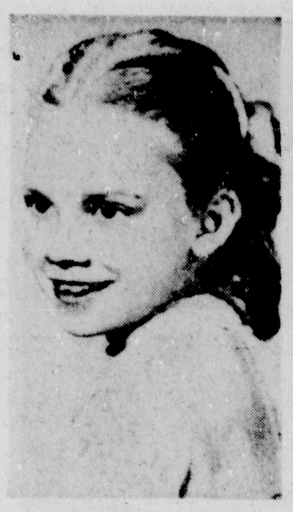

Coroner William Jones said the girl, daughter of a divorced couple, had been raped and that death was due to strangulation.

Parts of her slip were found around her throat. The body, fully clothed except for her shoes and red leotards, was covered with underbrush except for one knee. Jones said death probably came on the night she disappeared.

Detectives James C. Spencer of the Spokane Police Department said there were no clues to the murder. "There was nothing in the discovery of the body which would indicate who did it," he said.

Officers were led to the remote area late Saturday night when two airmen hunting in the vicinity found a pair of shoes belonging to the little girl. The search was resumed early yesterday morning in the area in which the shoes were found, and the body was discovered about 20 feet away covered with pine needles.

The victim's mother, Mrs. Elaine Rogers, collapsed when told of her daughter's fate. The girl's father lives in Milton-Freewater, Ore.

Gros Presents Intimate Glimpses Of Great People In Guild Talk

Members and guests of St. Stephen's Guild in Belvedere were recently treated to a wonderful pot-pouri of intimate glimpses into the live of great people when Robert Gros, vice president of the Pacific Gas and Electric Co., spoke to the group at its bi-monthly meeting in Whitaker Hall.

Gros collects interviews with people in the same manner many people collect stamps or rare coins. Since high school he has been engaging in this interesting avocation, always seeking to learn the common elements of greatness. Two characteristics he especially mentioned, humility and a sense of humor. The truly great, he said, have no need to put on airs; only the pseudo-great find it necessary. Nor it it necessary to be a celebrity to be great. He particularly recalled a village chieftain in the Philippine Islands whose selflessness made him a great man in the eyes of Gros.

But it was to the celebrities that Gros devoted the major portion of his speech. Father Divine he termed the strangest and most colorful individual he had ever interviewed and described his experiences in attending a meeting of the faithful who believe Father Divine is a diety.

FUNNIEST MEN

The funniest men he knows are Joe E. Brown and Ray Bolger, both of whom have a deeper side. He told of the deep spiritual side of the former, and of discussing Plato's Discourses with the latter one night until 4 a.m. Will Rogers and Irwin S. Cobb were included in this category.

Of the men he has interviewed he chose several for their eloquence. Carlos P. Romulo of the Philippines, who passionately believes in the democracy which we take for granted, was number one on the list. The greatness of Franklin D. Roosevelt, Gros believes, lay in his ability to make an individual feel he was personally interested in that individual. Douglas MacArthur, he said, has a magnificent control of the English language. He told of his interview with MacArthur in which the general described in eloquent terms his return to this country after being away so long. He talked about flying in to San Francisco and seeing the bridges whoch had not been there when he left, and of subsequently flying across the continent. This conversation Gros found to be particularly spine-tingling.

President Eisenhower is amazingly eloquent in private conversation. He has a very warm personality and possesses a quiet dignity, Gros said.

The individual who, Gros believes, has the greatest impact of personality is John L. Lewis. Lewis is amazingly versed in literature and very dignified in an interview until controversial subjects are discussed and then he orates. To Gros he is the "eloquent apostle of private enterprise."

The wisest man he has ever met is Bernard Baruch, a man possessed with a unique common sense. He possesses a deep spiritual seriousness about America and places the preservation of our freedom over the ability to make money. Herbert Hoover, another wise man, has a brain like an encyclopedia, he said.

GREAT WOMEN

Gros stated that there is usually a great woman behind every great man but many women are great in their own right. He mentioned Eleanor Roosevelt, who is a lady in the finest connotation of the word; Clare Booth Luce, the "Beautiful Brain"; Madame Chiang Kai-shek, who is a combination of a gracious lady and and a hard politician; and Gertrude Stein. He met Miss Stain on an airplane bound for Salt Lake City while he was a student at Stanford, and by pretending he could not hear her over the roar of the motors, he acquired several pages in her handwriting of answers to the questions he asked.

Gros feels that he became "a part of all he has met" and through this interesting avocation he has enriched himself.

He and his wife plan to move to the Belvedere Lagoon during the next month from San Francisco.

Mrs. John Hoefer, guild president, presided at the meeting. Mrs. Ronald Simpson, program chairman, introduced the speaker.

MRS. JAMES B. PHIPPS, of Hayward, president of Northern California's School Food Service Assn., chats with model Doris Evans at a recent informal fashion show luncheon, an every Thursday event presented by the Modern Eve Shop of San Rafael, at Bob's of Marin in Corte Madera. Mrs. Phipps' group represents 22 Bay Area school districts, including those of Marin County. They meet monthly at Bob's.

SAN FRANCISCO COUPLE WED IN HOSPITABLE MILL VALLEY

Mill Valley is beginning to compete with Carmel as a place to be married as well as an art center.

Deciding they wanted to be married in a beautiful spot with a romantic setting, Wayne Stewart and Cheryl Lorraine Luke, both of San Francisco, came to Mill Valley yesterday in search of a justice of the peace.

At the service station across the street from the I-J office they inquired of Alex Bardea and Fred Martin where they could find one.

There being none closer than Inverness, they directed them to the Rev. Dr. F. I. Drexler, Baptist minister, who lives nearby. He married them at 6 p.m. with two neighbors acting as witnesses, Mrs. James Hamilton and Mrs. William Muller. Also present were Mrs. Hamilton's two children, Larry and Charlie.

After the ceremony Dr. Drexler sent out for a wedding cake, and Mrs. Hamilton made coffee, and the neighbors, learning what was going on, brought rice and gave the young people the usual send-off.

Stewart is in the moving and storage business in San Francisco, and his bride is a dental receptionist there.

The newlyweds left happily with the remainder of the wedding cake, feeling that Mill Valley is not only a romantic place but a friendly one too.

Wilma Steinert Becomes Bride Of Robert L. Thomas Sunday

Bouquets of white gladioli and stock and candles at the altar and down the aisle decorated St. Paulus Lutheran Church in San Francisco on Sunday for the wedding of Wilma Carolyn Steinert, daughter of Mr. and Mrs. George Steinert of San Rafael and Robert L. Thomas of San Rafael, son of Mrs. Bertha Thomas of Smith's Grove, Ky., and the late D. W. Thomas.

The Rev. G. E. Kirchner officated for the 4 o'clock double ring ceremony.

Given in marriage by her father, the bride wore a traditional white satin gown fashioned with a portrait neckline with a border of Alencon lace sprinkled with seed pearls. It had long sleeves extending in points over the hands and the column-line skirt fell into pleats at the sides and extended into a chapel train.

A three-quarter veil of French illusion extended from a cap of satin, lace and seed pearls, and she carried a cascade bouquet of lilies of the valley, bouvardia, stephanotis and phalaenopsis orchids. Her only jewelry was a string of pearls.

Mrs. Thomas S. Faulkner of Hayward, a Phi Mu sorority sister of the bride, as matron of honor, wore a gown of old rose chiffon taffeta fashioned with short sleeves, square neckline and bell skirt draped to back and caught with a white taffeta rose. She wore a bandeau of old rose and short white gloves and carried a cascade bouquet of violets and pink roses.

Gowned like the matron of honor were bridesmaids, Luise Dreeke of San Francisco, cousin of the bride, and Mrs. Lawrence Lowery of Oakland; Madeline Mitchell of Fresno, and Mrs. Lloyd B. Smith Jr. of Roseville, all Phi Mu sorority sisters.

Little Carol Jean Tomlinson, cousin of the bride and daughter of Mr. and Mrs. Alfred T. Tomlinson of San Francisco was flower girl. She wore a dress of pale pink silk organza styled with Peter Pan collar, short sleeves and full skirt. It had a tucked bodice and large bow sash. She wore a bandeau of pink ribbons and carried a miniature bouquet of violets and pink roses.

John Totten of Stockton was best man and ushers were Donald Dickey of Sacramento, Sheldon Nichols of Novato, Jack Pierce of Palo Alto and Joseph Hodson of Stockton, all fraternity brothers of the bridegroom.

For her daughter's wedding, Mrs. Steinert wore a Dior blue peau de soie sheath with silk-flowered hat in shades of blue with matching accessories. She had a white cymbidium orchid corsage.

Mrs. Sophie Dohemann, of San Rafael, the bride's grandmother, wore a gray lace over satin dress with matching lace jacket and violet hat. She had black accessories and wore a cattleya orchid corsage.

A reception for 350 guests followed the ceremony at the California Club where arrangements were of white gladioli, stock, pink roses and violets. Betty Jean Teigeler of San Carlos, was in charge of the guest book. A buffet dinner was served.

For a wedding trip to Southern California, the bride wore a black and white tweed suit with black accessories and a white phalaenopsis orchid corsage.

The bride, who is also the granddaughter of Mrs. John F. Steinert of Sanger, was graduated from San Rafael High School and attended Mills College. She was graduated from the University of California where she was affiliated with Phi Mu Sorority and Beta Gamma Sigma, honorory business administration fraternity. She is now a teacher at Sir Francis Drake High School.

The bridegroom, whose brother David W. Thomas Jr., resides in Stockton, was graduated from Stockton High School and College of Pacific. He also attended the University of California and UCLA. He was affiliated with Rho Lambda Phi and Theta Alpha Phi fraternities. Mrs. Sarah Jane Dickerson, of Smith's Grove, is his grandmother. He is now on the San Rafael High School faculty.

The couple will reside in San Rafael.

SELECTING a healthy redwood tree for presentation to the new Redwood High School are junior members of Twin Cities Unit 313, American Legion Auxiliary. They are, left to right, Linda Olmstead, Carol Ann Dexter, Donna Wayne, chairman, and Carol Ann Olmstead.

Officer Pays Visit To Tamal Lodge

At the recent meeting of Tamal Rebekah Lodge No. 393 of San Rafael, Mrs. Charles Peterson, district deputy president of District 61, and her marshal, Mrs. William Amos, made their last official visit of their term to their home lodge.

After being welcomed by the noble grand, Mrs. Paul Sproete, gifts were presented to them from the lodge. Mrs. George Beckley presented Mrs. Peterson's gift and Mrs. Edward Kush presented Mrs. Ames with hers. Both were in the form of shamrocks for good luck. Carrying out the St. Patrick's theme, the lodge hall and banquet room were decorated with shamrocks and lephechauns, with a bowl of green carnations on the main banquet table. On the committee was Mrs. Everett Ruhl, chairman, assisted by Mesdames Gladys Horsley, Eli Harrington and Ann Keelan.

Among the guests present were Mrs. Mary Bruni, noble grand of Golden Star Rebekah Lodge of San Rafael, and Mrs. Peggy Dahl, noble grand of Blythedale Rebekah Lodge of Mill Valley, Mr. and Mrs. Miller and Mrs. Moore of Giman, Colo.

Mrs. Mabel Sanford was welcomed into membership in the lodge by deposit of card. She is a past noble grand.

Tamal will hold its next meeting tomorrow at 8 p.m. At this meeting the lodge will present Mrs. Grant Wills with her 50 year pin. Delegates will also be elected for the Rebekah Assembly held in May.

The contestants in the Pilgrimage for Youth sponsored by Odd Fellows and Rebekahs of the U.S. spoke, Cheryll Lynn of San Rafael High School and Maybry Eileen Geller of Drake High School on "My Country and World Affairs."

Committee members for the next meeting will be Mrs. Maurice Picard, chairman, and Mesdames Walter Mazza, Audrey Sheffield and Minnie Randolph.

Gold Star Mothers Preparing For Hawaiian Tour

Members of the Marin Chapter, American Gold Star Mothers, Inc., are preparing for the special California-Nevada-Arizona Department's Hawaiian Tour to immediately follow the Department's convention in San Diego this April, according to Mrs. A. E. Fine, tour chairman.

The eight-day tour will leave April 29 via Pan American World Airways and be headquartered at the Hawaiian Village Hotel. Many distinctive entertainment events have been planned, as well as a Navy-escorted tour of Pearl Harbor and pilgrimage to Pacific National Cemetery in the Punchbowl.

Departures from San Diego, Los Angeles and San Francisco have been arranged for the convenience of Gold Star Mothers, relatives and friends through the Department in joining the San Jose Chapter-sponsored tour.

Brochures may be obtained from Mrs. Estelle Bassett, 1572 Sir Francis Drake boulevard, San Anselmo.

Juniors Give High School Redwood Tree

During the American Legion Auxiliary's community service month, junior members of Twin Cities Unit 313 recently took time out to select a healthy redwood tree for presentation to Larkspur's new Redwood High School.

Chairman of the junior group this year is Miss Donna Wayne of Larkspur who stated, "Some day I will be a student at Redwood High."

Junior groups of the American Legion Auxiliary throughout the state now number 6,077 with major emphasis of work for hospitalized Americanism and Community Service.

Last year the local junior groups joined statewide junior efforts in making a total of 19,011 nut cups and tray favors for the Veterans Administration hospitals located throughout California. Magazines, pocket books, gift shop items and hobby shop equipment also went to hospitalized veterans, as well as hundreds of gifts, toys, tray favors, comic books and scrapbooks to children's hospitals in the state.

A tour of some Marin County manufacturing plant is being planned by Mrs. Edwin Olmstead, who is giving leadership to the activities of Twin Cities junior members this year.

Highway Lawyer Needs To 'Get Word' From Governor

"If any reporter has any trouble with anybody in this administration, I will make a personal issue in seeing that the reporter gets the information he wants.

"I don't believe in government by concealment. My single wish is that every citizen of California know exactly what we are doing and why we are doing it."

That's what Governor Brown told several hundred newspapermen assembled in San Francisco last month for the annual convention of the California Newspaper Publishers Assn.

But some state employees quite obviously haven't "got the word" yet.

One such is a Mr. George Moe, legal advisor in the State Department of Public Works.

Last Friday morning he attempted to prevent the Independent-Journal's courthouse reporter from "covering" a meeting of local and state officials convened to discuss a railroad crossing problem here in San Rafael.

Before the session was over, the mayor of San Rafael had accused State Department of Public Works representatives of "bad faith," so it is understandable why Mr. Moe would prefer to have press and public banned from the discussion.

Fortunately, Supervisors Walter Castro and William Fusselman "put their foot down" in favor of an open meeting. And T. Fred Bagshaw, an official of the public works department and one-time chairman of the Marin County Board of Supervisors, expressed the opinion, too, that the meeting should be "open."

It was open, but only at the instance of Independent-Journal representatives and over the objections of the state official, Mr. Moe.

It shouldn't be that way.

We believe Governor Brown was 100 per cent sincere when he said he doesn't believe in "government by concealment" and that he wants every citizen to know "exactly what we are doing and why."

We hope he will take appropriate steps when this matter comes to his attention.

The Hungry Mole

The mating season of the mole is just past and soon mother moles will bring forth baby moles to carry on their frenzied underground existence.

Frenzied is the only word for it. The mole is always hungry. Each day it must eat its own weight in earthworms and underground insects. It is said that a mole deprived of food for twelve hours dies. No wonder the mole burrows under our lawns and pastures at such a rapid rate, giving little heed to Madam's prize flowers.

The mole is well adapted to its underground life. Partially blind, with powerful digging claws and sharp teeth, this grey-brown, small burrower is aggressive and fearless among the other animals it meets in its tunnels.

Most Marinites don't like moles, and who could blame them after seeing the damage they do to our yards and gardens. Whether those burrows are made by grophers or moles, the lawn's a mess. Little Dirt-Diggers' ways unfortunately interfere with our own.

When we find mole hills in the yard we put out baits and traps like everyone else, but we feel no glee in putting to death this small creature which works so hard just to stay alive.

'EVERY YEAR THOSE CATS GET MEANER'

WHAT OUR READERS SAY

Civil Defense Plan Draws Criticism

EDITOR,
Independent-Journal:

Let's examine the latest ideas on civil defense outlined by county administrator, Donald Jensen.

The new "survival plan," said to be recommended by a federal research team, conceives of billeting 82,000 nonessential civilians in such places as Novato High School, Arequipa Center, Meadow Club, etc., as well as in private homes. These areas are beyond Marin County's "danger line." The Red Cross, the county medical society and the county health, welfare and school departments are currently gathering data on the availability of billeting areas, water supplies, sanitary facilities and medical personnel.

The premise upon which the current exercise is based is that countries friendly to the U.S. will be attacked and that before we become involved, the President will order the evacuation of "danger zones." It is also assumed that evacuees will be safe after they have passed a point "just north of San Rafael and East of Fairfax."

Neither of these assumptions will ever be realities and it is appalling to hear of public officials accepting them without question.

The assumption that any aggressor would give the U.S. a one to five day warning before engaging in hostilities is completely irrational. Not even the clumsiest military tactician would consider this a possibility.

To ignore the data concerning nuclear war so completely as to establish a "danger line," beyond which there will exist a "safe area," is pure dereliction of duty.

It has been demonstrated quite clearly that in the event of a nuclear war, every man, woman and child in Marin County will probably be dead within thirty days.

It seems a criminal extravagance to expend public funds on this futile and false project when our schools cannot afford a few books on the means of achieving peace and our health department cannot afford to monitor the radiation level of our food and water supplies.

GET AT ROOTS OF CRIME

Crime costs $1.11 each year for ever $1 spent on education.

This startling statement was made recently by J. Edgar Hoover, F.B.I. Director, in a speech to the American Bar Association.

Referring to the increasing disregard for authority over the nation, Mr. Hoover advocated "sterner measures," and a more realistic administration of justice which would prevent lawbreakers from exploiting "technicalities and loopholes in the law to defeat justice."

Your personal interest is very much needed in solving the ever growing problem of crime. Remedies are far from simple or easy. But, by the grace of God, it is within the power of each of us to help change this trend for the better. If you and millions of others like you do your individual part to restore respect for the moral law of God to the mainstream of life, you will be getting at the roots of the crime wave.

"Make straight steps with your feet: that no one, halting, may go out of the way, but rather be healed." (Hebrews 12:13)

Help me to persevere, O Holy Spirit, in the never-ending task of promoting good and counteracting evil.

REMEMBER WHEN?

10 YEARS AGO

Eve Curie, daughter of the discoverer of radium and author of the best selling biography of her famous mother, Marie Curie, spoke at San Rafael High School auditorium under sponsorship of Marin Town Hall.

The Methodist Church of San Rafael which was nearing its 100th anniversary launched a drive for funds to complete its new building at Greenfield avenue and Ross Valley drive.

All San Anselmo city employees were given approximately a 10 per cent "cost of living" pay raise by the city council. About 31 persons were affected by the wage hike.

20 YEARS AGO

Chairman Gail D. Apperson urged Marin County Board of Supervisors to go slow in changing operations at Marin County Farm, despite recommendations by the citizens contact committee and the Grand Jury farm committee for drastic changes.

A dispute between Frank Howard Allen, San Anselmo real estate broker, and Thomas B. Deffenbach, southern Marin real estate operator, over the right to use the name "Paradise Cove" for Allen's new subdivision on the Marin bay shore found its way into court.

Harry Ricksecker, executive of the Tahoe Area Boy Scout Council for 12 years, arrived in Marin County to assume duties as executive of the Marin County Council, succeeding the late Ralph H. Worsley.

Graveyard Shift Highway Paint Crew Has Trouble With Drunks

IT'S NOT TOO WELL known that a major portion of the white lines on Marin streets (other than state highways), as well as painted curbs, parking spaces, pedestrian lane markings and other traffic delineations are the work of Mark-A-Line Co., of Sausalito.

Bob Rogers, partner in the firm, told us the other day that their work usually starts around midnight and continues until daylight or until traffic gets too heavy. Biggest headache, he says, is not the weird working hours, but the drunks who have great trouble in comprehending what's going on — especially those who relish driving across the freshly painted lines.

AS A SEQUEL to last week's discussion of the multiplying duck problem on the Belvedere lagoon and the horrifying realization that fraternization is apparent by the increasing number of ducks with nondescript colored feathers, it seems pertinent that late bulletins be reported.

The Belvedere Lagoon Property Owners Assn. has courageously undertaken to cope with the creeping threat to the lagoon's tranquility and, we are told, has officially informed its members that directors have passed a resolution fixing a maximum of only three ducks to be permitted at each end of the lagoon.

The modus operandi was not disclosed.

AT LAST WEEK'S disastrous blaze in Sausalito when the Edgewater Boat Shop was leveled, we saw a small pooch running into the burning buiding, only to be driven back by smoke, heat and streams of water from firemen's hoses. This was repeated any number of times.

Not until three days later did we learn that the dog was "Lucky" who spent most of his daylight hours at the shop. He is owned by real estater Ed Ravizza. What was in progress, says Clyde Kilian, partner in the boat shop, was that the pup was trying to get to his bunk which was destroyed and also to find his pal, "Stormy," a tiny black poodle owned by Kilian, whose adjoining bed was also destroyed.

But there's a happy ending. Neither dog was even singed and plans for a new shop, we're certain, include bunks for the two pups.

AT LAST WEEK'S Mill Valley city council meeting, city manager Al Almcrants read a report on how many of the city's swimming pools were fenced as a result of a new ordinance passed a few months ago at the insistence of Councilman Peter Behr.

The report accounted for 45 pools, with 23 fenced, 19 unfenced, two "isolated" and one under construction. The report also indicates that a former council member is one of the 19 owners who has not yet gotten around to erecting a fence.

There was no mention made as to whether enforcement steps against the 19 are contemplated.

ROSCOE DRUMMOND

Most Significant Debate At This Session Of Congress Is Just Ahead

WASHINGTON — It is time to get ready for the most significant debate and the most fateful decision which will be taken at this session of Congress.

The debate is: whether to seek survival by helping our allies do what they cannot entirely do themselves or to turn into a Fortress America and try to do it all alone.

The decision is: whether to approve the President's "minimum" mutual security program of $4,000,000,000 or to hack it to pieces in order to spend it some other way.

The opponents of the mutual security appropriation are counting on you to be adequately gullible, uninterested, and misinformed, so that it can be slashed with impunity.

The unanimous conclusion of the Draper Committee, a panel of distinguished and knowledgeable Americans who have earned the right to be heard, is that nothing could be more wasteful and so imperil the national interest than to enfeeble the mutual security program so that it can't do the job.

I AM NOT suggesting that the President's military and economic aid request should slide through Congress without being questioned and without being argued. There should be debate, very earnest debate. It seems to me that the debate is coming at a good time and under circumstances which will enlist the largest public interest.

It comes at a time when the Communist military threat is greater than ever before and when, because of events in Berlin and Iraq, the Communist threat is more visible than ever before.

The debate comes at a time when we must either rescue the mutual security program from being gradually choked to death by inadequate funds or given the resources equal to the need.

It comes at a time when the Democratic leaders of this Democratically controlled Congress — who almost unanimously say they want to put more into our defenses — can show whether they really mean it. The mutual security appropriation puts the issue squarely and fairly before the Administration's Defense critics. If they want stronger defense, as they avow they do, they must either support the President's mutual security appropriation or be prepared to spend at least three times as much as they cut from it in order to get the same military result.

Let us not forget that the mutual security program brings into being many times as much military strength as the U. S. pays for and — despite some admitted waste, despite some bad administration—is the economizer's way of getting the greatest security for the free world at the least cost.

At stake is the basic decision whether the U.S. is going to seek survival in isolation or in common effort with our allies.

Capitol Observers Explain Why State Costs Climb Ever Higher

SACRAMENTO (CNS) — Ordinary citizens often wonder what causes the costs of government to run ever higher, and why it is necessary at times for the administration to ask the people for new and increased taxes to continue governmental operations.

One of the many reasons is the penchant of some legislators to seek new and increased services, especially at a time when the state is in the red and the threat of new taxes is hanging over the heads of all the people of California.

A CASE IN POINT is Senate Bill 1012, by Senator Robert I. Montgomery (D-Hanford). His bill provides that "An individual of age 60 or over who is no longer regularly employed or engaged in another economic endeavor to earn a livelihood may enroll in any adult education classes or programs free of registration, tuition, or other charges."

On the surface, it might appear to be a kind gesture to provide free instruction for the old folks at the expense of people who are working and earning a living to support the adult education program.

And the gesture is not surprising, coming from Montgomery, an ex-school teacher, who after he retired, became a state senator. And as a school teacher, his sympathies naturally would favor government services which would make more jobs for his colleagues.

DURING THE current fiscal year, the state is apportioning $10,464,646 for adult education. In Governor Edmund G. Brown's budget, an attempt to cut down on this expenditure was made for the 1959-60 fiscal year. This attempt resulted in $8,396,521 being put in the budget now under consideration, a cut of $1,068,125.

Montgomery's attempt to increase the expenditure, therefore, does not appear to be in accord with the attempt of the administration to cut costs for this particular service.

TRY AND STOP ME

BENNETT CERF

A bright young Martian landed in the U.S.A., and, as luck would have it, found himself in the middle of a rock'n' roll dance hall in downtown Los Angeles. He surveyed the scene indignantly, and rushed to his interspace phone to call up headquarters in Mars. "You lied to me," he screamed to the official who answered the ring. "You told me I'd be the first one here!"

An unusual complaint was registered by a couple of workers at the U.S. Mint. They want to make less money. One quit the job, cleaned up in the frozen food business, bought a 72-room mansion, and invited all his old friends to a house-cooling party.

Herb Stein tells about a Hollywood art gallery that rents out ultra-modern abstractions on a novel basis. If you can find out within a month what the artist was reproducing, you keep the painting for good.

Testing Method

WASHINGTON — The aircraft industry is now using TV-like pictures to test big plane that hasn't as yet been built.

Planes, official publication of the Aircraft Industries Assn., says that through the use of an electronic flight simulator, engineers can determine the flight characteristics of new designs while they are still on the drawing board.

Wool Program Market Year Ends Soon

The marketing year under the 1958 wool program will end March 31, local farmers were reminded today by Chairman Alfred J. Bianchi of the Marin County Agricultural Stabilization and Conservation Committee.

The wool program is conducted under the National Wool Act of 1954. Payments under the 1958 program will be made this summer when payment rates are determined on the basis of national average prices received by producers for shorn wool during the 1958 marketing year.

Bianchi said any marketings after March 31 will be eligible under the 1959 program.

If any condition concerning a sale is not settled by March 31, the sale will not be considered completed, Bianchi cautioned. Title must have been passed to the buyer and the wool must have been delivered to him, either physically or through documents. Also, final factors such as price per pound, weight and yield, must be available.

Applications for payment under the 1958 program must be filed by April 30 with the Agricultural Stabilization and Conservation Committee office at 515 Hahmann drive, Santa Rosa.

N.Y. Group Buys Mutual Broadcast Co.

NEW YORK (AP)—A group of New York businessmen has purchased the Mutual Broadcasting System.

Mutual supplies 453 affiliated stations with news, sports and special features. It does not own them. Until recently it was part of the financial empire of international financier Alexander L. Guterma.

Malcolm E. Smith Jr., 42, president of Harrison Home Products, an importing firm, announced the purchase yesterday, but not the amount involved.

Richard H. Davimos, 36, of West Orange, N. J., a business associate of Smith, was the only other member of the purchasing group identified.

Davimos said Smith will become chairman of Mutual, and he will become president, with Robert F. Hurleigh, Mutual's senior vice president, becoming vice chairman.

Smith and Davimos are associates in Harrison Home Products, the Grand Award Record Corp., of which Davimos is president; the Waldorf Record Corp. and Waldorf Music Hall, Inc.

Chekhov's Widow Dies In Moscow

LONDON (AP)—The actress wife of Russian playwright Anton Chekhov, Olga Leonardovna Knipper-Chekhova, died yesterday in Moscow.

Mrs. Knipper-Chekhova, 88, was a leading actress for more than half a century and one of the last of the prerevolutionary intelligensia left in the Soviet Union.

Her career was tied to the Moscow Art Theater of Konstantin Stanislavsky and V. I. Nemirov-Danchenko, which influenced dramatic art all over the world. and which first presented all of Chekhov's plays.

The couple met through the Moscow Art Theater and were married in 1901. Chekhov died three years later, at the age of 44, but his widow continued to act with the troupe into World War II.

Mrs. Knipper-Chekhova traveled to the United States with the Moscow Art Theater in 1923. The Soviet government awarded her its highest honors, including the Order of Lenin, a Stalin Prize and the title of "People's Artist of the U.S.S.R."

A Teen's Last Years At Home Can Be Rewarding To Everyone

Do you have an 18 or 19-year old in your family? Our children's last years in our homes can be wonderful. Let's look at our oldest teen-agers.

At 18 or 19 they're grown. Their character traits are formed. Your job is almost done. You may think you still control them, but you don't. They'll be good because they want to be good, not because you remind them. Or they'll be bad, in spite of your efforts. Most of our oldest teen-agers are good. It's fun to have 'em around.

They worry about grownup things. Adult love, lifelong marriage. Final career choices, vocational training. A college or graduate school. They put up a good front. See them at a party and you'd swear they had no worries. Underneath, they're anxious about many things.

They still need your help. But it's not the same sort of help you gave them when they were little. You aren't a disciplinarian now. You don't scold and give orders. If you issue edicts they explode. Instead, you are a counselor. When they talk, you should listen. Ask questions. Help them clear up their own thinking. Don't try to do the thinking for them. What I suggest is not easy. But it can be done.

They need fun at home. They have interesting friends. Invite them in. You don't need to plan games now. In fact you don't need formal parties. Just a few friends in for a meal, and a session of music afterward. Be sure to keep the refrigerator loaded.

What I say today applies to the majority of our oldest teen-agers, not to the minority who are rebels. The rebels are at odds with their parents. They have their own way of living, apart from home. If yours are rebels, I'm sorry. Life is cheating you of a rich reward.

(Q) "My daughter is 19 and engaged. She kisses and pets her fiance passionately in public. She embassasses us. Should I speak to her about it?"

Mrs. Y. N.

(A) Yes. Try to be tactful. All engaged couples make love. But it is bad taste to give public displays of their affection.

CLOSED-CIRCUIT TELECAST SET FOR ELVIS

MEMPHIS, Tenn. (AP)—A closed-circuit telecast from Memphis probably will be Elvis Presley's first public appearance after his release from the Army early next year.

Presley's manager, Col. Tom Parker, yesterday said the telecast, originating in City Auditorium, would be piped to theaters across the country in March or April 1960.

"It's the only way to satisfy all the requests Elvis has received for peronal appearances," Parker explained. "He has got enough requests to tie him up through 1964. It's impossible for him to fill but a small per cent of them."

'THIS IS CAMMY WHITMAN. SEND ME TWO DOZEN EGGS'—Getting practice in use of the telephone, pupils of Adaline E. Kent School kindergarten use phone company-loaned equipment in actual hookup. Kent Children Learn How To Use Phone

Don't tell them not to—just teach them how to.

This new approach to youngsters' use of the telephone has produced more than 100 Adaline E. Kent School kindergarten pupils and "graduates" in Kentfield who know how to: Answer the telephone properly; call home; dial "operator" or a friend's number in case of emergency.

Mrs. Honor Brown, kindergarten teacher, enlisted the assistance of Pacific Telephone and Telegraph Co. in her project. The phone company loaned equipment ranging from a museum-piece early telephone through telegraph sets and practice dials to actual hookups with modern phones. It also lent the assistance of Mrs. Mary Sprague, school relations supervisor of PT&T.

"Parents rarely stop to think that the littlest ones are most often at home alone with mama," Mrs. Sprague pointed out. In emergencies, they might be the only ones able to summon help.

Mrs. Brown's kindergarteners learn to answer the phone by saying, "This is Sally Smith speaking." "It is so much more satisfactory than a simple 'hello,'" says Mrs. Brown.

Parents of the kindergarteners have cooperated by letting the children practice making calls at home.

"The only complaint I've had so far," says Mrs. Brown, "is from parents who point out that it's awkward to have a 5- or 6-year-old teaching our older children—or even us—the right way to use a telephone."

Novato Chamber Favors Plan For Access To Center

Directors of the Novato Chamber of Commerce have endorsed the request of developer Rudy Lang for access to the Highway 101 freeway at the site of Lang's planned Northland Shopping Center in south Novato.

Fourteen of the 16 chamber directors entitled to vote balloted unanimously in favor of endorsing the Lang request. The other two were absent.

Endorsement was on recommendation of Richard C. George, chairman of the chamber's roads and highways committee.

D. M. Brownlee of 1433 Park street, Novato, has announced transfer of the cement contracting business he formerly operated to a new corporation, D. M. Brownlee, Inc., in which he is the principal shareholder and manager.

Two Girls Win In 'Bake-Off'

Two San Rafael High School girls, Sue Stevenson, 17, and Diane DiGrazia, 15, have been named winners of the home economics department's "bake-off" contest, defeating 195 other girls who had matched each other's cooking ability at the school this month.

Sue, daughter of Mr. and Mrs. Robert C. Stevenson, San Rafael, and Diane, daughter of Mr. and Mrs. R. DiGrazia, San Rafael, have won the chance for consideration for state and national awards. The contest is sponsored by the Pillsbury Co. of Minneapolis.

A board of judges picked the winners on the basis or original recipes for a cake by Sue and cookie bars by Diane, reported Wylma Cunningham, home economics teacher.

Paris To Get Skyscraper

PARIS (AP)—The famed Paris Left Bank, which has always considered an attic a decent height for anyone, is to be invaded by 52-story skyscraper.

Tradition-minded officials fought it, but finally bowed to pressure and persuasion.

The skyscraper—tallest in Europe—is planned as the centerpiece for an ultramodern development project that will root out many of the rickety but picturesque studios.

The main building will rise 600 feet, towering over the Paris skyline now limited to about 10 stories. But it still will play second fiddle to the Eiffel Tower's 985 feet.

A concession to the Left Bank will be 25 acres of new studios for painters, sculptors, artists and writers.

They can mean the difference between pain and comfort . . . between life and death. Let your doctor do the diagnosing and prescribing. Then come to us for quality prescription service.

INCOME TAX FACTS

You Can Deduct Medical Bills You Paid During '58

By PETER J. WIKEL, CPA

Bad debts are deductible.

You can deduct your bad debts if:

1. A valid debt was made in 1958 or existed at Jan. 1, 1958.

Peter J. Wikel

To be deductible in 1958 the debt must have become worthless in 1958 which led you to believe that the debt was uncollectable—such as bankruptcy, disappearance of the debtor, etc.

2. The bad debt must have been included in your income, or been a part of your capital. You cannot have a bad debt deduction or uncollectible wages, fees, rents, etc. If you are a merchant and have a bad debt arising from sales or services, you cannot deduct the bad debt unless you included the sale in income.

3. You cannot forgive a debtor his debt and take a deduction for it. You must have made every reasonable effort to collect the debt in 1958. You cannot get a bad debt deduction simply because you do not choose to force collection.

A personal loan to a member of your family can be charged off as a bad debt, but there must be clear cut evidence that it was a loan. It cannot be in any way, shape or form, a gift. There must also be clear cut evidence that you have made every reasonable effort to collect. Deductions for bad debts arising out of loans to relatives are always given very close scrutiny.

In claiming a bad debt deduction you should attach to your tax return a statement showing the name and address, if known, of the debtor; the date the debt was incurred; the date the debt became due; what the debt was for; what efforts you have made to collect the debt, and why you believe the debt to be worthless.

If you are in business or practicing your profession for your own account, then your business bad debts are deducted together with your other business costs, on separate Schedule C of the tax return.

If your bad debt is a personal debt, you deduct it on separate Schedule D by entering the bad debt as a short-term capital loss. This deduction, taken with any other capital losses you may have is limited to $1,000 per year.

If your bad debt and other capital losses are in excess of $1,000, and you are married, then you should consider filing separate returns. Both you and your wife can take $1,000. Any excess can be carried over into the next succeeding five years.

You can deduct up to $1,000 per year for next five years, if your loss amounts to that much. You can take it all in any year that you can deduct it from your capital gains.

Members of Novato's High School freshman class soon will be ringing doorbells throughout Novato selling magazines to augment class funds, it was announced today by Michael Gragg, class adviser.

Students also are competing to find the "mystery house"—the home of someone well-known to all freshmen, said Gragg. The first student who rings that doorbell will win his choice of a wrist watch or a portable radio. The contest ends April 1.
